Television and the Quality of Life Robert Kubey, Mihaly Csikszentmihalyi, 2013-12-02 Employing a unique research methodology that enables people to report on their normal activities as they occur the authors examine how people actually use and experience television and how television viewing both contributes to and detracts from the quality of everyday life Studied within the natural context of everyday living and drawing comparisons between television viewing and a variety of other daily activities and leisure pursuits this unusual book explores whether television is a boon or a

detriment to family life how people feel and think before during and after television viewing what causes television habits to develop and what causes heavy viewing and what heavy viewing causes in the short and long term Television and the Quality of Life also compares the viewing experience cross nationally using samples from the United States Italy Canada and Germany and then interprets the findings within a broad theoretical and historical framework that considers how information use and daily activity contribute to individual familial societal and cultural development *Growing Up With Television* Joellen Fisherkeller, 2011-01-19 This text examines the uses and power of television in youth culture Young people discuss their hopes for the future as well as the challenges they currently face and reveal how television plays a role in their everyday life **Love and Ideology in the Afternoon** Russell E. Mumford, 1995-08-22 Why do I like soap operas Laura Stempel Mumford asks and her answer emerges in a feminist analysis of soap opera that participates in current debates about popular culture television and ideology She argues that the conventional daytime soap has an implicit and at times explicit political agenda that cooperates in the teaching of male dominance and the related oppressions of racism classism and heterosexism so that they seem inevitable All My Children General Hospital Another World One Life to Live Days of Our Lives The Young and the Restless a close reading of their texts will also answer some larger questions about television and its place in the broad landscape of popular culture Children and the Media Everette E. Dennis, 2017-09-08 Throughout history the media has primarily been produced by adults for adults about adults Increasingly children have become a matter of high priority in the modern media society and as they have they have also become the subject of much concern From debates in Congress about the detrimental effects of movies comic books and video games over the last century to efforts to court children as media consumers there is a clear recognition that the media are not now and probably never were purely adult fare Their impact on children is at issue Middle Childhood Moira Borland, 1998 The period of childhood which falls between the early years and adolescence is a comparatively neglected area of study In its combination of viewpoints set against a background of related research law policy and practice this book offers a rich and challenging study of an important period of the child's development The Routledge Handbook of Family Communication Anita L. Vangelisti, 2012-11-27 With a synthesis of research on issues key to understanding family interaction as well as an analysis of many theoretical and methodological choices made by researchers studying family communication the Handbook serves to advance the field by reframing old questions and stimulating new ones The contents are comprised of chapters covering theoretical and methodological issues influencing current conceptions of family research and theory centering around the family life course communication occurring in a variety of family forms individual family members and their relationships dynamic communication processes taking place in families family communication embedded in social cultural and physical contexts Key changes to the second edition include updates throughout providing a thorough and up to date overview of research and theory new topics reflecting the growth of the discipline including chapters on singles as family members

emerging adults and physiology and physical health Highlighting the work of scholars across disciplines communication social psychology clinical psychology sociology family studies and others this volume captures the breadth and depth of research on family communication and family relationships The well known contributors approach family interaction from a variety of theoretical perspectives and focus on topics ranging from the influence of structural characteristics on family relationships to the importance of specific communication processes *ThirdWay*, 1987-05 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture
