Participation and Democracy East and West Dietrich

Rueschemeyer, 2015-05-11 Since Alexis de Tocqueville first made the linkage in his writings on America a healthy democracy has been associated with the flourishing of civil society as measured by popular participation in voluntary and civic activities and the vitality of organizations that mediate between the individual and the state This volume takes a fresh look at this classic theme in the context of post communist Eastern Europe the West European welfare states and the United States asking what patterns of participation characterize the new democracies of Eastern Europe what levels of civic activism are characteristic of contemporary Western democracies what factors account for differences among countries and changing patterns over time and what do findings suggest about the prospects for democracy in the 21st century *Democratic*

Equality Edward Broadbent, 2019-10-21 Are the world's oldest democracies failing For most of the past fifty years democratic governments made determined and successful efforts at overcoming the significant inequalities that are the by product of a capitalist economy During this period a new concept of democratic citizenship that added social and economic rights to the liberal legacy of political and civil liberties established roots in most North Atlantic democracies Since the 1980s this notion of democratic citizenship has been challenged ideologically to such a degree that through either major modification or complete elimination of programs equality as a fundamental democratic goal is disappearing in many nations particularly in the Anglo American democracies In this extraordinary collection top scholars in political science sociology philosophy and economics discuss this radical shift towards inequality in an age of mass capital globalization Wide ranging in topic yet coherent in approach Inequality and the Modern Democratic State comprises thirteen essays including Ed Broadbent's Ten Propositions about Equality and Democracy Robert Hackett's Watch Dogs Mad Dogs or Lap Dogs News Media and Civic Equality and Barbara Ehrenreich's Inequality in the Clinton Era Many European democracies argue the contributors have adapted to new circumstance in the global economy without resorting to policies that actively promote inequality While differing in some important details on solutions they all contend that the political decision making process is of critical importance in entrenching or battling an escalating inequality that is neither necessary nor desirable The SAGE

Handbook of Comparative Politics Todd Landman, Neil Robinson, 2009-06-30 Editors Landman and Robinson have compiled an excellent tour d'horizon of comparative politics Distinguished contributors explore theoretical and methodological issues as well as examine the critical substantive domains that animate today's comparativists Graduate students and academics will want to keep this volume on their book shelf Professor Mark Irving Lichbach University of Maryland The SAGE Handbook of Comparative Politics is a major new resource for scholars of comparative politics and of political science more generally The Handbook covers the field with admirable thoroughness but does not sacrifice depth for breadth The chapters are written by notable scholars who provide rich discussions of their topics and help to move the sub discipline forward B

Guy Peters Professor University of Pittsburgh The SAGE Handbook of Comparative Politics presents in one volume an authoritative overview of the theoretical methodological and substantive elements of comparative political science The 28 specially commissioned chapters written by renowned comparative scholars guide the reader through the central issues and debates presenting a state of the art guide to the past present and possible futures of the field The Handbook is divided into three parts The first considers comparative methodologies and reviews the interactions between various sub fields of comparative politics political economy political sociology area studies international relations and institutional analysis The second section examines nine classic issues of concern to comparativists including government formation political behaviour and democratization In the final section nine new and emerging areas of comparative research are considered such as terrorism electoral corruption human rights and regional integration The SAGE Handbook of Comparative Politics is an essential resource for researchers in political science political sociology political economy international relations area studies and all other fields with a comparative political dimension

Citizens, Democracy, and Markets Around the Pacific

Rim Russell J. Dalton, To-ch'öl Sin, 2006-11-02 East Asia is one of the most dynamic areas of political change in the world today what role do citizens play in these processes of change Drawing upon a unique set of coordinated public opinion surveys conducted by the World Values Survey this book provides a dramatically new image of the political cultures of East Asia Most East Asian citizens have strong democratic aspirations even in still autocratic nations Most East Asians support liberal market reforms even in nations where state socialism has been dominant The books findings thus provide a new perspective on the political values of Asian publics We demonstrate that the dramatic socioeconomic changes of the past several decades have transformed public opinion altering many of the social norms traditionally identified with Asian values and creating public support for further political and economic modernization of the region Political culture in East Asia is not an impediment to change but creates the potential for even greater democratization and marketization Comparative Politics is a series for students and teachers of political science that deals with contemporary government and politics The General Editors are Max Kaase Professor of Political Science Vice President and Dean School of Humanities and Social Science International University Bremen Germany and Kenneth Newton Professor of Comparative Politics University of Southampton The series is produced in association with the European Consortium for Political Research

Mapping Value Orientations in Central and Eastern Europe Loek Halman, Malina Voicu, 2010-11-11 This volume elaborates on a number of issues that seem particularly important for the people in Central and Eastern Europe the development and working of democracy the public support for legitimacy and efficacy of democracy and the free market economy and of course the stability of the newly established political culture

Comparative Historical Analysis in the Social Sciences James Mahoney, Dietrich Rueschemeyer, 2003-02-03 This book systematically investigates the past accomplishments and future agendas of contemporary comparative historical analysis Its core essays explore three major issues the accumulation of knowledge in

the field over the past three decades the analytic tools used to study temporal process and historical patterns and the methodologies available for making inferences and for building theories The introductory and concluding essays situate the field as a whole by comparing it to alternative approaches within the social sciences Comparative Historical Analysis in the Social Sciences will serve as an invaluable resource for scholars in the field and it will represent a challenge to many other social scientists especially those who have raised skeptical concerns about comparative historical analysis in the past

European Values at the Turn of the Millennium Wil Arts,Loek Halman,2004-09-01 This volume deals with Europe s diversity and homogeneity at the turn of the millennium in terms of fundamental value orientations Using data from the 1999 2000 wave of the European Values Study the contributors to this book try to identify and offer explanations and understandings of the patterns in the basic values and attitudes that have been ascertained in specific life spheres e g work and leisure time religion morality society and politics family and marriage The result is a cultural map of Europe that captures the diversities and similarities in value profiles of the Europeans *Civil Society and the Aid Industry* Alison Van Rooy,2020-04-14 This book is valuable for and beyond the international development industry It deftly leads a non specialist through the maze of ideas and arguments plaguing the concept of civil society and critically examines how and what happens when the international aid system tries to turn confusing and complex political theory into effective development policy and practice fitting the individual preconditions and historical trajectories of the worlds varied nations The comparative evidence analysis and recommendations on offer are essential reading for anyone attempting to understand or build someone else s as well as their own civil society especially when justifying the use of tax payers money to do so ALAN FOWLER CO FOUNDER INTRAC This book will be really useful to numerous readers 011 a subject becoming ever more topical in the world of development and beyond It puts order into the deeply confused debate about civil society describes what the aid donors are doing to pursue their new goals offers four penetrating case studies and concludes with sensible suggestions for future policy The authors have made a practical and lucid assessment of the huge civil society literature they have also contributed valuably to it and deserve to be listened to PROFESSOR ROBERT CASSEN LONDON SCHOOL OF ECONOMICS Northern governments and NGOs are increasingly convinced that civil society will enable people in developing countries to escape the poverty trap *Civil Society and the Aid Industry* the product of extensive research by the prestigious North South Institute in Canada makes a critical appraisal of this new emphasis in the aid industry It explores the roles of Northern governmental multilateral and non governmental agencies in supporting civil society presenting in depth case studies of projects in Peru Kenya Sri Lanka and Hungary and gives detailed policy recommendations intended to improve the effectiveness and appropriateness of future projects Originally published in 1998 *The Failure of Civil Society?* Akihiro Ogawa,2009-03-09 A look at the voluntary sector in Japan which has emerged strongly only in recent years *Aiding Violence* Peter Uvin,1998 Includes statistics **Left Parties And Social Policy In Postcommunist Europe** Linda J Cook,2020-04-28 This book

attempts to explain why and to evaluate what the return of the left has meant for the social policy of the states they have helped govern It focuses on the East Central European countries of Poland Hungary and the Czech Republic significantly Russia **Bulgaria's Democratic Institutions at Thirty** Kjell Engelbrekt, Petia Kostadinova, 2020-05-21 This collection analyzes the state of democratic institutions and civil society in Bulgaria The contributors argue that despite the country's high level of civic participation there remain significant obstacles to its full democratic development such as corruption political illegitimacy populism and weak judicial oversight **Special Bibliography Series**, 1957 The Languages of Civil Society Peter Wagner, 2006 The series emerged from the study Towards a European Civil Society on which 40 political scientists sociologists historians and other scholars in 10 countries worked for two and a half years This first volume looks at the debates about civil society over the past two decades in East Central Europe Latin America East Asia and finally in Europe and globally as a counter to unjustified state domination and neo liberal marketization Annotation 2006 Book News Inc Portland OR booknews com **Power to the People** Jonathan Benjamin-Alvarado, 2000 Power to the People analyzes energy development in Cuba both before and after the Cold War and discusses the risks and opportunities associated with the development and expansion of the Cuban energy sector **Nationalist Politics and Everyday Ethnicity in a Transylvanian Town** Rogers Brubaker, Margit Feischmidt, Jon Fox, Liana Grancea, 2018-06-05 Situated on the geographic margins of two nations yet imagined as central to each Transylvania has long been a site of nationalist struggles Since the fall of communism these struggles have been particularly intense in Cluj Transylvania's cultural and political center Yet heated nationalist rhetoric has evoked only muted popular response The citizens of Cluj the Romanian speaking majority and the Hungarian speaking minority have been largely indifferent to the nationalist claims made in their names Based on seven years of field research this book examines not only the sharply polarized fields of nationalist politics in Cluj Transylvania and the wider region but also the more fluid terrain on which ethnicity and nationhood are experienced enacted and understood in everyday life In doing so the book addresses fundamental questions about ethnicity where it is when it matters and how it works Bridging conventional divisions of academic labor Rogers Brubaker and his collaborators employ perspectives seldom found together historical and ethnographic institutional and interactional political and experiential Further developing the argument of Brubaker's groundbreaking Ethnicity without Groups the book demonstrates that it is ultimately in and through everyday experience as much as in political contestation or cultural articulation that ethnicity and nationhood are produced and reproduced as basic categories of social and political life **The (Not So) Surprising Longevity of Identity Politics** Timofey Agarin, 2022-04-27 This book assesses the underpinning role references to identity played and continue to play as the powerful mobilising force in domestic politics across the East European region stretching from Estonia to Bulgaria The EU membership of postcommunist states was to ensure stability prevent conflict and eventually guarantee equality of all citizens regardless of their political preferences or ethnic identities However the promotion of such norms and values has

been secondary to consolidation of state institutions and the societies they serve around ethnocentric narratives of states core ethnic groups The sequel of financial then refugee crises has further dented the appeal of the EU s norms across the region Even the rhetoric commitment to respect cultural diversity and human rights has been promptly replaced with references to identity and interests of politically relevant groups Yet nativist and populist rhetoric has been the staple of politics since before the EU accession The chapters in this edited volume zoom in on politics which forge and live off their societies preoccupation with ethnocentric narratives vesting national identity with persistent relevance and considerable weight across the postcommunist region The chapters in this book were originally published in the journal East European Politics

Japan's Dual Civil Society Robert Pekkanen, 2006 Japan differs from other industrialized democracies in having many small local groups but few large professionally managed national organizations This book provides a comprehensive overview of Japan s civil society and a new theory based on political institutions to explain why it has developed as it has

Civil Society and Political Change in Asia Muthiah Alagappa, 2004 A systematic investigation of the connection between civil society and political change in Asia change toward open participatory and accountable politics Its findings suggest that the link between a vibrant civil society and democracy is indeterminate certain civil society organizations support democracy thers could undermine it
