Parents And Children In History The Psychology Of Family Life In Early Modern France

A. Gil'adi

Parents And Children In History The Psychology Of Family Life In Early Modern France:

Parents and Children in History David Hunt, 1970 *Parents & Chldr In History* David Hunt, 1970 L'opera affronta sotto l'aspetto psicologico il tema della vita familiare in Francia tra il Sedicesimo e il Diciottesimo secolo Il testo suddiviso in quattro parti la prima dedicata all'inquadramento psicologico sull'argomento la seconda dedicata ai genitori la terza parte si occupa dei bambini e degli adolescenti e infine l'ultima parte contiene le conclusioni dell'autore **Parents and Children in History** David Hunt, 1972 **From Wives to Widows in Early Modern Paris** Janine M. Lanza, 2016-04-22 Looking especially at widows of master craftsmen in early modern Paris this study provides analysis of the social and cultural structures that shaped widows' lives as well as their day to day experiences Janine Lanza examines widows in early modern Paris at every social and economic level beginning with the late sixteenth century when changes in royal law curtailed the movement of property within families up to the time of the French Revolution The glimpses she gives us of widows running businesses debating remarriage and negotiating marriage contracts offer precious insights into the daily lives of women in this period Lanza shows that understanding widows dramatically alters our understanding of gender not only in terms of how it was lived in this period but also how historians can use this idea as a category of analysis Her study also engages the historiographical issue of business and entrepreneurship particularly women's participation in the world of work and explicitly examines the place of the law in the lived experience of the early modern period How did widowed women use their newly acquired legal emancipation How did they handle their emotional loss How did their roles in their families and their communities change How did they remain financially solvent without a man in the house How did they make decisions that had always been made by the men around them These questions all touch upon the experience of widows and on the ways women related to prevalent structures and ideologies in this society Lanza's study of these women the ways they were represented and how they experienced their widowhood challenges many historical assumptions about women and their roles with respect to the law the family and economic activity *Society and Economy in Early Modern Europe, 1450-1789* Barry Taylor, 1989 **Evelina** Frances Burney, 2000-09-14 The reputation of Frances Burney 1752-1840 was largely established with her first novel *Evelina* Published anonymously in 1778 it is an epistolary account of a sheltered young woman's entrance into society and her experience of family Its comedy ranges from the violent practical joking reminiscent of Smollett's fiction to witty repartee that influenced Austen The Broadview edition is based on the second edition of the novel 1779 which incorporates Burney's revisions and corrections Its appendices include contemporary reviews of *Evelina* as well as eighteenth century works on the family and on comedy *The Oldest Vocation* Clarissa W. Atkinson, 2019-03-15 According to an old story a woman concealed her sex and ruled as pope for a few years in the ninth century Pope Joan was not betrayed by a lover or discovered by an enemy her downfall came when she went into labor during a papal procession through the streets of Rome From the myth of Joan to the experiences of saints nuns and ordinary women *The Oldest Vocation* brings to

life both the richness and the troubling contradictions of Christian motherhood in medieval Europe After tracing the roots of medieval ideologies of motherhood in early Christianity Clarissa W Atkinson reconstructs the physiological assumptions underlying medieval notions about women's bodies and reproduction inherited from Greek science and popularized through the practice of midwifery these assumptions helped shape common beliefs about what mothers were She then describes the development of spiritual motherhood both as a concept emerging out of monastic ideologies in the early Middle Ages and as a reality in the lives of certain remarkable women Atkinson explores the theological dimensions of medieval motherhood by discussing the cult of the Virgin Mary in twelfth century art story and religious expression She also offers a fascinating new perspective on the women saints of the later Middle Ages many of whom were mothers their lives and cults forged new relationships between maternity and holiness *The Oldest Vocation* concludes where most histories of motherhood begin in early modern Europe when the family was institutionalized as a center of religious and social organization Anyone interested in the status of motherhood or in women's history the cultural history of the Middle Ages or the history of religion will want to read this book

Governing Child Sexual Abuse Samantha Ashenden, 2016-04-29 The turn of the 1990s saw a number of high profile public inquiries into the handling of child sexual abuse cases in Great Britain In *Governing Child Sexual Abuse* Ashenden examines the implications of these inquiries on the regulation of relationships between families and the state author Samantha Ashenden brings a number of contemporary debates in social and political theory to bear upon the governance of child sexual abuse In particular drawing on the work of Foucault and Habermas Ashenden looks at how to analyze the boundary between public and private spheres the legal and scientific determination of legitimate intervention the relationship between democracy and expertise in the governance of social life Timely and topical this book will be of particular interest to scholars and students of social and political theory political sociology the sociology of law and social policy

A Social History of Western Europe, 1450-1720 Sheldon J. Watts, 2017-07-06 This thoroughly readable and stimulating social history of Western Europe first published in 1984 explores the family religion and the supernatural and the social structure and social controls of rural society This title will be of interest not only to students but to anyone who is anxious to understand the lives both internal and external of rural people in his fascinating period that is so central to everyone's past

Routledge Library Editions: Rural History Various, 2021-07-14 The volumes in this set originally published between 1969 and 1990 draw together research by leading academics in the area of the rural history and provide an examination of related key issues The volumes examine social change in rural communities approaching the industrial revolution whilst also providing an overview of the history of rural populations in England France Germany Mexico and the United States This set will be of particular interest to students of history business and economics

Feminist Perspectives on Child Law Jo Bridgeman, Daniel Monk, 2013-03-04 Whilst there are many publications dealing with children from both legal and theoretical perspectives the child is persistently represented and discussed as a gender neutral or pre gender and pre sexual object This text uses feminist perspectives to explore more rarely

addressed aspects of childhood **Children of Islam** A. Gil'adi,1992-07-01 This book is the result of the first comprehensive research carried out within the framework of Islamic Studies on childhood in medieval Muslim society It deals with the images of children with adults attitudes towards them and with concepts of childhood as reflected in legal theological philosophical ethical and medical writings as well as works of belles lettres The studies included in this volume are based on the historical philological methodology enriched by a comparative approach towards the subject Medieval Religion and Technology Lynn White,2018-08-14 This collection of nineteen essays their previous publication dates scattered over a long career is designed to indicate the velocity and variety of the inventiveness visible in medieval engineering and also to explore the relation of technology to the values of western medieval culture During the Middle Ages values and the motivations springing from them even those underlying many activities that to us today seem purely secular were often expressed in religious presuppositions Hence this book s title The conceptual unity of the collection is brought forth in the author s Introduction The Study of Medieval Technology 1924 1974 Personal Reflections This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978 and reissued as a paperback in 1986 **An Emotional History of the United States** Peter N. Stearns,Jan Lewis,1998 Emotions lie at our very core as human beings How we process and grapple with our emotions how and what we emote and how we respond to the emotions of others constitute the essence of our social universe In a very real sense we exist only through the prism of our emotions And yet the profound effect of human emotion on history politics religion and culture remains underexamined While the influence of emotion in such realms as American foreign policy has been well documented other emotional aspects of American history have escaped notice What role for instance does emotion have in the practice of African American religion How do shame and self hatred influence American conceptions of identity How does our emotional life change as we age To what degree is American consumerism driven by basic human emotion With this landmark anthology historians Peter N Stearns and Jan Lewis provide a road map of the American emotional landscape From the emotional world of working class Massachusetts to the prayers of evangelical and pentecostal women and the gendered nature of black rage these essays provide a multicultural snapshot of the unique nature and evolution of American emotions

Childhood in the Middle Ages and the Renaissance Albrecht Classen,2011-12-22 Earlier theses on the history of childhood can now be laid to rest and a fundamental paradigm shift initiated as there is an overwhelming body of evidence to show that in medieval and early modern times too there were close emotional relations between parents and children The contributors to this volume demonstrate conclusively on the one hand how intensively parents concerned themselves with their children in the pre modern era and on the other which social political and religious conditions shaped these

relationships These studies in emotional history demonstrate how easy it is for a subjective choice of sources coupled with faulty interpretations caused mainly by modern prejudices toward the Middle Ages in particular to lead to the view that in the past children were regarded as small adults The contributors demonstrate convincingly that intense feelings admittedly often different in nature shaped the relationship between adults and children

Living Water, Sealing Spirit Maxwell E. Johnson, 1995 A companion volume essays to the Rites of Christian Initiation above

Childhood in World History Peter N. Stearns, 2021-06-09 Now in its fourth edition *Childhood in World History* covers the major developments in the history of childhood from the classical civilizations to the present and explores how agricultural and industrial economies have shaped the experiences of children Through comparative analysis Peter N Stearns facilitates a cross cultural and transnational understanding of attitudes toward the role of children in society and how models of childhood have developed throughout history He addresses the tension between regional and social gender differences on the one hand and factors that encouraged greater convergence including the experience of globalization The book also deals with regional patterns as determined by different religious and cultural systems and family structures It encourages readers to consider the complexity in evaluating childhood patterns in the past in light of more modern conditions and expectations and at the same time to realize some of the problems contemporary children encounter This updated and expanded fourth edition includes Broadened discussions of childhood in Asia Africa and Latin America Additional text on children s play and the impact of immigration More voices from children throughout Updated bibliographies and suggested readings Concisely presented but broad in scope this book will be of interest to students of world history and those involved in interdisciplinary approaches to childhood

Migration and Urbanization in the Ruhr Valley, 1821-1914 James H Jackson, 2023-08-21 This book analyzes the human consequences of urbanization and geographical mobility for residents of a major city in the Ruhr Valley of Germany during the century long transition from an agrarian order to the industrial era By utilizing an unprecedented combination of demographic records it reshapes the conventional understanding of central European migration

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1965

The Protestant Temperament Philip J. Greven, Jr., 2013-09-04 Bringing together an extraordinary richness of evidence from letters diaries and other intimate family writing of the 17th and 18th centuries Philip Greven the distinguished scholar of colonial history explores the strikingly distinctive ways in which Protestant children were reared and the Protestant temperament shaped in America Through this cache of remarkable and remarkably immediate and moving material the family papers of some of America s most famous theologians political figures lawyers and ministers as well as those of lesser known contemporaries farmers merchants housewives who embodied Protestant life and wrote about it most expressively Philip Greven traces the hidden continuities of religious experience of attitudes toward God children the will the body sexuality achievement pleasure virtue and selfhood among the three Protestant groups of the time He examines in turn the three strains that persisted regardless of denomination First the

evangelicals their dictum for raising children Break their wills that you may save their souls ruled by a hostility to the self a feeling that selfhood is the source of sin too dangerous to be sought or desired Jonathan Edwards wrote I have been before God and have given myself all that I am and have to God so that I am not in any respect my own I have given myself clear away And we hear the products of this upbringing in their twenties and thirties speaking of themselves in the harshest tones My affections carnal corrupt and disordered distrusting themselves in the most profound ways a woman faced with the choice of a husband wrote I dare not decide myself and dread nothing more than to be left to the Bent of my own heart In counterpoint we see the moderates poised between duty and personal desire preoccupied but not obsessed with morality more interested in self control than self suppression an eminent Unitarian the Reverend Theodore Parker of Boston wrote The will needs regulation not destroying I should as soon think of breaking the legs of a horse in training him as a child s will And finally we see the genteel in polite society taking their state of grace for granted more interested in self assertion than self control completely at ease with ambition and worldliness music dancing games convivial drinking hunting and sports all an integral part of the children s lives as they grow into maturity the boys groomed for social responsibility the girls encouraged to be steady studious docile with a mild and winning presence a sweet obliging temper The Protestant Temperament uncovers the personal experience and the psychological and social effects of religion and piety in the American of the 17th and 18th centuries the feelings as well as the beliefs of religious people Fascinating and groundbreaking in its revelations and its radical reassessment of the role of religion in early American life Philip Greven s book is a major intellectual event an important and illuminating interpretation of the American Protestant experience

Parents And Children In History The Psychology Of Family Life In Early Modern France Introduction

In the digital age, access to information has become easier than ever before. The ability to download Parents And Children In History The Psychology Of Family Life In Early Modern France has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Parents And Children In History The Psychology Of Family Life In Early Modern France has opened up a world of possibilities. Downloading Parents And Children In History The Psychology Of Family Life In Early Modern France provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Parents And Children In History The Psychology Of Family Life In Early Modern France has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This

inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Parents And Children In History The Psychology Of Family Life In Early Modern France. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Parents And Children In History The Psychology Of Family Life In Early Modern France. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Parents And Children In History The Psychology Of Family Life In Early Modern France, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Parents And Children In History The Psychology Of Family Life In Early Modern France has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Parents And Children In History The Psychology Of Family Life In Early Modern France Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

Parents And Children In History The Psychology Of Family Life In Early Modern France

What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
