Dr. Becky Kennedy, clinical psychologist, 1 New York Times bestselling author of *Good Inside*. This is not a parenting book; it's a book for parents exploring what we bring to the parenting journey and how we can gain confidence in ourselves, not just as parents but as whole human beings. There's always that moment as a parent when you feel like no matter how hard you're trying, you just can't get it right. But the fact is, parenting is hard, and once we know this and why, we can forgive ourselves for finding it a struggle and start to look for the things that make parenting a joy. As well as learning to parent ourselves, it will show us how to parent the child we actually have, not a textbook version but our complicated, messy child with their own powerful needs. And by tuning into their language, learning how to hold them, not mold them, we can really start enjoying them for the funny and unique human beings that they are. With the right support and guidance, we can all totally do this parenting thing and grow a positive and loving relationship that will last forever. *The Warrior's Bride* Kathy Barnett, Carrie Daws, 2014-09-15 The call came down from Command and your warrior husband is out the door, leaving you behind to handle whatever he has left undone.
