The Church During the Search Jason Lowe, 2021-01-01 This book is a unique resource that speaks to the average person in the pew rather than to the Pastor Search Committee What a needed resource Having observed Lowe in his varied ministry roles for several years now I can assure you that he writes as one who is investing his life in seeing the church healthy and flourishing This resource is an invaluable and lasting contribution to that end Paul Chitwood President International Mission Board Occasionally a resource comes about that has the ability to help our churches in a transformational way Usually these resources break ground in areas that have not been considered before This is one of those resources Structuring a book about the Pastor Search Process from the perspective and concerns of the congregant is genius Rick Curtis Convention and Associational Relations North American Mission Board This book and study by Jason Lowe will be a consolation and source of encouragement to many churches I believe God will use it to bring churches comfort hope and continuity of ministry during the difficult time of being without a pastor I highly recommend it Ray Gentry President and CEO Southern Baptist Conference of Associational Leaders In this work Jason Lowe helps church members consider their own role in the search process and he challenges them to continue being the church in the interim period The Bible is his guide and healthy church transitions are his goal You will find this work helpful encouraging and relevant Chuck Lawless Dean of Doctoral Studies and Vice President of Spiritual Formation and Ministry Southeastern Baptist Theological Seminary About the Book Church members are often left largely in the dark while the Pastor Search Committee goes about their task Far too often this leads to unnecessary frustration suspicion and conflict The Church During the Search sheds light on the Pastor Search Process for the people in the pews so they can pursue Christ honoring attitudes and behaviors throughout the search process

Trueblood,Jackie B. Trueblood,1999 Roy and Jackie Trueblood have written this book to offer solutions to this problem Drawing on their extensive experience leading the Partners in Ministry program they provide direct practical guidance on how the ministry of laity and clergy can complement and strengthen each other The basic building block in their approach is the ministry team in which one's status as clergy or laity does not matter but rather one's sense of God's call and gifts for ministry BOOK JACKET *Partners in Ministry* will be an invaluable tool for the leaders of congregations seeking to enhance the ministry effectiveness of their church BOOK JACKET Governance and Ministry Dan Hotchkiss,2009-04-15 In *Governance and Ministry* Dan Hotchkiss offers congregational leaders a roadmap and tools for changing the way boards and clergy work together to lead congregations Hotchkiss demonstrates that the right governance model is the one that best enables a congregation to fulfill its mission to achieve both the outward results and the inward quality of life to which it is called Resources on governance for the nonprofit sector have burgeoned over the past decade and this book translates some of what is most helpful from that world for clergy and lay leaders it also recognizes that in some ways congregations are unique and need governance structures and processes different from those that work in other organizations Leaders must continually balance the conserving function of an institution with the expectation of disruptive change inducting creativity that comes when individuals peek past the temple veil and catch fresh visions of the Holy Governance in congregations is not the science of achieving optimal results through organizational re engineering Governance is an expressive art like preaching

The forms of our congregations must reflect the values and perceptions of the sacred at their heart. Congregations need skills and methods for negotiating our way of governance and for passing the torch effectively to new leaders. **Better Together** Jim Tomberlin, Warren Bird, 2012-04-24. Thousands of Protestant churches are perplexed by plateaued or declining attendance while other congregations nearby thrive. Is there a way for them to combine forces drawing on both their strengths in ways that also increase their missional impact? Church merger consultant Jim Tomberlin with co-writer Warren Bird makes the case that mergers today work best not with two struggling churches but with a vital momentum-filled lead church partnering with a joining church. In this new book they provide a complete practical hands-on guide for church leaders of both struggling and vibrant churches so that they can understand the issues, develop strategies, and execute a variety of forms of merger for church expansion and renewal to reinvigorate declining churches and give them a second life. **Standing Strong** Alli Worthington, 2020-09-29.
