Annual Report ,1913

On Thin Ice Richard Ellis,2009-11-17 From a graceful writer who s written some of the best natural history books of the past decade The New York Times Book Review comes an urgent stirring celebration and a rallying cry on behalf of one of earth s greatest natural treasures Polar bears fierce and majestic have captivated us for centuries Feared by explorers revered by the Inuit and beloved by zoo goers everywhere they are a symbol for the harsh beauty and muscular grace of the Arctic But as global warming threatens the ice caps integrity the polar bear has also come to symbolize the environmental peril that has arisen due to harmful human practices In the past twenty years alone the world population of polar bears has shrunk by half Today they number just 22 000

Last Chance Tourism Harvey Lemelin,Jackie Dawson,Emma J. Stewart,2013-03 Concerns over vanishing destinations such as the Great Barrier Reef the Everglades of Florida the ice cap on Mt Kilimanjaro and the Maldives have prompted some travel operators and tour agencies to recommend these destinations to consumers before they disappear This is the first book to empirically examine and evaluate

this contemporary tourism development providing a new angle on the effects of global change and pressures of visitation on tourism destinations It aims to develop the conceptual definition of last chance tourism examine the ethics surrounding this type of travel and provide case studies highlighting this form of tourism in different regions In particular it critically reviews the advantages of publicizing these vulnerable destinations to raise awareness and promote conservation efforts but also the issue of attracting more tourists seeking to undergo such experiences before they are gone forever accelerating the negative impacts It further examines current trends discusses escalating challenges and highlight future opportunities [The Polar Express](#) Chris Van Allsburg,2010-09 Late on Christmas Eve a boy boards a mysterious train that waits for him the Polar Express bound for the North Pole When he arrives there Santa offers him any gift he desires The boy modestly asks for one bell from the reindeer s harness It turns out to be a very special gift for only believers in Santa can hear it ring **The Complete Idiot's Guide to Global Warming** Michael Tennesen,2008 The rapid warming of the Earth s climate has been a concern for decades In the past there were sceptics who either doubted global climate change altogether or who at least doubted that humanity was the cause but today almost all scientists agree that a global warming trend is evident and caused by human activity Though many of us understand that this means temperatures will on average rise the science and the resulting social economic and political implications of such a change are far reaching and complex *The Rough Guide to China (Travel Guide eBook)* Rough Guides,2017-06-01 The new fully updated The Rough Guide to China is the definitive guide to this enchanting country one of the world s oldest civilisations From the high tech cities of Hong Kong and Shanghai to minority villages in Yunnan and Buddhist temples of Tibet China s mixture of modernity and ancient traditions never fails to impress With stunning new photography and all the best places to eat sleep party and shop The Rough Guide to China has everything need to ensure you don t miss a thing in this fast changing nation Detailed full colour maps help you find the best spot for Peking duck or navigate Beijing s backstreets Itineraries make planning easy and a Contexts section gives in depth background on China s history and culture as well language tips with handy words and phrases to ease your journey All this combined with detailed coverage of the country s best attractions from voyages down the Yangzi River to hiking the infamous Great Wall makes The Rough Guide to China the essential companion to delve into China s greatest treasures **The city guide for Harbin (???)** YouGuide Ltd, *Explore America: The 2025 National Parks Wall Calendar* Orval Harrison,2025-03-25 Experience the breathtaking beauty of America s national parks with our stunning 2025 wall calendar Each month immerse yourself in captivating images that showcase the iconic landmarks diverse wildlife and majestic landscapes that make our parks so special From the vibrant deserts of the Southwest to the rugged peaks of the Rockies and the serene coastlines of the Pacific our calendar takes you on a year long journey through America s natural treasures Admire the towering redwoods of Muir Woods witness the Old Faithful geyser in Yellowstone and marvel at the stunning views from the Grand Canyon Designed to inspire and motivate our calendar features monthly quotes and educational
