Allender, Dan B. Allender, Pllc, 2003 Parenting with Humility We often realize that we learn as much from our children as they learn from us So why don t parents approach the task of child rearing as a learning experience rather than a mandate to make sure their kids succeed in life To reduce the pressure and enjoy greater closeness in your family turn your parenting upside down by allowing God to use your children to help you grow up Imagine what would happen if you began to prize what you re being taught by your children s quirks failures and normal childhood dilemmas rather than worrying about whether you re doing everything right as a parent Now you can let go of the pressure to make sure your children succeed and instead learn to grow into spiritual maturity by listening to your children     The One Year Praying through the Bible for Your Kids Nancy Guthrie, 2016-10-15 Over 100 000 copies sold The things you want most for your child are the things only God can do so you pray As parents we want to protect our children we want them to move forward in life most importantly we want them to take hold of and grow in Christ And while the advice offered by parenting experts can be helpful at some point we realize there are no simplistic formulas or sure fire methods We need wisdom from God s Word for this all important task In *The One Year Praying through the Bible for Your Kids* trusted author Nancy Guthrie weaves together wisdom and insight from each day s reading in *The One Year Bible* providing a parenting prayer devotional full of encouragement through the triumphs and turbulence of parenting Each of the 365 daily readings contains An anchor Scripture verse for the day A devotional reflection on that Scripture offering truth and hope for parents to take hold of Fresh words to help you pray for your child Verses to follow along with the One Year Bible Reading Plan Day by day you ll find your dreams and desires for your children are becoming shaped more by Scripture than

by the culture around you Worry less pray more and help yourself to a daily dose of hope perspective and grace as you parent

**Foundations of Faith (Parent Guide)** Kim Sorgius,2015-09-14 The Bible calls us to teach our children diligently But in the wake of disappointing court rulings and scandalous baby killing videos the question must be asked Do our kids REALLY know what we believe Are we giving our kids the tools they need to stand strong and defend their faith or are we letting them eat out of the hands of wolves Foundations of Faith is a study like no other The goal is simple to help your family talk about tough issues and develop a statement of faith that will be a keepsake and teaching tool for years to come The study starts with a 7 lesson Bible study of the basics of the Christian faith Section two contains space to record your family s specific beliefs Rest assured you are not told what to think about these very important issues but are provided with Scripture additional reading and thoughtful questions to ponder as you consider each of the issues at hand It s very important that families consider the facts as they develop their statement of faith This study is designed for the whole family to complete together The parent guide contains notes and suggestions as well as a place to record your statement of faith for each topic The youth and junior versions contain age appropriate spaces for recording as well Please note The 7 day Bible study at the beginning is exactly the same for all levels

**It's All about Jesus Bible Storybook** ,2018 [A Simple Guide for Bible Study](#) Michael Nwaduba,2008 A SIMPLE GUIDE FOR BIBLE STUDY Has been specially put together by Michael Nwaduba to provide a step by step guide for everyone doing Bible Study The Bible is full of the precious promises of God The

*The Misunderstood* Ekpo Bassey, 2022-04-06 From the Garden of Eden where blaming games originated and through that our God has been misunderstood This is the main theme of this book that we see how God is viewed as the originator of our problems In reality He is there to protect and save us from all unrighteousness The problem we have is that we do not exercise the patience to wait on God's timing on whatever circumstances that we are challenged with Therefore we then apply human reasoning to our circumstances instead of viewing things in God's perspective To borrow my spiritual father Charles Stanley's saying we should obey God and leave all consequences to Him If we learn to trust God and obey Him even if it doesn't seem favorable to our human reasoning we are positioned to be successful I have a strong confidence in the Lord that this book will open the eyes of people to see that God is a loving Father to all
