No More Mr Nice Guy Robert Glover,2025-02-04 One of the best books I ve ever read on men s emotional health and development Mark Manson author of The Subtle Art of Not Giving a F ck and Models I have read every self help book out there but this was the first that put everything together in a way that made perfect sense to me Every page of my copy of No More Mr Nice Guy is highlighted in yellow How did you know me so well A Nice Guy according to Dr Robert Glover a pioneering expert on the Nice Guy Syndrome is a man who believes he is not okay just as he is He is convinced that he must become what he thinks others want him to be liked loved and get his needs met He also believes that he must hide anything about himself that might trigger a negative response in others The Nice Guy Syndrome typically begins in infancy and childhood when a young boy inaccurately internalizes emotional messages about himself and the world It is fueled by toxic shame and anxiety Rapid social change in the late 20th century and early 21st century has contributed to a worldwide explosion of men struggling to find happiness love and purpose The paradigm of the Nice Guy Syndrome is driven by three faulty covert contracts Nice Guys believe If I am good then I will be liked and loved If I meet other people s needs without them having to ask then they will meet my needs without me having to ask If I do everything right then I will have a smooth problem free life The inauthentic and chameleon like approach to life causes Nice Guys to often feel frustrated confused and

resentful Subsequently these men are often anything but nice Common Nice Guy patterns include giving to get difficulty setting boundaries dishonesty caretaking fixing codependency people pleasing conflict avoidance passive aggressiveness unsatisfying relationships issues with sexuality and compulsive masturbation and pornography use Since the publication of No More Mr Nice Guy in 2003 hundreds of thousands of men worldwide have learned how to release toxic shame soothe their anxiety face their fears connect with men embrace their passion and purpose and experience success in work and career These men have also learned to set boundaries handle conflict make their needs a priority develop satisfying relationships and experience great sex This process of recovery from the Nice Guy Syndrome allows men to move through Depression Social anxiety and shyness Codependency Low self esteem Loneliness and hopelessness Feelings of failure Lack of confidence and purpose Compulsive behaviors and addictions Feeling stuck in life Contrary to what the title might seem to imply No More Mr Nice Guy does not teach men how to be not nice Dr Glover shows men how to become what he calls Integrated Males Becoming integrated does not mean becoming different or better It means being able to accept all aspects of oneself An integrated male can embrace everything that makes him unique his power his assertiveness his humor his courage and his mission as well as his fears his imperfections his mistakes his rough edges and his dark side If you are ready to get what you want in love sex and life No More Mr Nice Guy will show you how *How to Fall in Love with Anyone* Mandy Len Catron, 2017-06-27 A beautifully written and well researched cultural criticism as well as an honest memoir Los Angeles Review of Books from the author of the popular New York Times essay To Fall in Love with Anyone Do This explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy What really makes love last Does love ever work the way we say it does in movies and books and Facebook posts Or does obsessing over those love stories hurt our real life relationships When her parents divorced after a twenty eight year marriage and her own ten year relationship ended those were the questions that Mandy Len Catron wanted to answer In a series of candid vulnerable and wise essays that takes a closer look at what it means to love someone be loved and how we present our love to the world Catron melds science and emotion beautifully into a thoughtful and thought provoking meditation Bookpage She delves back to 1944 when her grandparents met in a coal mining town in Appalachia to her own dating life as a professor in Vancouver She uses biologists research into dopamine triggers to ask whether the need to love is an innate human drive She uses literary theory to show why we prefer certain kinds of love stories She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from And she tells the story of how she decided to test an experiment that she'd read about where the goal was to create intimacy between strangers using a list of thirty six questions and ended up in the surreal situation of having millions of people following her brand new relationship Perfect fodder for the romantic and the cynic in all of us Booklist How to Fall in Love with Anyone flips the script on love Clear eyed and full of heart it is mandatory reading for anyone coping with or curious about the challenges of contemporary courtship The Toronto Star
