## **Parallel Politics Economic Policymaking In Japan And The United States:**

Parallel Politics Samuel Kernell, 2010-12-01 While much has been written about economic competition between the United States and Japan it is easy to lose sight of the fact that their relationship is founded essentially on each sides domestic political concerns Many critics have concluded that to gain a new equilibrium in relations the two countries must develop a sophisticated appreciation of each other s political dynamics Because budgets taxes and macroeconomic policy are so central to activities of both governments this book by Japanese and American experts focuses on the role of political institutions in formulating economic policy Despite the differences in the two countries political systems one party parliamentary versus two party presidential there are striking similarities in the way politics is transacted in Japan and the United States In particular politicians in both countries are motivated primarily by the desire to serve local constituencies which leads to overly parochial public policies Combining case studies and discussions the contributors provide an overview of the Japanese and American political systems particularly those aspects that are most relevant to economic policymaking In addition they offer a comparative analysis of the politics of budgeting tax reform and structural policies

**Structure and Policy in Japan and the United States** Peter F. Cowhey, Mathew McCubbins, 1995-09-29 This volume compares the strengths and weaknesses of governments in Japan and in the US

*Politics and Economics of Japan* W. D. Alemu, 1992 *International Labour Migration* D. Bartram, 2005-05-11 Studies of international labour migration typically assume that foreign labour is a universal feature of wealthy economies Exploitation of foreign workers can contribute significantly to employers profits However some wealthy societies do not import workers on a large scale despite employers pressures Using Israel and Japan as empirical cases this comparative historical work investigates why some governments allow employers relatively free access to foreign labour while others require alternative responses to labour shortages A focus on variation leads to an innovative and insightful argument to explain international labour migration

*Introduction to Japanese Politics* Louis D. Hayes, 2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country s political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan s geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country s distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China s expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics

**Globalizing America** Thomas L. Brewer, Gavin Boyd, 2000-01-01 An argument that globalization is an ungoverned integration process in which US firms are agents of structural change It describes the benefits and costs for example

generating pressure for protection of US home markets and reviews the expansion of interdependencies between the US and others

**Great Power Strategies - The United States, China and Japan** Quansheng Zhao, 2022-09-05 This book provides a comparative study of the strategies of great powers in the Asia Pacific namely the United States China and Japan known as the Pacific Three It examines the evolution of each power s strategic thinking and analyzes the three powers respective foreign policies and internal debates in the policymaking process It analyzes the three countries conflict and cooperation from past to the present It stresses the importance of the interactions between internal and external factors in the policymaking process and emphasizes the great significance of these interactions for international relations theory For example it highlights the role of strategic advisers in think tanks and government agencies in the United States Japan s informal and balanced policymaking process and the impact of traditional culture in China especially Confucianism and the part played by Chinese think tanks

**The U.S., Japan, and Asia** Frances Scott, 1993

**Koizumi Diplomacy** Tomohito Shinoda, 2011-12-01 Japan s policymaking strategy in foreign and defense affairs changed dramatically in 2001 after Prime Minister Junichiro Koizumi took the helm of the long ruling Liberal Democratic Party Following a series of bland and short lived prime ministers Koizumi s infusion of fresh energy into a tired and opaque party has been compared with Tony Blair s successful revamping of New Labour in the U K Koizumi however had a weak power base in the party and limited diplomatic experience How then was he able to exercise leadership Tomohito Shinoda analyzes the prime minister s role in policymaking focusing on the assistance he receives from the Kantei or Cabinet Secretariat the Japanese equivalent of the American president s White House cabinet Since 2001 the Japanese government s center of gravity for foreign policy has shifted from the traditionally dominant Ministry of Foreign Affairs to the Kantei which allowed Koizumi to exercise a top down style of decision making Through case studies and personal interviews with former prime ministers and cabinet secretaries Shinoda looks at how Koizumi s new system operates on a practical level how for example major post 2001 anti terrorism legislation has been initiated and prepared by the Kantei and compares its successes and failures with those of the U S system With frank and engaging commentary by former officials this book makes a unique contribution to the understanding of contemporary Japanese political affairs

**Do Institutions Matter?** R. Kent Weaver, Bert A. Rockman, 2010-12-01 As a stunning tide of democratization sweeps across much of the world countries must cope with increasing problems of economic development political and social integration and greater public demand of scarce resources That ability to respond effectively to these issues depends largely on the institutional choices of each of these newly democratizing countries With critics of national political institutions in the United States arguing that the American separation of powers system promotes ineffectiveness and policy deadlock many question whether these countries should emulate American institutions or choose parliamentary institutions instead The essays in this book fully examine whether parliamentary government is superior to the separation of powers system through a direct comparison of the two In addressing specific policy areas such as innovation

and implementation of energy policies after the oil shocks of 1970 management of societal cleavages setting of government priorities in budgeting representation of diffuse interest in environmental policy and management of defense forces the authors define capabilities that allow governments to respond to policy problems Do Institutions Matter includes case studies that bear important evidence on when and how institutions influence government effectiveness The authors discover a widespread variation among parliamentary systems both in institutional arrangements and in governmental capabilities and find that many of the failings of policy performance commonly attributed to American political institutions are in fact widely shared among western industrial countries Moreover they show how American political institutions inhibit some government capabilities while enhancing others Changing American institutions to improve some aspects of governmental performance could hurt other widely valued capabilities The authors draw important guidelines for institutional reformers wh *Designs for Democratic Stability* Abdo I. Baaklini, Helen Desfosses, 2016-06-16 Since the 1980s and the collapse of communist military and race based regimes across the world the euphoria has given way to the question of how to enhance the viability of democratic constitutional government This text covers this issue **Japan, who Governs?** Chalmers Johnson, 1995 The godfather of Japanese revisionism author of MITI and the Japanese Miracle and president of the Japan Policy Research Institute explains how and why Japan has become a world power in the past 25 years Johnson lucidly explains here how the Japanese economy will thrive as it moves from a producer dominated economy to a consumer oriented headquarters for all of East Asia *Japan's Interventionist State* Aurelia George-Mulgan, 2004-08-02 Japan s Interventionist State gives a detailed examination of Japan s Ministry of Agriculture Forestry and Fisheries and its role in promoting protecting and preserving the regime of agricultural support and protection This account is integral to the author s extended and multidimensional explanation for why Japan continues to provide high levels of assistance to its farmers and why it continues to block market access concessions in the WTO and other agricultural trade talks **Unmaking the Japanese Miracle** William M. Grimes, 2018-08-06 In the last fifteen years Japan s economy has gone from model of success to object lesson in failure William W Grimes offers a richly detailed insider s view of the key macroeconomic policies and events in contemporary Japan as well as a close examination of the causes and effects of these upheavals It is difficult to believe that the Bubble Economy of the late 1980s and the failed attempts at economic stimulation in the following decade both arose from the same policies In *Unmaking the Japanese Miracle* Grimes shows that this is precisely what happened Focusing less on what went wrong than on why it went wrong Grimes finds that mistaken macroeconomic policies loose money in the late 1980s excessively tight money until 1992 and only grudging use of expansionary fiscal policy until 1998 largely caused Japan s economic problems Based on scores of interviews with Japanese policymakers his is the first political explanation of why these catastrophic policies were carried out by the Ministry of Finance the Bank of Japan and the Diet Various economic shocks were met Grimes says with a consistent and often inappropriate pattern of responses This pattern has fundamentally altered

because of changes within the three policymaking institutions since 1998      **Japan's Political Marketplace** J. Mark Ramseyer, Frances McCall Rosenbluth, 2009-06-01 Mark Ramseyer and Frances McCall Rosenbluth show how rational choice theory can be applied to Japanese politics Using the concept of principal and agent Ramseyer      **Cultural Norms and National Security** Peter J. Katzenstein, 2018-09-05 Nonviolent state behavior in Japan this book argues results from the distinctive breadth with which the Japanese define security policy making it inseparable from the quest for social stability through economic growth While much of the literature on contemporary Japan has resisted emphasis on cultural uniqueness Peter J Katzenstein seeks to explain particular aspects of Japan s security policy in terms of legal and social norms that are collective institutionalized and sometimes the source of intense political conflict and change Culture thus specified is amenable to empirical analysis suggesting comparisons across policy domains and with other countries Katzenstein focuses on the traditional core agencies of law enforcement and national defense The police and the military in postwar Japan are he finds reluctant to deploy physical violence to enforce state security Police agents rarely use repression against domestic opponents of the state and the Japanese public continues to support by large majorities constitutional limits on overseas deployment of the military Katzenstein traces the relationship between the United States and Japan since 1945 and then compares Japan with postwar Germany He concludes by suggesting that while we may think of Japan s security policy as highly unusual it is the definition of security used in the United States that is in international terms exceptional

**Globalization and Decentralization** Jong S. Jun, Deil S. Wright, 1996 The twenty contributors and the editors provide new insights into the domestic consequences of global interdependence by examining emerging strategies for dealing with environmental concerns urban problems infrastructure investments financial policies and human services issues

*Industrial Policies In The Pacific* Gunnar K. Sletmo, 2019-04-01 In GATT negotiations over the past several years the United States a founding member of the Asia Pacific Economic Cooperation Forum has been pushing hard for a global liberalization of trade in services This development would have special significance for the Pacific because of the intensifying competition between the United States and Japan for market shares A comprehensive analysis of the service sector s role in that dynamic region is offered in this timely volume Leading experts explore how service enterprises have affected trade in goods and transnational manufacturing forming a regional pattern of interdependence The authors assess each service sector from a regional perspective and offer detailed individual country studies as well The concluding chapters provide a broad overview of corporate strategies discuss questions of regional cooperation and identify opportunities for new regional service enterprises      **Principles and Practice of American Politics** Samuel Kernell, Steven S. Smith, 2018-04-03 Principles and Practice of American Politics is a well balanced reader covering all the major topics of an American Government course Blake Jones Ohio Valley University Combining timeless readings with cutting edge articles and essays Principles and Practice of American Politics Seventh Edition enriches students understanding of the American political system by examining the

strategic behavior of key players in U S politics This collection of classic and contemporary readings brings concepts to life by providing students with real examples of how political actors are influenced by the strategies of others and are governed by the Constitution the law and institutional rules Carefully edited by award winning authors Samuel Kernell and Steven S Smith each reading is put into context to help students understand how political actions fall within a major national political forum New to the Seventh Edition Nine new and updated essays encourage students to reflect on the continuing debates over the polarization of the American electorate and Congress the role of social media and fake news in influencing public views of politicians and issues the fragile Trump coalition the efficacy of polling in tracking public opinion and other issues more relevant than ever in the wake of the 2016 elections Additional essays challenge students to think more carefully about alternative institutions and political arrangements The new essays present institutions of majority rule the nature of racial discrimination and the proper role of the court as less settled issues that provide students an opportunity to think through and discuss their views on the future direction of American civic life Each selection is artfully framed by Kernell and Smith s contextual headnotes to make them appropriate for classroom use Original readings written specifically for the volume give the book a coherent treatment of the performance of U S political institutions

Internationalisation, Corporate Preferences and Commercial Policy in Japan H. Yoshimatsu, 2000-03-15 This book examines how the internationalization of corporate activities has affected the commercial policy preferences of Japanese corporations Using case studies of three industrial sectors and of Keidanren Japan s most influential business federation the author argues that growth of international operations is one of the major reasons why internationally oriented firms and their main business federation have committed themselves to promoting the opening of keiretsu groups and to promoting market access for foreign firms and products The book includes much new and valuable information about business government relations political conflict and policy making and implementation processes in Japan

### **Parallel Politics Economic Policymaking In Japan And The United States Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Parallel Politics Economic Policymaking In Japan And The United States has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Parallel Politics Economic Policymaking In Japan And The United States has opened up a world of possibilities. Downloading Parallel Politics Economic Policymaking In Japan And The United States provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Parallel Politics Economic Policymaking In Japan And The United States has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Parallel Politics Economic Policymaking In Japan And The United States. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Parallel Politics Economic Policymaking In Japan And The United States. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Parallel Politics Economic Policymaking In Japan And The United States, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Parallel Politics Economic Policymaking In Japan And The United States has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Parallel Politics Economic Policymaking In Japan And The United States Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Parallel Politics Economic Policymaking In Japan And The United States is one of the best book in our library for free trial. We provide copy of Parallel Politics Economic Policymaking In Japan And The United States in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Parallel Politics Economic Policymaking In Japan And The United States. Where to download Parallel Politics Economic Policymaking In Japan And The United States online for free? Are you looking for Parallel Politics Economic Policymaking In Japan And The United States PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Parallel Politics Economic Policymaking In Japan And The United States. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly

help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Parallel Politics Economic Policymaking In Japan And The United States are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Parallel Politics Economic Policymaking In Japan And The United States. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Parallel Politics Economic Policymaking In Japan And The United States To get started finding Parallel Politics Economic Policymaking In Japan And The United States, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Parallel Politics Economic Policymaking In Japan And The United States So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Parallel Politics Economic Policymaking In Japan And The United States. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Parallel Politics Economic Policymaking In Japan And The United States, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
