## **Parental Child Stealing:**

Parental Child-stealing Michael Agopian, 1981      *Ricky Sticky Fingers* Julia Cook, 2012-08-15 Meet Ricky A cute little boy that just can't seem to figure out that stealing is wrong When I see something that I really want I think Hey that could be mine So I look both ways reach out my hand and take it at just the right time If I ever get caught I just pretend that it wasn't me that took it A quick little lie is just what I need and lying helps me get through it Taking things that I want to have at times can be very tricky But there's no way that I can help myself because all of my fingers are sticky Ricky learns first hand what it feels like to have something stolen from him Then he uses the GOOD inside of himself to overtake the BAD and returns the items that he took from others Finally a book that confronts the issue of stealing and offers a strategy to curb the desire to steal Through a fun and whimsical story children will learn the concept of ownership and how it feels when someone doesn't respect what is yours This book uses empathy in a powerful way to teach children that stealing is wrong

**Kidnapped** Paula S. Fass, 1997 A look at the history of child kidnappings and abductions in the United States the motives of the perpetrators the activities of the media and the results in the law and in public opinions      **Throwing Stones** Ken Connelly, 2009-01-29 Recent stories of long term abduction have flooded our current news Everyone wants to know why children stay with their captor even when opportunity presents itself The media scrambles to get expert and eye witness interviews We place the child in front of a camera to get that smile of relief We fail to look deeper and ask the real important questions The young boy stands there confused and afraid They have just been ripped from all they know captivity That is all about to change In reading the life story of a former abducted child and revisiting one of the first national cases of child stealing in America *Throwing Stones* Parental Child Abduction Through the Eyes of a Child gives a dark narrative look into the life of a seven year old boy ripped from all he knows and later returned to a life of hell at the age of eleven His baby was brother raised to hate a woman he was too young to know His older sister consumed with her own inner turmoil turns violently on him Left alone to find his own way he befriends anyone who will give him a sense of self worth A peaceful and quiet child at the beginning little Kenny learns to lie steal and attack anyone who he thinks is a threat Scared to trust anyone Kenny goes inward to protect himself Infected with an internal struggle to hold on to dying memories of a loving mother ripped from him he gives in After many lies little Kenny starts to protect the man he fears most his Father Regardless of his outward environment he finds hope and strength from within Clear and sobering this is long overdue No other book has been written from the child's perspective concerning Child Theft This case takes place before there was the National Center for the Missing and Exploited Children NCMEC His abduction was the first to involve a multi state manhunt and the Federal Bureau of Investigation      **The A-Z of Therapeutic Parenting** Sarah Naish, 2018-04-16 Parents of children with attachment difficulties or who have experienced childhood trauma need to parent differently to meet their child's specific needs and help them start to make sense of the world This book is everything you need in order to therapeutically parent with the brand new

P A R E N T S model and an A Z of practical advice      **Parental Kidnaping Prevention Act of 1979, S. 105** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Criminal Justice,1980      **Patterns in Parental Child Stealing** Michael William Agopian,1980      **The Psychology of Theft and Loss** Robert Tyminski,2014-07-11 Why do we steal This question has confounded everyone from parents to judges teachers to psychologists economists to more than a few moral thinkers Stealing can be a result of deprivation of envy or of a desire for power and influence An act of theft can also bring forth someone s hidden traits paradoxically proving beneficial to their personal development Robert Tyminski explores the many dimensions of stealing and in particular how they relate to a subtle balance of loss versus gain that operates in all of us Our natural aversion to loss can lead to extreme actions as a means to acquire what we may not be able to obtain through time work or money Tyminski uses the myth of Jason Medea and the Golden Fleece to explore the dilemmas involved in such situations and demonstrate the timelessness of theft as fundamentally human The Psychology of Theft and Loss incorporates Jungian and psychoanalytic theories as well as more recent cognitive research findings to deepen our appreciation for the complexity of human motivations when it comes to stealing culminating in consideration of the idea of a perpetually present inner thief Combining case studies Jungian theory and analysis of many different types of stealing including robbery kidnapping plagiarism and technotheft The Psychology of Theft and Loss is a fascinating study which will appeal to psychoanalysts psychologists psychiatrists social workers family therapists and students      International Parental Child Abduction Act of 1989 United States.
