Paris/Pretoria African Continent:

Paris, Pretoria and the African Continent Jean-Pascal Daloz, Chris Alden, 2016-07-27 France and South Africa for two generations the premier powers on the African continent are at a crossroads With the ending of apartheid and the Cold War the divisive politics of the recent past are being replaced by a new dynamism of cooperation Analysing the nature of this complex web of economic and political association is critical to a better understanding of the future direction of this most central of relationships in Africa Bringing together a host of noted scholars and practitioners in African international relations from both France and South Africa this book addresses the changing nature of this relationship and its implications for the future of the continent

Sanctions and Honorary Whites Masako Osada, 2002-02-28 This study critically examines for the first time the unlikely friendship between apartheid South Africa and non white Japan In the mid 1980s Japan became South Africa's largest trading partner while South Africa purportedly treated Japanese citizens in the Republic as honorary whites under apartheid Osada probes the very different foreign policy making mechanisms of the two nations and analyzes their ambivalent bilateral relations against the background of postcolonial and Cold War politics She concludes that these diplomatic policies were adopted not voluntarily or willingly but out of necessity due to external circumstances and international pressure Why did Japan exercise sanctions against South Africa in spite of their strong economic ties How effective were these sanctions What did the sensational term honorary whites actually mean When and how did this special treatment begin How did South Africa get away with apparently treating the Japanese as whites but not Chinese other Coloureds Indians and so forth By using Japan's sanctions against South Africa and South Africa's honorary white treatment of the Japanese as key concepts the author describes the development of bilateral relations during this unique era The book also covers the fascinating historical interaction between the two countries from the mid 17th century onward

The Road to Democracy in South Africa South African Democracy Education Trust, 2024-12-02 This book covers the contributions of various international organisations governments and their peoples and solidarity organisations to the liberation struggle in South Africa With emphasis on international solidarity with the liberation struggle the subject matter in this book examines and analyses the events leading to the settlement of democracy in South Africa with a focus on the events leading to the banning of the liberation movements the various strategies and tactics adopted in pursuit of the democratic struggle and the events leading to the advent of democracy Print editions not for sale in Sub Saharan Africa This book is part of Routledge's co published series 30 Years of Democracy in South Africa in collaboration with UNISA Press which reflects on the past years of a democratic South Africa and assesses the future opportunities and challenges

Francophone Africa at fifty Tony Chafer, Alexander Keese, 2015-11-01 France's presence on the African continent has often been presented as cooperation and part of French cultural policy by policy makers in Paris and quite as often been denounced as the longest scandal of the republic by French academics and African intellectuals Between the last years of French colonialism and France's sustained

interventions in former African colonies such as Chad or Côte d'Ivoire during the 2000s the legacy of French colonialism has shaped the historical trajectory of more than a dozen countries and societies in Africa The complexities of this story are now for the first time addressed in a comprehensive series of essays based on new research by a group of specialists in French colonial history The book addresses the needs of both academic specialists and those of students of history and neighbouring disciplines looking for structural analysis of key themes in France's and Africa's shared history

The Ashgate Research Companion to Regionalisms J. Andrew Grant, 2016-03-23 EU studies increasingly recognize the salience of new regional insights Hence this collection of original essays provides a broad overview of regionalism together with detailed analyses on the construction activities and implications of both established and emerging examples of formal political and economic organizations as well as informal regional entities and networks Aimed at scholars and students interested in the continuing growth of regionalism The Ashgate Research Companion to Regionalisms is a key resource to understanding the major debates in the field Organized into three main sections this volume deals with a wide range of issues covering the following important research areas Section one covers theoretical and methodological approaches to the study of established and formal regionalism emerging and informal regionalism inter regionalism and levels of regionalism Section two provides detailed case studies of established and formal regionalisms EU NAFTA ASEAN SAARC OAS MERCOSUR AU ECOWAS and SADC Section three offers case studies that investigate emerging and informal regionalisms in Oceania the Arab League BRICSAM and the Commonwealth's as well as thought provoking chapters on micro regional processes evident in spatial development initiatives transnational gangs transfrontier conservation areas and the migration conflict nexus in natural resource sectors With the study of regionalism becoming an increasingly important part of politics international relations development and global studies courses this comprehensive volume is a valuable addition for classroom use

The Routledge Handbook of French Politics and Culture Marion Demossier, David Lees, Aurélien Mondon, Nina Parish, 2019-11-12 The Routledge Handbook of French Politics and Culture provides a detailed survey of the highly differentiated field of research on French politics society and culture across the social sciences and humanities The handbook includes contributions from the most eminent authors in their respective fields who bring their authority to bear on the task of outlining the current state of the art research in French Studies across disciplinary boundaries As such it represents an innovative as well as an authoritative survey of the field representing an opportunity for a critical examination of the contrasts and the continuities in methodological and disciplinary orientations in a single volume The Routledge Handbook of French Politics and Culture will be essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research on French politics society and culture

An Economic History of Imperial Madagascar, 1750-1895 Gwyn Campbell, 2005-03-14 The first comprehensive economic history of pre colonial Madagascar this study examines the island's role from 1750 to 1895 in the context of a burgeoning international

economy and the rise of modern European imperialism This study reveals that the Merina of the Central Highlands attempted to found an island empire and through the exploitation of its human and natural resources build the economic and military might to challenge British and French pretensions in the region Ultimately the Merina failed due to imperial forced labour policies and natural disasters the nefarious consequences of which disease depopulation ethnic enmity have in traditional histories been imputed external capitalist and French colonial policies

Mozambique and the Construction of the New African State Chris Alden, 2001-07-19 An original study of the internationally inspired effort to rebuild this war torn African country It seeks to understand the role of the international community in constructing a new kind of African state in the aftermath of conflict and socialism At the heart of the book is the question of sustainability of the post conflict African state against the backdrop of the multiple legacies of war socialism and regional and international intervention upon an enervated Mozambican society

Beyond the Emergency Jeremy Giner, 2013-09-13 This volume focuses on the issue of development within the UN peace mission It examines a number of critical issues relating to the interface between development relief and peacekeeping including institutional coordination the implementation of development in the field and the contending philosophies that sometimes underpin military and developmental approaches to human security Not least it poses the question of how sustainable development fits within the post conflict space of UN peace missions

Liberia's Civil War Adekeye Adebajo, 2002 This text aims to unravel the tangled web of the conflict by addressing questions including why did Nigeria intervene in Liberia and remain committed throughout the seven year civil war and to what extent was ECOMOG's intervention shaped by Nigeria's hegemonic aspirations

Regionalization and Globalization in the Modern World Economy Alex E. Fernández Jilberto, André Mommen, 2017-03-16 Originally published in 1998 This collection of outstanding essays explores the importance of regionalization and globalization to the world economy International contributions explore the process of regionalization in the Pacific Area The Americas Africa and Europe and question whether the world economy is characterized by increasing regionalization rather than globalization The book is an excellent contribution to debate on development economics It investigates how the processes of globalization and regionalization driven by liberalization of trade and capital markets weaken nationally established monopolies and protected industries and it looks at the challenge to Third World nations and the countries of the former socialist bloc

The Caspian Region, Volume 1 Moshe Gammer, 2004-06-25 Following the dissolution of the Soviet Union in the 1990s new states most of them muslim emerged in central Asia and the Caucasus These new states proved to be both oil rich and central in the strip of conflict and instability that stretches from central Europe to the Far East This volume draws attention to previously neglected issues which could result in conflict the water problem and negotiation in central Asia the issues of Southern Azerbaijan Ajaria and Javakheti the many problems of multi ethnic Daghestan two attempts at unity in the Northern Caucasus The book also re examines some of the established truths regarding the states around the Caspian Sea and re evaluates the validity of the term Caspian region

and the question of who should be included in this new region the general belief that the Caspian region will be a geopolitical centre of the 21st century the axiom that the dissolution of the USSR has reopened the Great Game Moreover The Caspian Region thoughtfully re examines the questions of democracy of fundamentalist Islam and of the complex ambivalent relationship between Islam and nationalism in the region

Cooperating for Peace and Security Bruce D. Jones, Shepard Forman, Richard Gowan, 2010 Cooperating for Peace and Security attempts to understand more than fifteen years after the end of the Cold War seven years after 9 11 and in the aftermath of the failure of the United Nations UN reform initiative the relationship between US security interests and the factors that drove the evolution of multilateral security arrangements from 1989 to the present Chapters cover a range of topics including the UN US multilateral cooperation the North Atlantic Treaty Organization NATO nuclear nonproliferation European and African security institutions conflict mediation counterterrorism initiatives international justice and humanitarian cooperation examining why certain changes have taken place and the factors that have driven them and evaluating whether they have led to a more effective international system and what this means for facing future challenges

Sustainability in Algerian Higher Education Salim Bouherar, Sihem Salem, 2025-01-10 This volume provides a comprehensive overview of the current state of sustainability in Algerian higher education It examines the policies initiatives and practices that have been implemented across universities and other educational institutions while also identifying the gaps and opportunities that remain Through case studies interviews and analyses the authors explore how these institutions are working to align their missions with the broader goals of sustainable development and how they are contributing to the national and global discourse on sustainability

Righteous Violence Michael P. O'Keefe, C. A. J. Coady, 2005 Asks whether it is ethical to intervene in humanitarian crises particularly when they occur in nation states alienated from the international community Experts consider the moral and practical aspects of diplomatic military and armed humanitarian intervention in places such as Rwanda East Timor Bosnia and Kosovo

Legitimizing International Organizations Dominik Zaum, 2013-09-26 The importance of legitimacy is widely recognised in the literature on international and regional organizations not least for compliance with their decisions How such organizations claim and sustain their legitimacy however has been insufficiently analysed and understood Through a range of conceptual chapters and case studies this volume examines the legitimization practices of international and regional organizations It examines how international organizations justify and communicate their legitimacy claims and how these practices differ between organizations It also considers the implications of this analysis for global and regional governance

Africa Bibliography 1996 Chris Allen, 1998-11-04 This volume contains works on Africa published during 1996 ,

Expressions of High Status Jean-Pascal Daloz, 2022-09-01 This book is an unprecedented effort to compare representations and practices of social distinction worldwide and over the centuries It is based on years of observation in many countries and on the consultation of more than 2 500 multi disciplinary publications dealing directly or indirectly with

this theme In two previous theoretical volumes on the topic *The Sociology of Elite Distinction* and *Rethinking Social Distinction* welcomed as major breakthroughs Jean Pascal Daloz has established himself as the foremost scholar of symbolic social superiority from a comparative perspective After having rigorously shown the limits of the main analytical frameworks available and outlined a much more inductive approach his new empirical book continues this intellectual journey Taking into consideration all sorts of cases and patterns of meaning it offers an impressive synthesis demonstrating how diverse the expressions of high status can be This comparative work is intended to be a crucial reference point and an important source of inspiration for researchers and students across many fields

Crouching Tiger, Hidden Dragon? Kweku

Ampiah, Sanusha Naidu, 2008 The emergence of China on the world scene is one of the most important phenomena of this century This book focuses on the rapidly growing economic and political influence that China has in Africa Cutting edge contributions from sixteen pan African authors provide an historical and geo political context for understanding the evolving partnership between Africa and China The book features nine detailed country case studies and assesses China's Africa policy and interests in relation to those of other powers It broadens the debate on this crucial topic and ensures that African voices enrich a discourse that could well determine the future of the continent
