Fiction in the Archives Natalie Zemon Davis, 1987 To receive a royal pardon in sixteenth century France for certain kinds of homicide unpremeditated unintended in self defense or otherwise excusable a supplicant had to tell the king a story These stories took the form of letters of remission documents narrated to royal notaries by admitted offenders who in effect stated their case for pardon to the king Thousands of such stories are found in French archives providing precious evidence of the narrative skills and interpretive schemes of peasants and artisans as well as the well born This book by one of the most acclaimed historians of our time is a pioneering effort to use the tools of literary analysis to interpret archival texts to show how people from different stations in life shaped the events of a crime into a story and to compare their stories with those told by Renaissance authors not intended to judge the truth or falsity of the pardon narratives but rather to refer to the techniques for crafting stories A number of fascinating crime stories often possessing Rabelaisian humor are told in the course of the book which consists of three long chapters These chapters explore the French law of homicide depictions of hot anger and self defense and the distinctive characteristics of women's stories of bloodshed The book is illustrated with seven contemporary woodcuts and a facsimile of a letter of remission with appendixes providing several other original documents This volume is based on the Harry Camp Memorial Lectures given at Stanford University in 1986

Stories Anton Chekhov, 2018-09-20 Reproduction of the original *The Party and Other Stories* by Anton Chekhov **The Intoxicated Ghost and Other Stories** Arlo Bates, 2020-07-24 Reproduction of the original *The Intoxicated Ghost and Other Stories* by Arlo Bates *Harold and Louis; Fear and love; and other stories* Harold (fict.name.), 1853 *Monsieur parent and other stories* Guy de Maupassant, 1909 *The Kreutzer Sonata and Other Stories* Leo graf Tolstoy, 2019-11-19 Leo Tolstoy's *The Kreutzer Sonata and Other Stories* is a collection of thought provoking tales that delve into the complexities of human relationships particularly marriage love and morality Written in Tolstoy's signature realist style the stories display an acute understanding of human nature and the societal norms of 19th century Russia The novella *The Kreutzer Sonata* stands out as a powerful critique of the institution of marriage as it follows the protagonist's descent into jealousy and obsession The other stories in the collection also highlight Tolstoy's mastery in capturing the psychological nuances of his characters Leo Tolstoy a prominent Russian author and philosopher drew inspiration for his works from his own personal experiences and philosophical beliefs His critique of societal norms and his exploration of moral and ethical dilemmas are evident throughout his writing making *The Kreutzer Sonata and Other Stories* a significant contribution to Russian literature I highly recommend *The Kreutzer Sonata and Other Stories* to readers who are interested in exploring complex human emotions moral dilemmas and societal critiques through the lens of 19th century Russian literature Tolstoy's insightful narratives are sure to provoke thought and spark meaningful discussions ***Pardon and Peace*** Francis Randolph, 2009-09-03 Fr Francis Randolph presents a very positive and practical understanding of the immense value of the sacrament of confession for the modern Catholic Father Randolph helps the reader to see how the sacrament of confession meets the deepest needs of the penitent on the spiritual emotional and psychological levels Step by step we follow the different stages of the rite looking at the various elements of the sacrament and what they mean for the average sinner in the box The author draws on his own experiences on both sides of the grille to explain what is actually happening in this sacrament and why it is so helpful for growing in the love of God and neighbor Because of so much recent confusion over the nature and purpose of the sacrament the book tackles the common objections and anxieties over confession and recommends frequent confession for getting rid of stress and anxiety and growing in confidence before God *The Beckoning Hand and Other Stories* Grant Allen, 1887 *Bliss, and Other Stories* Katherine Mansfield, 2021-02-01 When the day of Lord Saito Gonji's birthday arrives Gonji celebrates with dread knowing that in a week he will be married Sent away in his youth for samurai training and then to higher education Gonji is very connected to his studies After his intelligence is proven his professors even tell Gonji that he would do great things for Japan one day However since he is the youngest son in his family Gonji is expected to marry a social expectation that he cannot get around Now on his birthday he is expected to marry a childhood friend Ohano in one week which will greatly interfere with his studies When his family notice how upset Gonji is over the arranged marriage they grant him one week of pure freedom allowing him to do whatever he chooses Soon into the week Gonji meets a famous

dancer Known by the stage name of Spider the dancer was at the height of her career after being trained by the most celebrated geisha in Japan When Spider and Gonji become intimate during the week their fleeting encounter soon proves to complicate the plans Gonji s parents made for him Featuring complex and memorable characters as well as detailed descriptions of Japanese customs and landscapes The Honorable Miss Moonlight depicts a vivid portrait of 20th century Japan With themes of gender sexuality identity and a close perspective of the honor shame culture of Japan in the 1900s The Honorable Miss Moonlight is as enlightening as it is entertaining First published in 1912 The Honorable Miss Moonlight is one of Onoto Watanna s most famous works yet is rarely found in print This special edition features a stunning cover design and is printed in an easy to read font With these accommodations this edition caters to contemporary readers by restoring the novel to modern standards while preserving the original intricacy of Onoto Watanna s work

Our Brother's Child and Other Stories William H. Reynolds,1908 *Theaters of Pardoning* Bernadette Meyler,2019-09-15 From Gerald Ford s preemptive pardon of Richard Nixon and Donald Trump s claims that as president he could pardon himself to the posthumous royal pardon of Alan Turing the power of the pardon has a powerful hold on the political and cultural imagination In *Theaters of Pardoning* Bernadette Meyler traces the roots of contemporary understandings of pardoning to tragicomic theaters of pardoning in the drama and politics of seventeenth century England Shifts in how pardoning was represented on the stage and discussed in political tracts and in Parliament reflected the transition from a more monarchical and judgment focused form of the concept to an increasingly parliamentary and legislative vision of sovereignty Meyler shows that on the English stage individual pardons of revenge subtly transformed into more sweeping pardons of revolution from Shakespeare s *Measure for Measure* where a series of final pardons interrupts what might otherwise have been a cycle of revenge to later works like John Ford s *The Laws of Candy* and Philip Massinger s *The Bondman* in which the exercise of mercy prevents the overturn of the state itself In the political arena the pardon as a right of kingship evolved into a legal concept culminating in the idea of a general amnesty the Act of Oblivion for actions taken during the English Civil War Reconceiving pardoning as law giving effectively displaced sovereignty from king to legislature a shift that continues to attract suspicion about the exercise of pardoning Only by breaking the connection between pardoning and sovereignty that was cemented in seventeenth century England Meyler concludes can we reinvigorate the pardon as a democratic practice
