Thomas Berner, 1992 Discusses how children of divorce behave as parents what adjustments they made in their lives whether or not they would divorce the role of divorced grandparents and how many grown children have attempted reconciliation with their parents Paper edition 139 X 14 95 Annotation copyrighted by Book News Inc Portland OR

My Parents are Divorced Too Melanie Ford, Annie Ford, Steven Ford, Jann Blackstone-Ford, 2006 Three stepsiblings in a blended family discuss their experiences and those of friends with divorce and remarriage

Overcoming Your Parents' Divorce Elisabeth Joy LaMotte, 2008 A guide for adult children of divorce that discusses how to identify their inherited distrust of relationships and go on to have rich fulfilling and lasting relationships of their own

Divorcing Children Ian Butler, 2003 Drawing on a three year multidisciplinary study of the children of divorced parents the authors leading academics in their fields present a much needed guide to working with children who are experiencing parental separation Providing an in depth picture of the effect of divorce on children both during and after the proceedings the topics discussed include how parents break the news of divorce to children and how this makes them feel where children get their ideas about divorce from how parent child relationships change after separation ways in which children adapt and cope with divorce

Home Will Never Be the Same Again Carol R. Hughes, Bruce R. Fredenburg, 2020 Adult children are often overlooked and forgotten when their parents divorce later in life but in these pages they will find comfort and understanding for the many feelings frustrations and challenges they face For more than two decades a silent revolution has been occurring and creating a seismic shift in the American family and families in other countries It has been unfolding without much comment and its effects are being felt across three to four generations more couples are divorcing later in life Called the gray divorce revolution the cultural phenomenon describes couples who divorce after the age of 50 Overlooked in the issues that affect couples divorcing later in life are the adult children of divorcing parents Their voices open this book and they are the voices of men and women 18 to 50 years old Some of them are single some are married Some have children of their own All of them are in different stages of shock fear and sudden dramatic change In *Home Will Never Be the Same* A Guide for Adult Children of Gray Divorce Carol Hughes and Bruce Fredenburg share their deep understanding gained during the innumerable hours they have spent with these women and men in their clinical practices The result is a valuable resource for these too often forgotten adult children many of whom find that whenever they express their feelings and experiences the most important people in their lives frequently ignore and dismiss them As the divorce rate for older adults soars so too does the number of adult children who are experiencing parental divorce Yet these adult children frequently say that they are the only ones who are aware of what they are going through no one understands what they are experiencing and they feel painfully alone

Parenting Apart Christina McGhee, 2011-06-02 When a marriage ends the most important thing divorcing parents can do is to help their children through this difficult transition and remain united as parents even if they

are no longer united as a couple In Parenting Apart divorce coach Christina McGhee offers practical advice on how to help children adjust and thrive during and after separation and divorce She looks at all the different issues parents may face with their children of different ages offering immediate solutions to the most critical parenting problems divorce brings including When to tell your children about the divorce and what to say How to create a loving secure home if your child doesn't live with you full time What to do if your child is angry or sad How to manage the legal system including information on family law and issues of custody How to deal with a difficult ex This is an invaluable resource that offers parents quick access to the information you most need at a time when you need it most **Understanding the Divorce Cycle** Nicholas H.

Wolfinger,2005-06-06 Growing up in a divorced family leads to a variety of difficulties for adult offspring in their own partnerships One of the best known and most powerful is the divorce cycle the transmission of divorce from one generation to the next This book examines how the divorce cycle has transformed family life in contemporary America by drawing on two national data sets Compared to people from intact families the children of divorce are more likely to marry as teenagers but less likely to wed overall more likely to marry people from divorced families more likely to dissolve second and third marriages and less likely to marry their live in partners Yet some of the adverse consequences of parental divorce have abated even as divorce itself proliferated and became more socially accepted Taken together these findings show how parental divorce is a strong force in people's lives and society as a whole **The Love They Lost** Stephanie

Staal,2001-09-01 Reveals how children who experienced their parents divorce in the 1960s 1970s and 1980s developed fears of abandonment and betrayal which continues to influence their ability to develop and commit to adult relationships [You Make Your Parents Super Happy!](#) Richy K.
