Partial To Home A Memoir Of The Heart:

Heart of the Home Susan Branch, 1986 With an emphasis on simple preparation and fresh foods the author offers seasonal recipes for Fourth of July picnics Valentine's Day treats and warming winter meals **A Gift of Angels** Jerry Bledsoe, 2017-09-04 Critics proclaimed Jerry Bledsoe's bestseller *The Angel Doll* an instant classic and a family treasure It sold more than 110 000 copies in hardcover was excerpted in *Good Housekeeping* selected by The Literary Guild Doubleday Book Club and Crossings Book Club and was made into a Lifetime movie In *The Angel Doll* we met Whitey Black who despite his poverty sets out to get an angel doll for his four year old sister because she loves *The Littlest Angel* story so much Although his sister doesn't live to see her doll we learn of another angel who many years later gives angel dolls to children in terminal hospital wards each Christmas In this deeply moving sequel to *The Angel Doll* Bledsoe tells the rest of the story and brings the characters full circle to the present day A story of friendship love and giving it is certain to bring tears to the eyes of all who read it even if they never heard of *The Angel Doll* **Do-Good Boy** Jerry Bledsoe, 2017-07-05 In 1960 at age 18 future bestselling author Jerry Bledsoe Bitter Blood *The Angel Doll* told an Army recruiter that he wanted to be an artist This was his lucky day the recruiter informed him The Army had the best art school in the world But after being sworn in Bledsoe was pulled aside by a major and informed that no Army art school existed He was being assigned instead to Information School Although Bledsoe who had flunked high school English for failure to write book reports and term papers had no idea what this unexpected decision entailed it would set the direction for the rest of his life Bledsoe limits this warm deeply personal and often humorous memoir to the turbulent 60s which he began as a psychological warfare writer in the early stages of the Vietnam War His Army experiences led him to become a newspaper reporter and columnist thrusting him into the major stories of the decade and leading him to meet and write about hosts of remarkable and engaging people including a relatively unknown musician named Jimi Hendrix who was opening for the Monkees comedy legend Brother Dave Gardner and civil rights leader Ben Elton Cox From moments of true Catch 22 absurdities in the Army to historic events of the civil rights movement *Do Good Boy* gives its readers an insider's view as a young author discovers his calling **The World's Number One, Flat-Out, All-Time Great, Stock Car Racing Book** Jerry Bledsoe, 2019-02-01 On Labor Day weekend of 1972 journalist Jerry Bledsoe hooked up with the stock car racing circuit to begin research for his first book The result of his efforts first published in 1975 has been called the classic work on stock car racing Bledsoe captures the beginnings of the modern NASCAR era a time when legends like Richard Petty David Pearson Bobby Allison and the Wood brothers ruled It was also a time when independent drivers like Wendell Scott NASCAR's first African American driver and Larry Smith could build a car in their garages during the week and race on Sunday alongside King Richard With levels of access impossible to achieve today Bledsoe is not only in the pits and garages with the drivers but also is alongside their family driving to the next race in a van piled high with ice chests filled with sandwiches and fried chicken He digs into the sport's rough and rowdy

history and shines a light into its nooks and crannies uncovering the forgotten role that women drivers played in creating this most macho of motorsports And then there are the fans There s Red Robinson the self proclaimed World s Number One Stock Car Racing Fan who collects racing beauty queens the way some people collects stamps And the fans camped out in the infield at Darlington the biggest wildest whoopingest holleringest drinkingest gamblingest carousingest knock down fall out blowout held in the South More than a book about racing this is a close up look at a cultural phenomenon that illuminates America and the South In 1965 Tom Wolfe called racer Junior Johnson the last American hero The World s Number One All Time Great Stock Car Racing Book shows that a decade later there were still plenty of heroes circling the track with no signs of them disappearing anytime soon *With All My Heart* Stephanie Stansbie,2020-12-01 This illustrated board book with die cut pages is the perfect read to share with your little one Share the love between a parent and child in *With All My Heart* This beautifully illustrated board book showcases the lifelong love a parent has for their child Each page features sweet text paired with shaped die cuts for a unique reading experience *With All My Heart* is the perfect book to cuddle up with and to express the endless love between a parent and child *The Heart is a Little to the Left* William Sloane Coffin,1999 William Sloane Coffin offers here a powerful antidote to the politics of the religious right with a clarion call to passive intellectuals and dispirited liberals to reenter the fray with an unabashedly Christian view of social justice Refusing to cede the battlefield of morality to conservatives he argues that compassion demands confrontation as he considers such topics as homophobia diversity nuclear weapons and civil discourse Coffin became famous while chaplain at Yale in the 1960s for his active opposition to the Vietnam War Jailed as a civil rights Freedom Rider indicted by the government in the Benjamin Spock conspiracy trial he attained popular immortality as Reverend Sloan in the *Doonesbury* comic strip The seven pieces collected here are peppered with memorable aphorisms and pithy political one liners meant to turn bitterness to anger and anger to action *Contemporary Authors New Revision* Pamela Dear,2000-07 In response to the escalating need for up to date information on writers *Contemporary Authors New Revision* Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original *Contemporary Authors* entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details *Eyes of the Heart* Jean-Bertrand Aristide,2000 Looks at globalization colonialism education and women s status through the eyes of the Haitian people *The Heart of Splendid Lake* Amy Clipston,2021-09-14 Brianna has been helping her father realize his dream of running an idyllic lakeside resort But when he passes she must fend off the constant flow of real estate brokers wanting to snatch up their prime acreage including mogul Scott Gibson Will the pair discover the treasure worth fighting for is love Brianna is the youngest of the three Porter sisters and the only one who chose to stay in the small town of Splendid Lake North Carolina She followed in her father s footsteps

The Heart and Other Monsters Rose Andersen, 2020-07-07 Impossible to put down It haunts me still Alex Marzano Lesnevech author of The Fact of a Body A Murder and a Memoir A riveting deeply personal exploration of the opioid crisis an empathic memoir infused with hints of true crime In November 2013 Rose Andersen s younger sister Sarah died of an overdose in the bathroom of her boyfriend s home in a small town with one of the highest rates of opioid use in the state Like too many of her generation she had become addicted to heroin Sarah was 24 years old To imagine her way into Sarah s life Rose revisits their volatile childhood marked by their stepfather s omnipresent rage and their father s pathological lying As the dysfunction comes into focus so does a broader picture of the opioid crisis and the drug rehabilitation industry in small towns across America And when Rose learns from the coroner that Sarah s cause of death was a methamphetamine overdose the story takes a wildly unexpected turn As Andersen sifts through her sister s last days we come to recognize the contours of grief and its aftermath the psychic shattering which can turn to anger the pursuit of an ever elusive verdict and the intensely personal rites of imagination and art needed to actually move on Reminiscent of Alex Marzano Lesnevech s The Fact of a Body Maggie Nelson s Jane A Murder
