Partisans 1st Edition:

Partisan Warfare Otto Heilbrunn, 2021-11-21 This book first published in 1962 was the first systematic study of partisan war investigating questions thrown up by the success of guerrillas in the Second World War where they were never decisively beaten by regular armies Drawing on lessons from Soviet Russia and China in particular areas with especially active and large partisan forces this book evolves a doctrine of guerrilla war in modern conditions with an analysis of partisans in post war Malaya Kenya Cyprus Vietnam Algeria Cuba and Laos *Partisans* David Laskin, 2001-04-10

Combining literary biography with astute reporting and moral insight David Laskin shows how sex politics and art affected relationships among the Partisan Review writers Mary McCarthy Edmund Wilson Philip Rahv Robert Lowell Jean Stafford Elizabeth Hardwick Hannah Arendt Allen Tate Caroline Gordon and Diana Trilling It is the women who steal the show with their their groundbreaking work their harrowing experiences of marriage abuse and betrayal their passion for writing and disdain for feminism their struggles and achievements **Partisans** Alistair MacLean, 2009-09-03 In wartime people are

either friends or enemies In wartime friends are friends and enemies die **Movers and Stayers** Irwin L. Morris, 2021-01-14 As migration alters the southern political landscape partisan battle lines will be drawn between the Democrat leaning areas of growth and the increasingly Republican areas of decline and stagnation The Democratic Party is gaining support in the South but the prevailing explanations of partisan shift fail to capture how and why this transformation has come about In *Movers and Stayers* Irwin Morris develops a new theory that explains the Democrats renewed influence in the region and empirically demonstrates the influence of population growth As Morris shows migratory patterns play a significant role in politics and urbanization is driving polarization in the South Those who move to cities the movers of Morris s framework do so for jobs and they tend to be progressive young well educated Democrats Their liberal views tend to be reinforced by the diversity of the communities in which they choose to live and their progressivism fosters similar values among long term residents At the same time stayers long term residents absorb the consequences or community threat of this large scale migration While white stayers tend to become more conservative the effects on voter behavior play out differently across racial lines Both movers and stayers are altering the southern political landscape and polarization nationwide Powerfully counterintuitive *Movers and Stayers* provides a game changing way of understanding one of the most confounding trends in American politics The Kapetanios Dominique Eudes, 1973 The complicated and dramatic course of

the Civil War in Greece had for lack of parties interested in reconstructing the truth of its events never been narrated prior to the appearance of this volume It closed a gap in the history of our times and did so with thoroughness and vivid journalistic immediacy In addition to the known sources and unpublished documents the author relied on testimony painstakingly collected from survivors of the tragedy who were scattered throughout the world It remains the authoritative account of the kapetanios the guerrilla chiefs who organized the partisans in the Greek mountains *Partisan Diary* Ada Gobetti, 2014

From the entry of the Germans into Turin on September 10 1943 to the liberation of the city on April 28 1945 Ada Gobetti translator educator and resistance activist recorded an almost daily account of her life in the resistance movement against the fascist government and the Nazis Part diary part memoir Gobetti's *Diario partigiano* Partisan diary provides a firsthand account of who the anti fascist partisans in the Piedmont region of Italy were and how they fought Partisan Wedding Renata Vigano,1999 World War II stories on Italian women in the Resistance as heroines and traitors and the way they exploited their femininity In *Red Flag* a woman hides guns by covering them with a soiled sanitary napkin **Destruction and Resistance** Chaim Lazar,Chaim Lazar Litai,1985 A history of the partisan movement in Vilna World War II Partisan Warfare in Italy Pier Paolo Battistelli,Piero Crociani,2015-08-18 When Italy surrendered in 1943 it sparked a diverse resistance movement of anti German anti fascist partisans who rose up against German occupation This book explores the tactics organizational structure and equipment of the brave Italian resistance fighters who knew exactly what was at stake when operating against their German occupiers Beginning with low level sabotage and assassinations the groups grew until spring 1944 when they numbered around 100 000 and as the Allies advanced to the Gothic line a remarkable unified partisan command structure was created The partisans began to work in close coordination with the Allies receiving British SOE and American OSS liaison teams as well as supplies of weapons The German response was eye watering in its ferocity and brutality as the SS and Italian RSI looked to eradicate the partisans once and for all when the Allied advance stalled in Autumn 1944 But when the Allies made their final breakthrough in the last weeks of the war the partisans rose in force to pile the pressure on the retreating Wehrmacht From an expert on Italian military history in World War II this work provides an exhaustively researched sumptuously illustrated guide to the men and women who fought a desperate struggle against occupation as well as the German and Italian fascist security forces unleashed against them *The Ambivalent Partisan* Howard G. Lavine,Christopher D. Johnston,Marco R. Steenbergen,2012-12-06 The authors of this book demonstrate that compared to other citizens ambivalent partisans perceive the political world accurately form their policy preferences in a principled manner and communicate those preferences by making issues an important component of their electoral decisions On Parliamentary War James Ian Wallner,2019-12-02 Dysfunction in the Senate is driven by the deteriorating relationship between the majority and minority parties Regular order is virtually nonexistent and unorthodox parliamentary procedures are frequently needed to pass important legislation Democrats and Republicans are fighting a parliamentary war in the Senate to steer the future of the country James Wallner presents a bargaining model of procedural change to explain the persistence of the filibuster in this polarized environment focusing on the dynamics responsible for contested procedural change Wallner's model explains why Senate majorities have historically tolerated the filibuster even when it has defeated their agendas despite having the power to eliminate it It also shows why the then Democratic majority deployed the nuclear option to eliminate the filibuster for an Obama judicial nominee in 2013 *On Parliamentary War's* game theory approach

unveils the relationship between partisan conflict and procedural change in the Senate **Tito's Partisans 1941-45** Velimir Vuksic, 2003-07-23 The civil war that raged in Yugoslavia following the German invasion in 1941 was brutal uncompromising and complex pitting royalists fascists communists ethnic groups and the Axis powers against one another in a shifting and bloody theatre of war The Partisan forces under the command of Josip Broz Tito were a constant thorn in the side of the Wehrmacht divisions in the Balkans prompting numerous anti partisan operations Using primary source material stunning contemporary images and personal accounts this book explores a well known but little published subject for the first time bringing to light the development training weaponry tactics and combat experiences of Tito s formidable guerrilla force and the events of this bloody theatre of World War II 1939 1945 **Pioneers and Partisans** Anika Walke, 2015 Pioneers and Partisans weaves together oral histories video testimonies and memoirs produced in the former Soviet Union to show how the first generation of Soviet Jews born after the foundation of the USSR experienced the Nazi genocide and how it is remembered after the dissolution of the USSR in 1991 **Partisans of Freedom** William O. Reichert, 1976 **A Voice from the Forest** Nahum Kohn, Howard Roiter, 1980 **Policy and Evidence in a Partisan Age** Paul Gary Wyckoff, 2009 With the warring between left and right Democrats and Republicans advocacy groups on one side and advocacy groups on the other it seems as if those who set our national agenda are those who shout the loudest But shouldn t scholarship count for more than preconceived notions Policy and Evidence in a Partisan Age debunks myths about economic and social policy while explaining the standards of evidence that should guide our legislation Author Paul Gary Wyckoff also recommends revisions to economics and law curricula so that the next generation of legislators will know how to craft evidence based policy derived from research rather than conventional wisdom and theory **Princes, Posts and Partisans** George Satterfield, 2003-08-01 This volume explores French partisan warfare in the Spanish Netherlands during the Dutch War 1672 78 It considers such practices as contributions fire raids and blockades before sieges The author relies extensively on archival sources and in many cases explores events that have been passed over by similar studies Louis XIV and his generals used partisan warfare to fit a strategy of exhaustion to ensure territorial conquest The French army s reliance on partisan warfare reveals the limitations of the war making potential of Louis XIV s state at the same time it leads to the emergence of a more modern practice of military operations to pursue theater strategic objectives *Political Spectacle and the Fate of American Schools* Mary Lee Smith, Linda Miller-Kahn, Walter Heinecke, Patricia F. Jarvis, 2004-02-02 The authors argue that the most influential and well known educational policy programs in the past 30 years are not based on democratic consensus but are instead formulated by the political community as symbolic efforts meant to generate personal partisan gain *The Partisan Leader* , 1856 *The Cruel Hunters* French L. MacLean, 1998 This is a brutal story but from the safety of fifty years distance in time it is an extremely compelling one It is also an enduring lesson that a military unit formed under an evil ideology led by a social outcast and composed of vicious criminals will sink to its lowest common denominator hate The

Dirlewanger Battalion also known as Sonderkommando special commando Dirlewanger was perhaps the least understood but at the same time the most notorious German SS anti partisan unit in World War II German propaganda correspondents and wartime photographers did not follow them in action And for good reason Wherever the Dirlewanger unit named for and led by Oskar Dirlewanger operated corruption and rape formed an every day part of life and indiscriminate slaughter beatings and looting were rife Formed as a battalion of convicted poachers in 1940 the unit operated in Poland until 1942 guarding Jews in forced labor camps and making life miserable for Poles in Lublin and Cracow From there Dirlewanger spent two years combating partisans in central Russia giving no quarter and expecting none in return during vicious fighting against an elusive foe in the midst of inhospitable swamps and dismal forests In 1944 Dirlewanger savaged Warsaw during the Polish Uprising before moving to Slovakia to crush another rebellion there The end of the war saw the unit which was now a division in size fighting for its life south of Berlin against the Soviet Army Medieval in their outlook on war and certainly not indicative of many German military formations this unit none the less remains a reflection of a segment of mankind gone mad in the inferno of World War II on the eastern front Size 6 x 9 over 50 b w photographs maps fully annotated
