**The Search for a Symbol** William R. H. Haughton,2022-03-24 A New Creed is by all accounts a dominant feature of The United Church of Canada Since its initial writing in 1968 it has come to be a primary symbol of the denomination in the ancient Christian baptismal sense of the word and also in the modern The Search for a Symbol reveals the fascinating and largely untold story of A New Creed s origins It also engages in an unprecedented historical literary and theological analysis of the creed s text This book offers the provocative argument that though A New Creed should continue to have a place in the life and liturgy of Canada s largest Protestant church it does not take full advantage of the possible benefits that can come from healthy practices of creedal confession namely teaching people about the biblical story of salvation as well as connecting them in relationship with God and one another For these

purposes the Apostles and Nicene Creeds are shown to be better confessional options and readily available ones within The United Church's tradition      *Bearing Fruit in Due Season* Elizabeth J. Smith, 1999 *Bearing Fruit in Due Season* calls upon biblical scholars to pay attention to what happens when academic biblical studies meet the worshiping Church. It also provides the keys to a treasury of feminist biblical interpretation to enrich both the makers of liturgy and all the people who worship.
