Carrie Arnold

Parents Guide To Eating Disorders:

Eating Disorders Rachel Bryant-Waugh, Bryan Lask, 2013-03-05 Eating problems are common in children and teenagers Yet myths about such problems abound and it can be very difficult to separate the facts from popular beliefs unusual or disturbed eating patterns can be understandably bewildering and distressing for parents Whatever aspect of your child's eating behaviour is causing you concern this book will help you understand some of the more common reasons why problems arise and will give you advice on what you and others can do to manage the situation Written by two experienced clinicians this new edition of *Eating Disorders A Parents Guide* is dedicated to clarifying the subject of eating disorders Combining an accessible and straightforward introduction to the subject with practical advice this book represents the first step towards recognising understanding and dealing with the problem Case studies are used to help parents understand their children's experiences of this complex and challenging subject and sensitive advice is offered on a range of issues including how to identify a complete range of eating difficulties how to approach specific problems where to seek help and treatment This book will be welcomed by anyone who is concerned about the eating habits of their children and will be invaluable to professionals working with those suffering from eating disorders

A Parent's Guide to Defeating Eating Disorders

Ahmed Boachie, Karin Jasper, 2011 Featuring metaphorical explanations for parents and caregivers about eating disorders and their treatments a conceptual guide explains how to facilitate a supportive relationship with sufferers at every stage toward health Original **The Parent's Guide to Eating Disorders** Nancy Matsumoto, Marcia Herrin, 2010-07 Winner of the 2008 National Parenting Publications Honors Award Here is the first book written by a nutritionist that addresses childhood and teenage eating disorders with an emphasis on home based recovery Herrin focuses on early detection and intervention with effective solutions that begin in the home at virtually no cost other than a healthy investment of time effort and love This second edition includes new information on family communication medical consequences advice for siblings relapse prevention food plans and boys at risk Unique to this version are four chapters devoted to the Maudsley approach the highly successful parent assisted method for normalizing eating Also the parent of one of the author's anorexic patients contributed a chapter about her family's experiences in recovery using the techniques described in this book **The**

Parent's Guide to Childhood Eating Disorders Marcia Herrin, Nancy Matsumoto, 2002-02-06 A successful new approach to treating eating disorders in preteens and teens from a nationally renowned expert in the field In a society where eating disorders are rampant it often takes special awareness and vigilance to raise children who will come to the dinner table free of the modern food related phobias fear of being fat fear of excess calories and obsession with physical appearance Emphasizing a nutritional approach to treatment *The Parent's Guide to Childhood Eating Disorders* will prove to parents that effective solutions can begin in the home with a reasonable investment of time effort and love This groundbreaking guide includes information on spotting early warning signs normalizing eating and exercises dealing with school friends sports and

camp knowing when to seek professional help avoiding a relapse As an expert in eating disorders a former anorexic and the mother of two teenagers Dr Marcia Herrin speaks with rare authority and understanding *The Parent's Guide to Childhood Eating Disorders* takes readers step by step through the healing journey that Herrin makes with each of her patients This important new addition to the literature is a warm accessible guide that all parents concerned about eating disorders will turn to for practical and reassuring information

Help for Eating Disorders Debra Katzman, Leora Pinhas, 2005 A guide based on The Eating Disorder Program at The Hospital for Sick Children Toronto helps parents identify if their child has a problem plan for their recovery and get support Includes workbooks diaries and case studies

Parents with Eating Disorders Shiri Sadeh-Sharvit, James Lock, 2018-12-07 This groundbreaking volume presents a new conceptual approach to treating adults with eating disorders and their children By utilizing Parent Based Prevention a state of the art intervention program from Stanford University for families who risk raising children in the context of parental eating disorders *Parents with Eating Disorders* offers a practical evidence based manual to working with affected families with the goal of preventing disordered eating from being passed to future generations Additional resources include intervention planning and self assessment forms intended for clinicians to use as they implement the program

Anorexia and Bulimia in the Family Gráinne Smith, 2004-04-02 Written by a mother whose daughter suffers from an eating disorder *Anorexia and Bulimia Nervosa* is a supportive helpful guide for families of those with eating disorders Framed by the personal story of Gráinne Smith and her daughter the book describes the onset and symptoms of the two disorders as well as the typical situations family and caregivers can expect on the long road to helping the sufferer to recover Readers will learn about the effects on family life in particular the common feelings of isolation and helplessness and get strategies for coping and finding more information and assistance

The Parent's Guide to Eating Disorders Jane Smith, 2011-03-29 At least 1.1 million people in the UK are affected by an eating disorder with people aged 14-25 most at risk Books about eating disorders are often quite academic and aimed at the sufferer themselves Very little is available for parents of sufferers Jane Smith director of Anorexia Bulimia Care charity has written this book in collaboration with Care for the Family to provide practical advice for parents of eating disorder sufferers Jane draws on her own experience of helping her young daughter through an eating disorder as well as case studies of the many families ABC has helped over the years Includes answers to the most frequently asked questions ABC receives from parents Supported by Care for the Family and includes a foreword by Rob Parsons

Help Your Teenager Beat an Eating Disorder James Lock, Daniel Le Grange, 2004-10-29 If your teenager shows signs of having an eating disorder you may hope that with the right mix of love encouragement and parental authority he or she will just snap out of it If only it were that simple To make matters worse certain treatments assume you've somehow contributed to the problem and prohibit you from taking an active role But as you watch your own teen struggle with a life threatening illness every fiber of your being tells you there must be some part you can play in restoring your child's health In *Help Your*

Teenager Beat an Eating Disorder James Lock and Daniel Le Grange two of the nation's top experts on the treatment of eating disorders present compelling evidence that your involvement as a parent is critical In fact it may be the key to conquering your child's illness Help Your Teenager Beat an Eating Disorder provides the tools you need to build a united family front that attacks the illness to ensure that your child develops nourishing eating habits and life sustaining attitudes day by day meal by meal Full recovery takes time and relapse is common But whether your child has already entered treatment or you're beginning to suspect there is a problem the time to act is now This book shows how

How to Nourish Your Child Through an Eating Disorder: A Simple, Plate-by-Plate Approach® to Rebuilding a Healthy Relationship with Food Casey Crosbie, Wendy Sterling, 2018-07-24 A revolutionary entirely visual approach to helping your child overcome their eating disorder ED and eat normally again that does away with counting calories and measuring food rooted in the leading evidence based approach Family Based Therapy FBT Parents are the first to know when their child starts behaving differently Has your son stopped eating his favorite food or does he refuse to eat out with friends Has your daughter drastically increased her exercise regimen or become obsessed with health foods These are among the telltale signs that your child like millions of others may have an eating disorder ED In this essential guide registered dietitians Casey Crosbie and Wendy Sterling introduce an all new strategy you can use to help your child at home The Plate by Plate approach is rooted in family based treatment FBT the leading psychological therapy for EDs Unlike complicated exchange systems this is simple Crosbie and Sterling coach you through every aspect of meeting your child's nutritional needs using just one tool a ten inch plate Paired with therapy this intuitive visual method is the best way to support your child on the path to recovery Plus the authors cover how to talk about diet and weight what to do while traveling what to expect from your child's doctor and much more

Autism and Eating Disorders in Teens Fiona Fisher Bullivant, Sharleen Woods, 2020-07-21 The relationship between autism and eating disorders is often overlooked or misunderstood Written by two experienced clinicians working with young people Autism and Eating Disorders in Teens covers topics including identification of both conditions diagnosis and the recovery process challenging current thinking and promoting new ways of working to promote treatment and awareness Autism and eating disorders often present in similar ways whether through restrictive or selective eating behaviours or rigid or obsessive thought patterns As a result individuals may receive treatment for one condition with the other although present going undiagnosed This is a practical guide for the adults supporting this group of teens recommending changes in policy and practice in order to improve the care of young people experiencing these conditions Drawing on in depth case studies highlighting the need for young people and their families to feel understood and listened to the authors show how we can empower these young people to reach their full emotional and physical potential

ARFID Avoidant Restrictive Food Intake Disorder Rachel Bryant-Waugh, 2019-07-11 ARFID Avoidant Restrictive Food Intake Disorder A Guide for Parents and Carers is an accessible summary of a relatively recent diagnostic term People with ARFID

may show little interest in eating eat only a very limited range of foods or may be terrified something might happen to them if they eat such as choking or being sick Because it has been poorly recognised and poorly understood it can be difficult to access appropriate help and difficult to know how best to manage at home This book covers common questions encountered by parents or carers whose child has been given a diagnosis of ARFID or who have concerns about their child Written in simple accessible language and illustrated with examples throughout this book answers common questions using the most up to date clinical knowledge and research Primarily written for parents and carers of young people ARFID Avoidant Restrictive Food Intake Disorder includes a wealth of practical tips and suggested strategies to equip parents and carers with the means to take positive steps towards dealing with the problems ARFID presents It will also be relevant for family members partners or carers of older individuals as well as professionals seeking a useful text which captures the full range of ARFID presentations and sets out positive management advice

If Your Adolescent Has an Eating Disorder B. Timothy Walsh, Deborah R. Glasofer, 2020 This guide to understanding and helping a teenager with an eating disorder is designed for parents of teens at risk or recently diagnosed and for other adults such as teachers and guidance counselors The book combines the latest science including the newest treatments and most up to date research findings with case examples and the practical wisdom of parents raising teens with eating disorders Complete with red flags to look out for advice on how to handle everyday life warnings on the dangers of doing nothing and a comprehensive list of additional resources this book will help parents and other adults face and deal effectively with adolescent eating disorders before they become life threatening

Eating Disorders in Sport Ron A. Thompson, Roberta Trattner Sherman, 2011-01-19 Over the past fifteen years there has been a great increase in the knowledge of eating disorders in sport and effective means of treatment In this book the authors draw on their extensive clinical experience to discuss how to identify manage treat and prevent eating disorders in sport participants They begin by examining the clinical conditions related to eating problems including descriptions of specific disorders and a review of the relevant literature Special attention is given to the specific gender and sport related factors that can negatively influence the eating habits of athletes The second half of the book discusses identification of participants with disordered eating by reviewing symptoms and how they manifest in sport management issues for sport personnel coaches athletic trainers and healthcare professionals treatment and medical considerations such as the use of psychotropic medications A list of useful resources is included in an appendix as well as a glossary of important terms

Unlocking the Mysteries of Eating Disorders David B. Herzog, Debra L. Franko, Patti Cable, 2007-08-21 The answers you need to help your child survive an eating disorder You've noticed a change in your child's eating habits and want to help but you don't know what to say Perhaps you're not sure if your child has an eating disorder or is at risk of developing one and you don't know what to do Written by experts in the field Unlocking the Mysteries of Eating Disorders will guide you through this difficult situation and empower you and your family to make the right decisions Throughout the book stories of parents and children

will help you understand the process and give you hope as you travel the road to health with your son or daughter Learn how to Spot the warning signs of an eating disorder Find the treatment options that are right for your child Support your son or daughter through recovery and prevent relapses *When Your Child Has an Eating Disorder* Abigail H.

Natenshon,1999-09-30 *When Your Child has an Eating Disorder* is the first hands on workbook to help parents successfully intervene when they suspect their child has an eating disorder This step by step guide is filled with self tests questions and answers journaling and role playing exercises and practical resources that give parents the insight they need to understand eating disorders and their treatment recognize symptoms in their child and work with their child toward recovery This excellent and effective resource is one therapists can feel confident about recommending to patients **Eating Disorders**

in Children and Adolescents Daniel Le Grange,James Lock,2011-09-20 Bringing together leading authorities this comprehensive volume integrates the best current knowledge and treatment approaches for eating disorders in children and adolescents The book reveals how anorexia nervosa bulimia nervosa and other disorders present differently developmentally and explains their potentially far reaching impact on psychological physical and neurobiological development It provides guidelines for developmentally sound assessment and diagnosis with attention to assessment challenges unique to this population Detailed descriptions of evidence based therapies are illustrated with vivid case examples Promising directions in prevention are also addressed A special chapter offers a parent s perspective on family treatment **Decoding Anorexia**

Carrie Arnold,2012 *Decoding Anorexia* is the first and only book to explain anorexia nervosa from a biological point of view Its clear user friendly descriptions of the genetics and neuroscience behind the disorder is paired with first person descriptions and personal narratives of what biological differences mean to sufferers Author Carrie Arnold a trained scientist science writer and past sufferer of anorexia speaks with clinicians researchers parents other family members and sufferers about the factors that make one vulnerable to anorexia the neurochemistry behind the call of starvation and why it s so hard to leave anorexia behind She also addresses How environment is still important and influences behaviors The characteristics of people at high risk for developing anorexia nervosa Why anorexics find starvation rewarding Why denial is such a salient feature and how sufferers can overcome it Carrie also includes interviews with key figures in the field who explain their work and how it contributes to our understanding of anorexia Long thought to be a psychosocial disease of fickle teens this book alters the way anorexia is understood and treated and gives patients their doctors and their family members hope

Surviving an Eating Disorder, Third Edition Michele Siegel,Judith Brisman, PhD,Margot Weinshel,2009-10-06 Thoroughly revised and updated with the latest research and methodologies the fourth edition of the classic guide written specifically for parents friends and caregivers of individuals with eating disorders For more than thirty years this classic guide has been an essential resource for the silent sufferers those affected by a loved one s eating disorder This revised edition put family and friends at the center of the treatment process providing the latest information on the methods and

practices available to facilitate the recovery process *Surviving an Eating Disorder* is the first book for family and friends to use a psychological perspective to understand eating disorders Other treatment manuals or self help books propose change but *Surviving* is the first to consider why change can be so hard for everyone involved The factors that can hinder progress are discussed and the methods that can work are emphasized Illustrated with case examples this fourth edition explains the latest treatments and provides the necessary tools to carefully evaluate what can be most effective for each reader s individual care The authors offer concrete advice and support urging readers to care for both themselves and their relationships as they support their loved ones struggling with food and eating issues With its combination of information insight and practical strategies *Surviving an Eating Disorder* considers crisis as opportunity a time for the possibility of hope and change for everyone involved

Parents Guide To Eating Disorders Introduction

In the digital age, access to information has become easier than ever before. The ability to download Parents Guide To Eating Disorders has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Parents Guide To Eating Disorders has opened up a world of possibilities. Downloading Parents Guide To Eating Disorders provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Parents Guide To Eating Disorders has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Parents Guide To Eating Disorders. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Parents Guide To Eating Disorders. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Parents Guide To Eating Disorders, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Parents Guide To

Eating Disorders has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Parents Guide To Eating Disorders Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
