Reset for Parents Todd Friel, 2017-01-26 Raising a prodigal is every Christian parent s worst nightmare Horrifyingly George Barna contends that over 60 percent of Christian kids will run off to university and lose their faith Some pollsters believe the number is as high as 80 percent But there is great news Your child doesn t have to become a statistic Your child can become an adult who loves the Lord the same way you do but this will likely require a radical parenting reset on your part Todd Friel has witnessed to hundreds of university students most of whom are Bible belt backsliders Reset for Parents gets to the heart of the issue and presents a solid biblical roadmap for parents to avoid the pain and heartache of raising a prodigal

Love and Respect in the Family Dr. Emerson Eggerichs, 2013-11-12 The secret to parenting success is out Children need love parents need respect It s as simple and complex as that Bestselling author Dr Emerson Eggerichs has studied family dynamics for more than 30 years earning a Ph D in Child and Family Ecology As a senior pastor for nearly two decades he builds on a foundation of strong biblical principles walking the reader through an entirely new way to approach the family dynamic When frustrated with an unresponsive child

a parent doesn't declare "You don't love me." Instead the parent asserts "You are being disrespectful right now." A parent needs to feel respected especially during conflicts. When upset a child does not whine "You don't respect me." Instead a child pouts "You don't love me." A child needs to feel loved especially during disputes. But here's the rub: An unloved child or teen negatively reacts in a way that feels disrespectful to a parent. A disrespected parent negatively reacts in a way that feels unloving to the child. This dynamic gives birth to the FAMILY CRAZY CYCLE. This book teaches you to see love and respect as basic family needs. Stop the Family Crazy Cycle of conflict. Parent in six biblical ways that energize your children. Discipline defiance and overlook childishness. Be the mature one since parenting is for adults only. Become a loving parent in God's eyes regardless of a child's response. Based on what the Bible says about parenting, this book focuses on achieving healthy family dynamics. Dr. Eggerichs offers unprecedented transparency from his wife and three adult children who share wisdom gained from the good, the bad, and the ugly of their family life. It's all here in this eye-opening exploration of the biblical principles on parenting that can help make families function as God intended.
