Foster, 1991 A spiritual guide for those who intend to survive lead others in the new age THE DIVINE PARTNERSHIP concludes a six book assignment by Jean K Foster that began with The God Mind Connection The Truth That Goes Unclaimed Eternal Gold It is a guide to using the creative potential that exists within the partnership of the individual the Holy Spirit Brotherhood of God the totality of the God of the Universe *The Holy Spirit Before Christianity* John R. Levison, 2019 With his latest book The Holy Spirit before Christianity John R Levison again changes the face and foundation of Christian belief in the Holy Spirit The categories Christians have used the boundaries they have created the proprietary claims they have made all of these evaporate now that Levison has looked afresh at Scripture In a study that is both poignant and provocative Levison takes readers back five hundred years before Jesus where he discovers history s first grasp of the Holy Spirit as a personal agent The prophet Haggai and the author of Isaiah 56 66 in their search for ways to grapple with the tragic events of exile and to articulate hope for the future took up old exodus traditions of divine agents pillars of fire an angel God s own presence and fused them with belief in God s Spirit Since it was the Spirit of God who led Israel up from Egypt and formed them into a holy nation now the prophets assured their hearers the Spirit of God would lead and renew those returning from exile Taking this point of origin as our guide Christian pneumatology belief in the Holy Spirit is less about an exclusively Christian experience or doctrine and more about the presence of God in the grand scheme of Israel s history in which Christianity is ancient Israel s heir This explosive observation traces the essence of Christian pneumatology deep into the heart of the Hebrew Scriptures The implications are fierce the priority of Israelite tradition at the headwaters of pneumatology means that Christians can no longer hold stubbornly to the Holy Spirit as an exclusively Christian belief But the implications are hopeful as well offering Christians a richer history a renewed vocabulary a shared path with Judaism and the promise of a more expansive and authentic experience of the Holy Spirit
