**Citizenship between Empire and Nation** Frederick Cooper, 2016-05-31 A groundbreaking history of the last days of the French empire in Africa As the French public debates its present diversity and its colonial past few remember that between 1946 and 1960 the inhabitants of French colonies possessed the rights of French citizens Moreover they did not have to conform to the French civil code that regulated marriage and inheritance One could in principle be a citizen and different too Citizenship between Empire and Nation examines momentous changes in notions of citizenship sovereignty nation state and empire in a time of acute uncertainty about the future of a world that had earlier been divided into colonial empires Frederick Cooper explains how African political leaders at the end of World War II strove to abolish the entrenched distinction between colonial subject and citizen They then used their new status to claim social economic and political equality with other French citizens in the face of resistance from defenders of a colonial order Africans balanced their quest for equality with a desire to express an African political personality They hoped to combine a degree of autonomy with participation in a larger Franco African ensemble French leaders trying to hold on to a large French polity debated how much autonomy and how much equality they could concede Both sides looked to versions of federalism as alternatives to empire and the nation state The French government had to confront the high costs of an empire of citizens while Africans could not agree with French leaders or among themselves on how to balance their contradictory imperatives Cooper shows how both France and its former colonies backed into more national conceptions of the state than either had sought

BOOK JACKET      [A Velvet Empire](#) David Todd, 2023-09-26 How France s elites used soft power to pursue their imperial ambitions in the nineteenth century After Napoleon s downfall in 1815 France embraced a mostly informal style of empire one that emphasized economic and cultural influence rather than military conquest A Velvet Empire is a global history of French imperialism in the nineteenth century providing new insights into the mechanisms of imperial collaboration that extended France s power from the Middle East to Latin America and ushered in the modern age of globalization David

Todd shows how French elites pursued a cunning strategy of imperial expansion in which conspicuous commodities such as champagne and silk textiles together with loans to client states contributed to a global campaign of seduction French imperialism was no less brutal than that of the British But while Britain widened its imperial reach through settler colonialism and the acquisition of far flung territories France built a velvet empire backed by frequent military interventions and a broadening extraterritorial jurisdiction Todd demonstrates how France drew vast benefits from these asymmetric imperial like relations until a succession of setbacks around the world brought about their unravelling in the 1870s A Velvet Empire sheds light on France s neglected contribution to the conservative reinvention of modernity and offers a new interpretation of the resurgence of French colonialism on a global scale after 1880 This panoramic book also highlights the crucial role of collaboration among European empires during this period including archrivals Britain and France and cooperation with indigenous elites in facilitating imperial expansion and the globalization of capitalism

**Empires of Sand** David W. Ball, From the mysteriously beautiful richly hued landscape of the Saharan mountains to the sumptuous splendor of nineteenth century Paris Empires of Sand is a novel that takes us on an extraordinary powerfully emotional journey In a clash between two civilizations two men of common blood discover that in war love and even family they are both destined to be outsiders The year is 1870 The proud Republic of France is crumbling under the onslaught of the Prussian army Paris is under siege Too young to understand the shifting fortunes of the empire two boys forge a bond with their breathless adventures in the tunnels beneath the threatened city Paul deVries is the cousin and constant companion of Michel deVries called Moussa whose world explorer father shocked Paris with his marriage to a noblewoman of the Sahara Moussa will inherit the title of count Paul is destined to be a soldier like his father But tragic events will send Moussa fleeing to his mother s homeland with its brooding mountains its hidden caves and fortresses And the two boys who have been the closest of friends are fated as men to become the bitterest of enemies victims of history and the scheming of scoundrels They meet again on the Sahara s blazing sands one as part of a foolhardy French expeditionary force the other with the nomadic Tuareg a majestic race of veiled warriors who live and die by flashing swords and a harsh desert code of honor On this unforgettable ever shifting landscape Paul and Moussa are swept into another war one far more brutal than anything they have experienced Paul is obsessed with a quest for personal vengeance and honor And Moussa in love with a woman betrothed to an implacable Tuareg warrior searches for the peace he knew as a child in France Now they both face a challenge of sheer harrowing survival whether to follow the call of their shared blood or the destiny written in the treacherous sands Empires of Sand is a grand novel of adventure in the best tradition of historical fiction With its astounding scenes of the desert and its rich cast of characters soldiers lovers slaves and zealots this is a reading experience to be treasured and remembered long after the final page is turned

**Paris Reborn** Stephane

Kirkland,2013-04-02 Stephane Kirkland gives an engrossing account of Napoleon III Baron Haussmann and one of the greatest transformations of a major city in modern history Traditionally known as a dirty congested and dangerous city 19th Century Paris France was transformed in an extraordinary period from 1848 to 1870 when the government launched a huge campaign to build streets squares parks churches and public buildings The Louvre Palace was expanded Notre Dame Cathedral was restored and the French masterpiece of the Second Empire the Op ra Garnier was built A very large part of what we see when we visit Paris today originates from this short span of twenty two years The vision for the new Nineteenth Century Paris belonged to Napoleon III who had led a long and difficult climb to absolute power But his plans faltered until he brought in a civil servant Georges Eug ne Haussmann to take charge of the implementation Heedless of controversy at tremendous cost Haussmann pressed ahead with the giant undertaking until in 1870 his political enemies brought him down just months before the collapse of the whole regime brought about the end of an era Paris Reborn is a must read for anyone who ever wondered how Paris the city universally admired as a standard of urban beauty became what it is **Prince of Europe** Philip Mansel,2003 The Habsburg courtier Charles Joseph Prince de Ligne seduced and symbolized 18th century Europe Speaking French the international language of the day he travelled between Paris and St Petersburg charming everyone he met He stayed with Madame du Barry dined with Frederick the Great and travelled to the Crimea with Catherine the Great But Ligne was more than a frivolous charmer He participated in and recorded some of the most important events and movements of his day the Enlightenment the struggle for mastery in Germany the decline of the Ottoman Empire the birth of German nationalism and the wars to liberate Europe from Napoleon He had surprisingly radical views believing for example in property rights for women legal rights for Jews and the redistribution of wealth He was also a highly respected writer and his books on gardens his letters from the Crimea and his epigrams are considered minor classics of French literature *Napoleon 1814* Andrew Uffindell,2009 In 1814 after two successive years of defeat in Russia and central Europe Napoleon was faced with the ultimate disaster an Allied invasion of France itself The conduct of the intense fast moving campaign that followed has been widely hailed as one of his greatest feats as a commander yet it has rarely been described fully and objectively Andrew Uffindell in this gripping and original study reconstructs the campaign reassesses Napoleon s military leadership and provides a masterly account of a campaign that helped shape modern Europe AUTHOR Andrew Uffindell is a leading British military historian and one of the outstanding modern writers on the Napoleonic Wars His most recent books include Napoleon s Immortals a major reassessment of the Imperial Guard using previously unpublished material from the French archives and The National Army Museum Book of Wellington s Armies which was part of a series that collectively won the Royal United Services Institute s Duke of Westminster Medal for Military Literature Among his many other books are Waterloo Commanders Great Generals of the Napoleonic Wars and The Eagle s Last Triumph a study of Napoleon s final victory at Ligny SELLING POINTS Exciting new account of the pivotal 1814 campaign

Demolishes the popular myths Uses unpublished archive material Reassesses Napoleon as a commander Reveals the untold stories of the campaign Fully illustrated with maps diagrams and photographs of the battlefields today ILLUSTRATIONS 30 illustrations The Literary Review ,2001 **Book Review Digest** ,2002 **Tales of Two Cities** Jonathan Conlin,2013-10-21 Paris and London have long held a mutual fascination and never more so than in the period 1750 1914 when they vied to be the world s greatest city Each city has been the focus of many books yet Jonathan Conlin here explores the complex relationship between them for the first time The reach and influence of both cities was such that the story of their rivalry has global implications By borrowing imitating and learning from each other Paris and London invented the true metropolis Tales of Two Cities examines and compares five urban spaces the pleasure garden the cemetery the apartment the restaurant and the music hall that defined urban modernity in the nineteenth century The citizens of Paris and London first created these essential features of the modern cityscape and so defined urban living for all of us *The Salisbury Review* ,2000
