Part Of A Lifetime:

The Rich Part of Life Jim Kokoris, 2007-04-01 Teddy Pappas is an eleven year old boy forced into maturity before his time. He lives with his younger brother and their eccentric Civil War historian father a man more comfortable with discussing Confederate footwear than what kind of day his sons had. Their lives have been quiet for a year since the real lifeblood of their household Teddy's mother died in a tragic car accident. On the one year anniversary of her death Teddy's stoic father plays his wife's favorite lottery numbers in a tender uncharacteristic act. When it turns out that the family holds the 190 million winning ticket their world is instantly transformed. Seemingly overnight a host of colorful characters demands their attention including Teddy's hilarious aunt and uncle a beautiful divorcee a desperate former soap opera star and a menacing stranger who threatens the very core of the family. As events spiral out of control the family struggles to discover what the rich part of life really is. Featuring a unique father child bond Jim Kokoris's moving first novel is flavored with the rich characterizations and poignant charm of early John Irving. Creating the perfect balance of humor and pathos Kokoris takes us on an unforgettable journey through the ups and downs of this revelation of unexpected wealth.

Life, Part Two David Chernikoff, 2021-12-21 A guide to seven essential elements that will illuminate your path to spiritual realization and wise elderhood. What Carl Jung called the second half of life has the potential to be a remarkable curriculum for insight and awakening. When wisely understood the changes inherent in the aging process become stepping stones to the actualization of our best human qualities: wisdom, lovingkindness, compassion, joy, and equanimity. Author David Chernikoff has spent decades pursuing spiritual study and practice with remarkable teachers including Ram Dass, Jack Kornfield, Sharon Salzberg, Father Thomas Keating, and Reb Zalman Schachter Shalomi. In *Life Part Two* he distills lessons from across contemplative traditions to invite readers to embrace seven essential elements of conscious living: embracing the mystery, choosing a vision, cultivating intuitive wisdom, committing to inner work, suffering effectively, serving from the heart, and celebrating the journey. These elements culminate in wise elderhood, a state celebrated by indigenous cultures around the world yet largely unacknowledged in contemporary Western society. For those of us who aspire to live fully and to love well as we age, *Life Part Two* is a lucid guidebook that empowers us to personally thrive and to contribute with ever greater clarity and purpose.

My (Part-Time) Paris Life Lisa Anselmo, 2016-10-11 Poignant, touching, and lively, this memoir of a woman who loses her mother and creates a new life for herself in Paris will speak to anyone who has lost a parent or reinvented themselves. Lisa Anselmo wrapped her entire life around her mother, a strong woman who was a defining force in her daughter's life, maybe too defining. When her mother dies from breast cancer, Lisa realizes she hadn't built a life of her own and struggles to find her purpose. Who is she without her mother and her mother's expectations? Desperate for answers, she reaches for a lifeline in the form of an apartment in Paris, refusing to play it safe for the first time. What starts out as a lurching act of survival sets Lisa on a course that reshapes her life in ways she never could have imagined. But how can you imagine a life bigger than

anything you've ever known In the vein of Eat Pray Love and Wild My Part time Paris Life a story is for anyone who's ever felt lost or hopeless but still holds out hope of something more This candid memoir explores one woman's search for peace and meaning and how the ups and downs of expat life in Paris taught her to let go of fear find self worth and create real lasting happiness
