Jordan, 1995-01-01 The Paris we know today with its grand boulevards its bridges and parks its monumental beauty was essentially built in only seventeen years in the middle of the nineteenth century In this brief period whole neighborhoods of medieval and revolutionary Paris over crowded dangerous and filthy were razed and from the rubble a modern city of light and air emerged This triumphant rebuilding was chiefly the work of one man Baron Georges Haussmann Napoleon III's Prefect of the Seine It was Haussmann's task to assert in stone the power and permanence of Paris to show the world that it was the seat of an empire of mythic proportions To this end he imposed grand visual perspectives as when he transformed Napoleon I's Arc de Triomphe into a magnificent twelve armed star from which radiated the broadest boulevards of Europe Below ground his modern sewer system became one of the wonders of the civilized world eagerly toured by royalty and commoners alike Haussmann's mandate was not only to create an impression of grandeur but to secure the city for better control by government By creating formal spaces where there had previously been a maze of chaotic streets Haussmann opened Paris to effective police control and thwarted the recurrent demonstration of its well known

revolutionary fervor The determined and autocratic Haussmann imprinted rational order and bourgeois civility on the unruly city which had for so long simmered with riot and insurrection Though he planted chestnut trees installed gas lights rebuilt the water supply and improved transportation and housing Haussmann's labors were and remain controversial He forced tens of thousands of the poor from the center of the city and destroyed significant parts of old Paris But in this important new biography David Jordan reminds us that Haussmann was not immune to the charms of the old city By leaving some areas intact the Baron achieved the grand effect of implanting a modern city boldly within an ancient one Here at last Haussmann's labors are given the aesthetic as well as the historical appreciation they deserve *Spectacular Paris* William

Scheller, 2014-03-25 An outstanding gift or souvenir in a new affordable package *Spectacular Paris* celebrates all that shines in the wonderful City of Light In this celebration and photographic portrait *Spectacular Paris* brings the best of this awe inspiring city into sharp focus capturing the unending beauty lure culture and magnificence of this unique city Paris is home to some of the world's greatest landmarks including the Eiffel Tower the Louvre the Cathedral of Notre Dame and the Pantheon There is hardly any corner in Paris where you are not confronted with beauty and decor it is layered with architectural history and culture and has magnificently decorated buildings of royal religious and secular purpose at every turn and corner Ancient Gothic Renaissance baroque and modern architecture meld together in a city laid out upon the banks of the Seine This is the perfect book for those who have been captured by the romance and beauty of Paris **Paris**
