Parties and Elections in an Anti-party Age Jeff Fishel, 1978 *Ibss Poli Sci 29 1980* "International Committee For Social Sciences Documentation", 2013-10-15 The International Bibliography of the Social Sciences IBSS is an essential tool for librarians academics and researchers wishing to be kept up to date with the published literature in the social sciences IBSS is compiled in four divisions Anthropology Sociology Economics and Political Science This is Volume XXIX of the International bibliography of political science as of 1980 The Politics Of Interests Mark P Petracca, 2018-02-19 This is a thematically unified survey of current and significant issues affecting interest group politics and scholarship in the USA Petracca has drawn together interest group scholars and practitioners to write 16 original essays dedicated to making the best and newest research accessible to students at all levels The mix of perspectives and approaches aims to offer a stimulating analysis of contemporary American interest group activity

**National Party Organizations and Party Brands in American Politics** Boris Heersink, 2023 A new assessment on the role influence and limitations of the Democratic and Republican National Committees in American political development Scholars have long debated the role and importance of the Democratic and Republican National Committees in American politics In *National Party Organizations and Party Brands in American Politics* Boris Heersink identifies a core DNC and RNC role that has thus far been missed creating national party brands Drawing on extensive historical case studies and quantitative analysis Heersink argues that the DNC and RNC have consistently prioritized their role of using publicity to inform voters about their parties policies and priorities from the beginning of the twentieth century onwards Both committees invested heavily in political communication tools with the goal of shaping voters perceptions of their parties As Heersink shows the DNC and RNC often have considerable freedom in determining what type of brands to promote placing them in the center of major intra party debates in the twentieth century including Prohibition civil rights foreign affairs and economic policy Analytically rigorous and marshaling a vast body of research on US elections between 1912 and 2016 this book highlights how important national party organizations are in setting the agenda in American politics

**Historical Dictionary of United States Political Parties** Harold F. Bass, Jr., 2009-09-01 The second edition of *Historical Dictionary of United States Political Parties* addresses the historical development organization operation and leadership of the parties as well as their broader environment This is done through a chronology an introductory essay appendixes a bibliography and over 800 cross referenced dictionary entries addressing individuals institutions and terms

*The Power of Money in Congressional Campaigns, 1880-2006* David C. W. Parker, 2014-10-22 A new understanding of what really matters in our elections Prevailing wisdom holds that the pivot of American political campaigns has shifted over the past century from the parties to the candidate David C W Parker challenges this conventional notion arguing that campaigns center on neither orientation but are more simply resource dependent *The Power of Money in Congressional Campaigns* examines the historical development of party interest group and

candidate power in the American congressional election process Parker takes a broad view of the electoral terrain considering both primary and general elections and discerns distinct patterns emerging during the twentieth century He proposes a new theoretical model based on the need for candidates to accumulate enough financing and reputation to compete successfully showing the importance of the rules governing this process Analyzing case studies of elections over more than a century Parker argues that campaign behavior boils down to the determination to gather the resources needed to win He shows that changes in electoral rules over time have affected the strategies candidates and parties use to accumulate campaign resources He also suggests how the Bipartisan Campaign Finance Reform Act of 2002 may influence the relationships among political actors and affect the quality of democratic discourse Unlike many studies of the election process this book provides a broad understanding of why candidates parties and interest groups pursue particular strategies The Power of Money in Congressional Campaigns is a corrective analysis of how candidates campaign and how Americans choose their leaders

**Historical Dictionary of United States Political Parties** Harold F. Bass, 2020-01-26 This third edition of Historical Dictionary of United States Political Parties contains a chronology an introduction appendixes a bibliography the dictionary section has over 500 entries on concepts terms labels and individuals central to identifying and comprehending the key roles political parties have played in American political life

**The Reagan Years** Joseph Hogan, 1990 A collection of political commentaries published originally in the Wall Street Journal by a Reagan critic No index No bibliography Contributors from both Britain and the US but mostly Britain cover Reagan's management of institutions Congress the Supreme Court the Cabinet councils and the White House staff the mass media the political parties and assess his leadership in the arenas of economic policy and foreign affairs Generally oriented to the level of advanced undergraduate students and generally well done though an index is sorely lacking Distributed in the US and Canada by St Martins Press Annotation copyrighted by Book News Inc Portland OR

*New Perspectives on Populism* Jeffrey Friedman, 2022-11-10 Populism has taken the world by storm but what is it In this volume twelve political scientists and political theorists approach this question from a variety of new perspectives empirical and theoretic covering populism around the world In addition to chapters on populism in Eastern Europe and Britain six authors analyse populism in the United States treating it variously as a reaction against technocracy a form of technocracy a manifestation of regional and class norms a violent ideological import and potentially a progressive democratic phenomenon All the contributors attempt to understand populists on their own terms rather than reducing populism to a psychological or structural phenomenon This book was originally published as a special issue of the journal Critical Review

[All Thing Al Menp](#) Godfrey Hodgson, 1981-08-24 From Simon Schuster All Things to All Men describes the false promise of the modern American presidency from Franklin D Roosevelt to Ronald Reagan Hodgson argues that the institution of the presidency has lost much of its power in the last two decades analyzes the causes of this impotence and suggests changes that will enable future presidents to govern effectively

**The Presidential**

**Nominating Process** Rhodes Cook, 2004 Examines the flaws of the United States presidential nomination system discussing why the current nomination process does not give voters equal opportunities to select the candidate they most want for president

Laws, Men and Machines (Routledge Revivals) Michael Foley, 2014-02-04 First published in 1990 *Laws Men and Machines* is an original interpretation of the lasting influence that Newtonian mechanics has had on the design and operation of the American political system The author argues that it is this mechanistic tradition that now instinctively shapes the way we conceive of analyse and evaluate American politics and that the Newtonian conception of the world still finds expression in the checks and balances of the American system

**White Nationalism, Black Interests** Ronald W. Walters, 2003 A study of the most racially conscious aspect of the Conservative movement and its impact on politics and current public policy The rise of the Conservative movement in the United States over the last two decades is evident in current public policy including the passage of the Welfare Reform Act the weakening of affirmative action and the approval of educational vouchers for private schooling At the same time new rules on congressional redistricting prohibit legislators from constructing majority black congressional districts and blacks continue to suffer disproportionate rates of incarceration and death penalty sentencing In this significant new study the distinguished political scientist Ronald W Walters argues that the Conservative movement during this period has had an inordinate impact on American governing institutions and that a strong though very often unstated racial hostility drives the public policies put forth by Conservative politicians Walters traces the emergence of what he calls a new White Nationalism showing how it fuels the Conservative movement invades the public discourse and generates policies that protect the interests of white voters at the expense of blacks and other nonwhites Using historical and contemporary examples of White Nationalist policy as well as empirical public opinion data Walters demonstrates the degree to which this ideology exists among white voters and the negative impact of its policies on the black community

White Nationalism Black Interests terms the current period a second Reconstruction comparing the racial dynamics in the post Civil Rights era to those of the first Reconstruction following the end of the Civil War Walters s analysis of contemporary racial politics is uniquely valuable to scholars and lay readers alike and is sure to spark further public debate

**The Triumph of Campaign-Centered Politics** David Menefee-Libey, 2000 *The Triumph of Campaign Centered Politics* highlights the electoral dimensions of representative democracy representation deliberation and choice and it illuminates the challenges Americans face in developing new political paradigms

**Resources Rule** David C. W. Parker, 2004      The Politics Industry Katherine M. Gehl, Michael E. Porter, 2020-06-23

Leading political innovation activist Katherine Gehl and world renowned business strategist Michael Porter bring fresh perspective deep scholarship and a real and actionable solution Final Five Voting to the grand challenge of our broken political and democratic system Final Five Voting has already been adopted in Alaska and is being advanced in states across the country The truth is the American political system is working exactly how it is designed to work and it isn't designed or optimized today to work for us for ordinary citizens Most people believe that our political system is a public institution with high minded principles and impartial rules derived from the Constitution In reality it has become a private industry dominated by a textbook duopoly the Democrats and the Republicans and plagued and perverted by unhealthy competition between the players Tragically it has therefore become incapable of delivering solutions to America's key economic and social challenges In fact there's virtually no connection between our political leaders solving problems and getting reelected In The Politics Industry business leader and path breaking political innovator Katherine Gehl and world renowned business strategist Michael Porter take a radical new approach They ingeniously apply the tools of business analysis and Porter's distinctive Five Forces framework to show how the political system functions just as every other competitive industry does and how the duopoly has led to the devastating outcomes we see today Using this competition lens Gehl and Porter identify the most powerful lever for change a strategy comprised of a clear set of choices in two key areas how our elections work and how we make our laws Their bracing assessment and practical recommendations cut through the endless debate about various proposed fixes such as term limits and campaign finance reform The result true political innovation The Politics Industry is an original and completely nonpartisan guide that will open your eyes to the true dynamics and profound challenges of the American political system and provide real solutions for reshaping the system for the benefit of all THE INSTITUTE FOR POLITICAL INNOVATION The authors will donate all royalties from the sale of this book to the Institute for Political Innovation
