The Art of Asking Your Boss for a Raise Georges Perec,2025-06-24 A long suffering employee in a big corporation has summoned up the courage to ask for a raise But as he runs through the looming encounter in his mind his neuroses come to the surface What is the best day to see the boss What if he doesn t offer you a seat when you go into his office The Art of Asking Your Boss for a Raise is a hilarious account of an employee losing his identity and possibly his sanity as he tries to put on the most acceptable face for the corporate world with its rigid hierarchies and hostility to new ideas If he follows a certain course of action so this logic goes he will succeed but in accepting these conditions are his attempts to challenge his world of work doomed from the outset Neurotic and pessimistic yet endearing comic and never less than entertaining Perec s Woody Allen esque underling presents an acute and penetrating vision of the world of office work as pertinent today as it was when it was written in 1968

Gadsby Ernest Vincent Wright,2018-05-31 Gadsby is a 1939 novel by Ernest Vincent Wright The plot revolves around the dying fictional city of Branton Hills which is revitalized thanks to the efforts of protagonist John Gadsby and a youth group he organizes The novel is written as a lipogram and does not include words that contain the letter e Though self published and little noticed in its time the book is a favourite of fans of constrained writing and is a sought after rarity among some book collectors Later editions of the book have sometimes carried the alternative subtitle 50 000 Word Novel Without the Letter E In 1968 the novel entered the public domain in the United States due to failure to renew copyright in the 28th year after publication
