“Parting Notes”

Link: <http://www.ppcn.net/Bulletins/Parting-Notes.pdf>

*“All will be made new,
...that which cannot be, will be made gone.”*

This is a compilation of final email correspondence and selected posts to the NES forum during January and February of 2015 and is now published to the PPCN website and SCRIBD.com. Important update: www.PPCN.net has been renewed through November 2017

“Endeavor to ascend into thyself, gathering in from the body all thy members which have been dispersed and scattered into multiplicity from that unity which once abounded in the greatness of its power. Bring together and unify the inherent ideas and try to articulate those that are confused and to draw into light those that are obscured.”

–Porphyry, circa 2nd century AD

Creator of All is calling in all of itself to complete its own greater purpose. In this manner, each molecule part finds “home”. It is the apocatastasis, the reconstruction of Creation to a corrected and more evolved state of being.

–Alex, circa 21st century AD

Apocalypse = revelation of true knowledge of spiritual gnosis.

As it may variously have “apocalypse” came to be associated with doom day, the end of the world, and catastrophic destruction. Revelation of true knowing is an irreparable disaster to all that which is based upon falsehood of the Dark side of a cosmic Error.

Apokatastasis = glorification of a subject to divine level

Apocatastasis = reconstruction of Creation to a corrected and more evolved state of being.

Parting Notes Introduction

In today's digital age, the availability of Parting Notes books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Parting Notes books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Parting Notes books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Parting Notes versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Parting Notes books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Parting Notes books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Parting Notes books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course

materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Parting Notes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Parting Notes books and manuals for download and embark on your journey of knowledge?
