Parties Politics And Democracy In The New Southern Europe

Juan J. Linz, Alfred Stepan

Parties Politics And Democracy In The New Southern Europe:

Parties, Politics, and Democracy in the New Southern Europe P. Nikiforos Diamandouros, Richard Gunther, 2001-06-11 In the acclaimed *Politics of Democratic Consolidation* Nikiforos Diamandouros, Richard Gunther and their co authors showed how democratization unfolded in Greece Italy Portugal and Spain culminating in consolidated democratic regimes This volume continues that analysis posing the basic question What kind of democratic politics emerged in those countries It presents systematic analyses of the basic institutions of government and of the dynamics of electoral competition in the four countries set in comparative context alongside several other democracies as well as detailed studies of the evolution of the major parties their electorates their ideologies and their performances in government over the past twenty years The authors reach two major conclusions First the new democracies salient features are moderation centripetalism and the democratization of erstwhile antisystem parties on the Right and Left Second no single Southern European model has emerged the systems differ from one another about as much as do the other established democracies of Europe Contributors P Nikiforos Diamandouros University of Athens Richard Gunther Ohio State University Thomas C Bruneau Naval Postgraduate School Monterey Arend Lijphart University of California at San Diego Leonardo Morlino University of Florence Risa A Brooks Stanford University Jos R Montero Autonomous University of Madrid Giacomo Sani University of Pavia Paolo Segatti University of Trieste Gianfranco Pasquino University of Bologna Takis S Pappas College Year Athens Hans Jrgen Puhle Goethe University Frankfurt am Main Anna Bosco University of Trieste [Political Parties in New Democracies](#) Ingrid van Biezen, 2003-07-01 Ingrid van Biezen provides a comprehensive comparative analysis of party formation and organizational development in recently established democracies She focuses on four democracies in Southern and East Central Europe and addresses political parties from a cross regional perspective Featuring a wealth of new information on party organization this book provides a valuable theoretical and empirical contribution to our understanding of political parties in both old and new democracies **The Politics of Democratic Consolidation** Richard Gunther, P. Nikiforos Diamandouros, Hans-Jürgen Puhle, 1995-08 With democracy on the rise worldwide questions about transition are rapidly being replaced by questions about consolidation How can leaders provide for a stable democracy once a nation has made its initial commitment to the rule of law and to popularly elected government In *The Politics of Democratic Consolidation* a distinguished group of internationally recognized scholars focus on four nations of Southern Europe Spain Portugal Italy and Greece which have successfully consolidated their democratic regimes Contributors P Nikiforos Diamandouros Richard Gunther Hans Jrgen Puhle Edward Malefakis Juan J Linz Alfred Stepan Felipe Ag ero Geoffrey Pridham Sidney Tarrow Leonardo Morlino Jos R Montero Gianfranco Pasquino and Philippe C Schmitter **Democracy Between Consolidation and Crisis** Leonardo Morlino, 1998-07-02 The second half of the twentieth century has witnessed several waves of democratization in Europe the Americas and in other regions of the world such as South East Asia Although

for the most part these democratic regimes are no longer haunted by the prospect of a return to authoritarianism severe economic and social problems have posed serious challenges creating a situation where change is often achieved through alternating periods of consolidation and crisis Drawing on a systematic empirical analysis of four key Southern European countries Portugal Spain Greece and Italy Morlino identifies several key aspects of democratic consolidation consensus and legitimation party system and party organization and the ways in which organized and non organized interests are related to parties and the institutions of state The resulting models of consolidation are analysed and the mechanisms and patterns of their unfolding crises identified taking care to disentangle the pragmatic reactions against the regime often related to corruption from more ideological ones grounded in differences in values Finally the author addresses the question of the quality of democracy examining how this is related to the outcome of processes of consolidation and crisis This insightful study offers the first extensive comparative analysis of consolidation and crisis in these countries and features a wealth of up to date information on party organizations interest associations the media and public opinion Although clearly focusing on Southern Europe the author s findings are extremely relevant for understanding the politics of several other regions including Eastern Europe Latin America and South East Asia

Rethinking European Social Democracy and Socialism

Alan Granadino, Stefan Nygård, Peter Stadius, 2022 With a combined focus on social democrats in Northern and Southern Europe this book crucially broadens our understanding of the transformation of European social democracy from the mid 1970s to the early 1990s In doing so it revisits the transformation of this ideological family at the end of the Cold War and before the launch of Third Way politics and examines the dynamics and power relations at play among European social democratic parties in a context of nascent globalisation The chronological methodological and geographical approaches adopted allow for a more nuanced narrative of change for European social democracy than the hitherto dominant centric perspective This book will be of key interest to scholars and students of social democracy the European Centre left political parties ideologies and more broadly to comparative politics and European politics and history The Introduction chapter of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Conservative Parties and the Birth of Democracy Daniel Ziblatt, 2017-04-18 How do democracies form and what makes them die Daniel Ziblatt revisits this timely and classic question in a wide ranging historical narrative that traces the evolution of modern political democracy in Europe from its modest beginnings in 1830s Britain to Adolf Hitler s 1933 seizure of power in Weimar Germany Based on rich historical and quantitative evidence the book offers a major reinterpretation of European history and the question of how stable political democracy is achieved The barriers to inclusive political rule Ziblatt finds were not inevitably overcome by unstoppable tides of socioeconomic change a simple triumph of a growing middle class or even by working class collective action Instead political democracy s fate surprisingly hinged on how conservative political parties the

historical defenders of power wealth and privilege recast themselves and coped with the rise of their own radical right With striking modern parallels the book has vital implications for today s new and old democracies under siege **The Impact of the Economic Crisis on South European Democracies** Leonardo Morlino,Francesco Raniolo,2018-07-21 This book questions whether and to what extent a conjunctural phenomenon such as an economic crisis can bring about lasting political consequences It focuses on the parties and party systems of four South European countries Portugal Spain Italy and Greece between 2008 15 The authors also consider how elections protests and interests are affected by the crisis in these four democracies before assessing how to define the impact of the economic crisis on political participation and competition In this vein the book analyzes relevant aspects of party systems the notion of neo populism as a key to understanding new actors of South European policy and interest intermediation as a factor of weakness in managing the crisis Finally the authors summarize the empirical results emerging from the research the partial reshaping of cleavages as well as the relevance of the establishment vs anti establishment cleavage for the emergence and success of neo populist parties The book will be of use to students and scholars interested in South European politics comparative politics and democracies

Party Change in Southern Europe , European Party Politics in Times of Crisis Swen Hutter,Hanspeter Kriesi,2019-06-27 A study of party competition in Europe since 2008 aids understanding of the recent often dramatic changes taking place in European politics **Party System Closure** Fernando Casal Bértoa,Zsolt Enyedi,2021 This book maps trends in inter party relations in Europe from 1848 until 2019 It investigates how the length of democratic experience the institutionalization of individual parties the fragmentation of parliaments and the support for anti establishment parties shape the degree of institutionalisation of party systems *Welfare Democracies and Party Politics* Philip Manow,Bruno Palier,Hanna Schwander,2018 This volume provides an analytical framework that links welfare states to party systems combining recent contributions to the comparative political economy of the welfare state and insights from party and electoral politics It states three phenomena Politicians in Hard Times Xavier Collier,Leonardo Sánchez-Ferrer,2021-04-27 This book analyses the Spanish parliamentary elites in a comparative perspective within southern Europe What has been the impact of the Great Recession on the configuration of parliaments and the diversity of legislators Have new parties delivered better representation of citizens in terms of demographics gender age social class ideology or political attitudes and beliefs This original research is based on a 2018 survey on members of two national chambers and 17 regional parliaments Comparing these data with those of a simultaneous survey carried out on Spanish citizens and with data from previous research a decade ago the book examines the changes that have occurred in representation during the course of the Great Recession and provides evidence of the growing distance between citizens and parliamentary elites Additionally using data from the Comparative Candidates Survey the book compares the ideological congruence between citizens and their representatives in Spain Portugal Italy and Greece *Democratic Quality in Southern Europe* Tiago Fernandes,2024-05-15

Fueled by new data from the Varieties of Democracy project *Democratic Quality in Southern Europe* takes a close look at the democratic trajectories of France Greece Italy Portugal and Spain over the past fifty years Despite similar beginnings France Greece Italy Portugal and Spain have experienced significant variations in the way their democracies have evolved Covering ground from the protest movements of the late 60s and early 70s to the challenges that resulted from the financial crisis of the Great Recession editor Tiago Fernandes expertly draws together a collection of essays that look beyond the impact of socioeconomic development in these five countries exploring innovative and nuanced explanations for their diverging paths *Democratic Quality in Southern Europe* combines new data with classical methodologies to create fresh convincing hypotheses on the development quality and depth of democracy in this critical region Contributors Tiago Fernandes Rui Branco Jo o Cancela Edna Costa Pedro Diniz de Sousa Pedro T Magalh es Edalina Rodrigues Sanches Jos Santana Pereira Tiago Tib rcio Problems of Democratic Transition and Consolidation Juan J. Linz, Alfred Stepan, 1996-08-16 5 Actors and contexts *Democratic Transition and Consolidation in Southern Europe, Latin America and Southeast Asia* Diane Ethier, 1990-10-10 The breakdown of authoritarian regimes in Greece Spain and Portugal in the mid 70s was the beginning of a new cycle of democratization at the world scale The 1980s have seen the emergence of formal constitutional democracies in many countries especially in Latin America and Southeast Asia This book analyses in a comparative perspective the causes the modalities and the prospects of these political changes in three regions Southern Europe Latin America and Southeast Asia **Political Parties** Richard Gunther, José Ramón Montero, Juan Linz, 2002-03-07 This book with contributions from leading scholars in the field presents a critical overview of much of the recent literature on political parties It systematically assesses the capacity of existing concepts typologies and methodological approaches to deal with contemporary parties It critically analyses the decline of parties literature both from a conceptual perspective and with regard to antiparty attitudes among citizens on the basis of empirical analyses of survey data It systematically re examines the underpinnings of rational choice analyses of electoral competition as well as the misapplication of standard party models as the catch all party Several chapters reexamine existing models of parties and party typologies particularly with regard to the capacity of commonly used concepts to capture the wide variation among parties that exist in old and new democracies today and with regard to their ability to deal adequately with the new challenges that parties are facing in rapidly changing political social and technological environments In particular two detailed case studies demonstrate how party models are significant not only as frameworks for scholarly research but also insofar as they can affect party performance Other chapters also examine in detail how corruption and party patronage have contributed to party decline as well as the public attitudes towards parties in several countries In the aggregate the various contributions to this volume reject the notion that a decline of party has progressed to such an extent as to threaten the survival of parties as the crucial intermediary actors in modern democracies The contributing authors argue however that parties are facing a new set of sometimes demanding challenges Not only have

parties differed significantly in their ability to successfully meet these challenges but the core concepts typologies party models and methodological approaches that have guided research in this area over the past 40 years have met with only mixed success in adequately capturing these recent developments and serving as fruitful frameworks for analysis This book is intended to remedy some of these shortcomings

Party Politics in New Democracies Paul Webb, Stephen White, 2007-09-20 Comparative Politics is a series for students and teachers of political science that deals with contemporary government and politics The General Editors are Professor Alfio Mastropaolo University of Turin and Kenneth Newton University of Southampton and Wissenschaftszentrum Berlin The series is published in association with the European Consortium for Political Research The sister volume to Political Parties in Advanced Industrial Democracies this book offers a systematic and rigorous analysis of parties in some of the world's major new democracies Drawing on a wealth of expertise and data the book assesses the popular legitimacy organizational development and functional performance of political parties in Latin America and postcommunist Eastern Europe It demonstrates the generational differences between parties in the old and new democracies and reveals contrasts among the latter Parties are shown to be at their most feeble in those recently transitional democracies characterized by personalistic candidate centred forms of politics but in other new democracies especially those with parliamentary systems parties are more stable and institutionalized enabling them to facilitate a meaningful degree of popular choice and control Wherever party politics is weakly institutionalized political inequality tends to be greater commitment to pluralism less clientelism and corruption more pronounced and populist demagoguery a greater temptation Without party democracy's hold is more tenuous

Stabilising Fragile Democracies Paul Lewis, Geoffrey Pridham, 2002-11 The first book to provide a systematic comparison of the democratic transitions in both Eastern and Southern Europe covering Italy Spain Greece Portugal Hungary Romania Poland and Bulgaria

Party Change, Recent Democracies, and Portugal Marco Lisi, 2015-10-01 This study enriches and updates the theoretical debate on party change with detailed empirical research on Portuguese political parties By examining the evolution of political parties in this recent democracy this work raises new points about party transformations and provides insights relevant to all scholars of the political process

Parties Politics And Democracy In The New Southern Europe Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Parties Politics And Democracy In The New Southern Europe free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Parties Politics And Democracy In The New Southern Europe free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and

allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Parties Politics And Democracy In The New Southern Europe free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Parties Politics And Democracy In The New Southern Europe. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Parties Politics And Democracy In The New Southern Europe any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Parties Politics And Democracy In The New Southern Europe Books

1. Where can I buy Parties Politics And Democracy In The New Southern Europe books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
