setting out to return it to its rightful owner It was passed to him by the small team of heroic librarians who have begun the monumental task of combing through Berlin s public libraries to identify the looted books and reunite them with the families of their original owners For those who lost relatives in the Holocaust these books are often the only remaining possession of their relatives they have ever held And as Rydell travels to return the volume he was given he shows just how much a single book can mean to those who own it **Subject Catalog, 1981** Library of Congress,1981 **Hollywood War Films, 1937-1945** Michael S.
