Parenting by The Book John Rosemond, John K. Rosemond, 2013-10-15 Parenting book based on biblical principles with concrete suggestions on how to better raise children developing self respect rather than self esteem Provided by publisher

Love-Centered Parenting Crystal Paine, 2021-03-16 Do you worry that you're messing up your kids? Do you get stressed when you think about their futures? New York Times bestselling author Crystal Paine knows how you feel. A mom of four, Crystal has struggled with anxiety over parenting. She wanted to parent with grace instead of a system of rules where kids are expected to do all the right things. She wanted to be a safe place for her children and she definitely didn't want to be remembered as the sort of mom who yelled, wounded her kids with words, or worse, cared more about her reputation than her kids' hearts. In this book, Crystal shares the life-changing lessons that God has been teaching her about raising kids with love and grace. In *Love-Centered Parenting*, Crystal will reveal the no-fail secret to launching your kids, uncover the root of why we often feel so frustrated and irritated with our kids, share the four most important choices we can make as parents, give you the tools to keep going when you want to give up, help you get your kids to talk to you. It is possible to parent from a place of freedom and rest, giving your kids what they truly need to thrive in this world. Pardon My French Rachael Mogan

McIntosh, 2023-02-28 Uproarious and deliciously wise. A pure delight. Tori Haschka. *A Recipe for Family*. At the school gate when she accidentally kissed one new friend on the nose and called another a beautiful man horse, Rachael realised that small town France could hardly be more different to beach side Australia. The smell of cigarettes replaced the tang of bone broth and sprouted sourdough, the neighbours sometimes came to blows and under no circumstances would anyone wear activewear in public. Ever muddling through every interaction in terrible French pushed Rachael's family to their limits. Some days everybody cried and ate their feelings with almond croissants. But the town of Sommières embraced these ragtag Australians and the family fell in love with their temporary hometown and its outrageous gossip, cobblestoned beauty and kind, eccentric inhabitants. *Pardon My French* is a candid, hilarious love letter to family life and France with three valuable lessons for overcoming adversity, make home a beautiful nest, lean into the tough lessons and look for the comedy in everything.

Unashamed Heather Davis Nelson, 2016-06-14 Shame is everywhere. Whether it's related to relationships, body image, work difficulties or a secret sin, we all experience shame at some point in our lives. While shame can manifest itself in different ways, fear, regret and anger, it ultimately points us to our most fundamental need as human beings: redemption. Shame never disappears in solitude and Heather Davis Nelson invites us to not only be healed of our own shame but also be a part of healing for others. She shines the life-giving light of the gospel on the things that leave us feeling worthless and rejected, giving us courage to walk out of shame's shadows and offering hope for our bondage to brokenness. Through the gospel, we discover the only real and lasting antidote to shame: exchanging our shame for the righteousness of Christ alongside others on this same journey. **Get Your Story Straight** Kristen Hatton, 2015-10-01 Everyone has a story.

where they feel uncomfortable or trapped they can text a family member an X That family member will then call giving the teen a way out while still maintaining their freedom and no questions will be asked Now in X Plan Parenting Fulks expands on the how and the why behind his plan emphasizing the importance of developing trusting relationships with our kids Drawing on biblical principles Fulks s approach illuminates how even though we want the very best for our children we sometimes parent from a place of brokenness and a desire for control rather than support and encouragement We focus on our mistakes and painful growing up moments and the things we wish we d had when we were kids instead of what s best for our own children right now This dynamic can pit kids against their parents and create rifts in the relationship Fulks advocates for an alliance between children and parents instead of an us vs them mentality Rather than spending so much time coaxing or battling our kids Fulks inspires us to work with our kids instead of against them And rather than trying to right our own past wrongs vicariously through our children he urges us to recognize where we need healing so we can provide authentic strength to support our kids unique journeys There is a tender art to disciplining our kids and X Plan Parenting serves up laughter and tears hard questions and plenty of grace to moms and dads who want their kids to love God and lead passionate joyful lives in an unpredictable world

There is one proven method for happier kids more involved dads and less stressed out moms after divorce 50 50 custody It s hard for everyone when parents split up but the end of living together doesn t need to mean the end of a functional family Part of the reason divorces are so traumatic for the kids involved is because of our child custody system which truly sets everyone up for failure Throughout the country the default arrangement is for Mom to get majority time with the kids and most of the responsibility of caring for them for Dad to become an occasional visitor and perhaps saddled with massive child support payments and for the kids to lose the stability structure and confidence of knowing they have two equally committed loving parents But it doesn t have to be this way In The 50 50 Solution creator of the Wealthy Single Mommy community Emma Johnson showcases the robust research proving that in the vast majority of cases equal timesharing is the best outcome for everyone in a family where the adults no longer live together The 50 50 Solution will show you that equal parenting time leads to Better physical emotional and mental health for children of divorce Higher career earnings for single mothers Fathers who are more engaged and whose rights as parents are preserved Far less parental and legal conflict A progressive forward thinking cultural norm that promotes gender and racial equality for all families regardless of their configuration A few states have already adopted 50 50 custody as the default arrangement and several more are poised to follow Equal parenting time is the custody framework of the future and The 50 50 Solution shows readers how it helps our families and communities thrive
