The scrutiny finds the judgments technically flawed overcomplicated excessively long and often unduly restrictive As such this book explains how the cases should have been resolved using conventional methods of interpretation this would have produced simpler technically sound judgments Rather like the case of Dred Scott these were easy cases producing bad law Decisions and Orders of the National Labor Relations Board, V. 336, September 28, 2001, Through December 19, 2001, 2003-08-12 NOTE NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT OVERSTOCK SALE Significantly reduced list price while supplies last Includes the decisions and orders of the Board a table of cases and a cross reference index from the advance sheet numbers to the volume page numbers Labor management attornes labor union attorneys employees human resources personnel and students pursuing law degrees may be interested in this volume Some of the cases cited within this volume include the following 12 19
