

**Winter Forest**  
 This picture is my vision of the North: one of my favorite scenes. The forested forest, where  
 the snow and the mountains through the trees are all hallmarks of her work, and I tried to capture the  
 spirit of this image. I don't bother looking for any hidden clues in the snow though! That would be  
 the top row for me though.

### **Dark Butterfly King**

Can you think of anything more beautiful than a sky full of butterflies? This image was created in a  
 darker design for one of the companies that I work with, but I liked it so much that we actually got  
 printed it. One of my fans asked me why I painted butterflies as if they were posed in a band. Silly  
 person! They aren't posed down! They're just well mixed!
