Parenting To Make A Difference Your One To Fouryear Old Child:

Parenting Your Two-Year-Old Kristen Ivy, Reggie Joiner, 2017-07-18 MAKE THE MOST OF EVERY PHASE IN YOUR CHILD'S LIFE You have approximately 936 weeks from the time your child is born until he or she graduates from high school. It goes by fast and kids change and grow so quickly. It's as if they change just as you're starting to figure them out. It all makes the responsibility to shape a child's faith and character feel overwhelming. *Parenting Your Two Year Old* is a concise guide that simplifies what you need to know about two year olds in general and offers interactive ways to discover more about your own child to help you make the most of this phase. Discover what's changing about your child over the next 52 weeks, the 6 things your two year old needs most and 4 conversations to have in this phase. About the Phase Guides *Parenting Your Two Year Old* is part of a series of books designed especially for busy people. These guides are more than a journal but less than a detailed manual. Use this book to look ahead at key ways your child will be growing this year physically, mentally, socially, emotionally, and spiritually. Jot down thoughts and observations to help you make the most of this phase. *No Bad Kids* Janet Lansbury, 2014-09-17 A modern classic on the gentle art of discipline for toddlers by the internationally renowned childcare expert, podcaster, and author of *Elevating Child Care*. *No Bad Kids* provides practical ways to respond to the challenges of toddlerhood while nurturing a respectful relationship with your child. Tina Payne Bryson, PhD, co-author of *The Whole Brain Child* and *No Drama Discipline*. Janet Lansbury is unique among parenting experts. As a RIE teacher and student of pioneering child specialist Magda Gerber, her advice is not based solely on formal studies and the research of others but also on her more than twenty years of hands-on experience guiding hundreds of parents and their toddlers. A collection of her most popular articles about toddler behavior, *No Bad Kids* presents her signature approach to discipline, which she sees as a parent's act of compassion and love for a child. Full of wisdom and encouragement, it covers common toddler concerns such as: Why toddlers need clear boundaries and how to set them without yelling. What's going on when they bite, hit, kick, tantrum, whine, and talk back. Advice for parenting a strong-willed child. How to be a gentle leader. And Lansbury's secret for staying calm. For parents who are anticipating or experiencing those critical years when toddlers are developmentally obliged to test the limits of our patience and love, *No Bad Kids* is a practical, indispensable resource for putting respectful discipline into action.
