

"BEHIND THE DOOR" and "BELOW THE SURFACE" Far Surpassed.
 "PARTNERS OF THE TIDE" Is a Classic of the Sea.

"BEHIND THE DOOR" has your patrons—and it has them *here*—for it was a marvel of dramatic construction.

"BELOW THE SURFACE" gripped them with its stark realism and its vivid tragedy for it was fearful and true.

"DOWN HOME" pulsated with interest and raged at their very heart-strings with its sweet human appeal.

And now in **"PARTNERS OF THE TIDE,"** Irvin V. Willat has created a picture in which he combines every quality that made his past productions colossal successes.

The Turn of the Tide Rosanne Parry,2016-01-12 From acclaimed author of A Wolf Called Wander Rosanne Parry comes an exciting and tender friendship story about two cousins looking for their destiny On a beautiful day in June the ground broke open In Japan you re always prepared for an earthquake That s why Kai knows just what to do when the first rumbles shake the earth But he does the exact opposite of what you re supposed to do He runs And then the tsunami hits Meanwhile on the other side of the Pacific Kai s cousin Jet sets sail off the coast of Astoria Oregon She knows she should have checked the tide she always checks the tide Except this time she didn t When the biggest mistakes of their lives bring them together Jet and Kai spend the summer regretting that one moment when they made the wrong decision But there s something about friendship that heals all wounds and together Jet and Kai find the one thing they never thought they d have again hope

Running Against the Tide Captain Lee,2018-09-18 From the star of Bravo s hit reality show Below Deck comes Running Against the Tide the Stud of the Sea s first ever memoir recounting his journey from landlocked Saginaw Michigan

to the high seas where he has spent more than twenty five years as a superyacht captain The cast members of Below Deck are known for their catfights scheming personal attacks and long held grudges but what keeps viewers coming back week after week is resident hero Captain Lee the only cast member to appear in all five seasons But you don t have to be one of Below Deck s 1.5 million weekly viewers to appreciate Captain Lee s story which offers a glimpse behind the scenes at the luxury yachting industry and one of Bravo s biggest franchises From having to reclaim his drunk captain s lost papers in the Dominican Republic to unwittingly crewing a drug boat out of Turks and Caicos to navigating the outrageous demands of the super rich in New York City Captain Lee s tales from the high seas run the gamut proving time and time again why he s a fan favorite he s occasionally profane he s often surprising but he s never dull and for the first time he s here to tell all

The Emerald Tide Davis Bunn,2022-04-26 A breathtaking new novel about letting go taking chances and embracing the healing power of love from the international bestselling author of Tranquility Falls Just when he thought he d buried his past and was moving on Four years after his wife s death art history teacher Derek Gaines has finally made a kind of peace with himself He tries his best to stave off memories His days are ones of familiar routine Guarded against further pain he keeps relationships at a safe distance It s all part of his necessary transition to surviving alone If anything is truly responsible for Derek making it back from the brink it s his edifying work as a consultant for auction houses and indulging a consuming sideline job tracking stolen art But Derek s latest hunt will lead him toward challenges both professional and personal that he s not prepared to face He discovered the art of falling in love again Joining Derek on his quest is Kelly Reid the new junior vice president of gallery operations at Christies Los Angeles She is driven ambitious fiercely passionate about her work and a fellow wounded kindred spirit Bitterly immune to men s promises she s never letting herself be vulnerable again Yet even as trust and affection remain frightening territory a tenuous start to her partnership with Derek slowly builds toward something more And soon both will be tested beyond anything they could have imagined in the deepening mystery of a lost painting and in matters of the heart which can be the greatest mystery of all With love comes risk in *The Emerald Tide* a powerful and emotional novel about daring to take a second chance

Against Wind and Tide Ousmane K. Power-Greene,2014-09-05 *Against Wind and Tide* tells the story of African American s battle against the American Colonization Society ACS founded in 1816 with the intention to return free blacks to its colony Liberia Although ACS members considered free black colonization in Africa a benevolent enterprise most black leaders rejected the ACS fearing that the organization sought forced removal As Ousmane K Power Greene s story shows these African American anticolonizationists did not believe Liberia would ever be a true black American homeland In this study of anticolonization agitation Power Greene draws on newspapers meeting minutes and letters to explore the concerted effort on the part of nineteenth century black activists community leaders and spokespersons to challenge the American Colonization Society s attempt to make colonization of free blacks federal policy The ACS insisted the plan embodied empowerment The United States they argued would never accept free blacks as citizens

and the only solution to the status of free blacks was to create an autonomous nation that would fundamentally reject racism at its core But the activists and reformers on the opposite side believed that the colonization movement was itself deeply racist and in fact one of the greatest obstacles for African Americans to gain citizenship in the United States Power Greene synthesizes debates about colonization and emigration situating this complex and enduring issue into an ever broader conversation about nation building and identity formation in the Atlantic world Stations of the Tide Michael Swanwick, 2024-01-23 Tor Essentials presents new editions of science fiction and fantasy titles of proven merit and lasting value each volume introduced by an appropriate literary figure From author Michael Swanwick one of the most brilliantly assured and darkly inventive writers of contemporary fiction comes the Nebula award winning masterwork of radically altered realities and world shattering seductions The Jubilee Tides will drown the continents of the planet Miranda beneath the weight of her own oceans But as the once in two centuries cataclysm approaches an even greater catastrophe threatens this dark and dangerous planet of tale spinners conjurers and shapechangers A man from the Bureau of Proscribed Technologies has been sent to investigate For Gregorian has come a genius renegade scientist and charismatic bush wizard With magic and forbidden technology he plans to remake the rotting dying world in his own evil image and to force whom or whatever remains on its diminishing surface toward a terrifying astonishing confrontation with death and transcendence This novel of surreal hard SF was widely compared to the fiction of Gene Wolfe when it was first published and Swanwick has gone on in the two decades since its first publication to become recognized as one of the finest living SF and fantasy writers With a new introduction by John Clute author of The Encyclopedia of Science Fiction and Fantasy Partner of the Tide Joseph Crosby Lincoln, 2015-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Rising Tide John M. Barry, 2007-09-17 A New York Times Notable Book of the Year winner of the Southern Book Critics Circle Award and the Lillian Smith Award An American epic of science politics race honor high society and the Mississippi River Rising Tide tells the riveting and nearly forgotten story of the Great Mississippi Flood of 1927 The river inundated the homes of almost one million people helped elect Huey Long governor and made Herbert Hoover

president drove hundreds of thousands of African Americans north and transformed American society and politics forever The flood brought with it a human storm white and black collided honor and money collided regional and national powers collided New Orleans s elite used their power to divert the flood to those without political connections power or wealth while causing Black sharecroppers to abandon their land to flee up north The states were unprepared for this disaster and failed to support the Black community The racial divides only widened when a white officer killed a Black man for refusing to return to work on levee repairs after a sleepless night of work In the powerful prose of *Rising Tide* John M Barry removes any remaining veil that there had been equality in the South This flood not only left millions of people ruined but further emphasized the racial inequality that have continued even to this day **Tides** Jonathan White,2017-01-16 In *Tides* The Science and Spirit of the Ocean writer sailor and surfer Jonathan White takes readers across the globe to discover the science and spirit of ocean tides In the Arctic White shimmies under the ice with an Inuit elder to hunt for mussels in the dark cavities left behind at low tide in China he races the Silver Dragon a twenty five foot tidal bore that crashes eighty miles up the Qiantang River in France he interviews the monks that live in the tide wrapped monastery of Mont Saint Michel in Chile and Scotland he investigates the growth of tidal power generation and in Panama and Venice he delves into how the threat of sea level rise is changing human culture the very old and very new *Tides* combines lyrical prose colorful adventure travel and provocative scientific inquiry into the elemental mysterious paradox that keeps our planet s waters in constant motion Photographs scientific figures line drawings and sixteen color photos dramatically illustrate this engaging expert tour of the tides Life John Ames Mitchell,1905 *Ride the Tide* Julie Ann Walker,2020-11-24 Once a fighter always a fighter Former Navy SEAL Mason McCarthy is done being a fighting man Now he and the Deep Six Salvage crew are working feverishly to find the wreck of the Santa Cristina and its legendary sunken treasure Unfortunately for Mason s peace of mind chatty brilliant historian Alexandra Merriweather has joined the hunt and there s no avoiding her Alex is exactly the kind of distraction Mason can t afford right now or maybe ever When a murderous enemy from Mason s past threatens the Deep Six he must rely on old instincts and the skills he honed from years of running black ops to make sure nothing touches Alexandra But with their lives on the line and the adrenaline running high it s inevitable that sparks will fly Mouthwatering characters the romance simmers a page turning adventure Night Owl Reviews Top Pick for Hell or High Water Julie Ann Walker and her SEALs serve up spicy fare an exciting spellbinding story Long and Short Reviews for Devil and the Deep Hot men hot action and hot temperatures make for one hot romance BookPage for Hell or High Water **Everybody's Magazine** ,1905

Hold Back the Tide Melinda Salisbury, 2021-01-05 From internationally bestselling acclaimed author Melinda Salisbury comes a darkly seductive story of murder betrayal love and monsters in a small town in the Scottish Highlands Here are the rules of living with a murderer One Do not draw attention to yourself It's pretty self explanatory if they don't notice you they won't get any ideas about killing you Be a ghost in your own home if that's what it takes After all you can't kill a ghost Of course when you live with a murderer sit opposite them for every meal share a washroom and a kitchen sleep a mere twelve feet and two flimsy walls away from them this is impossible Even the subtlest of spectres is bound to be noticed Which leads to the next rule Two If you can't be invisible be useful Everyone in this quiet lakeside community knows that Alva's father killed her mother all those years ago There wasn't enough proof to arrest him though and with no other family Alva's been forced to live with her mother's murderer doing her best to survive until she can earn enough money to run away One of her chores is to monitor water levels in the loch a task her father takes very seriously His family has been the guardian of the loch for generations It's a cold lonely task and a few times Alva can swear she feels someone watching her The more Alva investigates the more she realizes that the truth can be more monstrous than lies And while you might be able to outrun anything that emerges from the dark water you can never escape your past
