John Currin: New Paintings Wells Tower,2011-09-13 A catalogue of new work by American artist John Currin one of the world s foremost figurative painters John Currin s work draws upon a broad range of cultural influences that include Renaissance oil paintings 1950s women s magazine advertisements and contemporary politics Labeled as mannerist caricaturist radical conservative or satirist Currin continues to confound expectations and evade categorization While his virtuosic technique is indebted to the history of classical painting the images engage startlingly contemporary ideas about the representation of the human figure Currin paints challengingly perverse images of female subjects from lusty doe eyed nymphs to more ethereal feminine prototypes With his uncanny ability to locate the point at which the beautiful and the grotesque are in perfect balance he produces subversive portraits of idiosyncratic women in conventional settings This much anticipated volume comes four years after the definitive John Currin and it features an interview with the artist by Angus Cook and six short fiction essays by Wells Tower **Dictionary of Artists: Müller -**

Pinchetti Emmanuel Bénézit,2006 First English language edition of Emmanuel B n zit s Dictionnaire critique et documentaire des peintres sculpteurs dessinateurs et graveurs based on the 14 volume French edition published in 1999 It has been revised adapted and updated Preface *Donald Judd Writings* Donald Judd,2016-11-22 With hundreds of pages of new and previously unpublished essays notes and letters Donald Judd Writings is the most comprehensive collection of the artist s writings assembled to date This timely publication includes Judd s best known essays as well as little known texts previously published in limited editions Moreover this new collection also includes unpublished college essays and hundreds of never before seen notes a critical but unknown part of Judd s writing practice Judd s earliest published writing consisting largely of art reviews for hire defined the terms of art criticism in the 1960s but his essays as an undergraduate at Columbia University in New York published here for the first time contain the seeds of his later writing and allow readers to trace the development of his critical style The writings that followed Judd s early reviews are no less significant art historically but have been relegated to smaller publications and have remained largely unavailable until now The largest addition of newly available material is Judd s unpublished notes transcribed from his handwritten accounts of and reactions to subjects ranging

from the politics of his time to the literary texts he admired most In these intimate reflections we see Judd s thinking at his least mediated a mind continuing to grapple with questions of its moment thinking them through changing positions and demonstrating the intensity of thought that continues to make Judd such a formidable presence in contemporary visual art Edited by the artist s son Judd Foundation curator and co president Flavin Judd and Judd Foundation archivist Caitlin Murray this volume finally provides readers with the full extent of Donald Judd s influence on contemporary art art history and art criticism 200 Artworks, 25 Years Susan Tallman, Deborah Wye, 2009 In 2009 the revered Swiss art publication and editions publisher Parkett celebrates its quarter centenary with a comprehensive retrospective collecting all 200 of the artists editions it has produced since 1984 They include Tomma Abts Maurizio Cattelan John Currin Peter Fischli David Weiss Nan Goldin Dan Graham Wade Guyton Zoe Leonard Paul McCarthy Marilyn Minter Cady Noland Raymond Pettibon Richard Prince Charles Ray Gerhard Richter Pipilotti Rist Ed Ruscha Dana Schutz Hiroshi Sugimoto and Christopher Wool to name just a few Originating at the celebrated SANAA designed 21st Century Museum of Contemporary Art in Kanazawa Japan the exhibition builds on previous retrospectives held at Kunsthaus Zurich 2005 the Irish Museum of Modern Art 2002 The Museum of Modern Art New York 2001 and Whitechapel Art Gallery London 2001 Commissioned by Parkett the most important artists of our time have created editions that represent the essence of their art or reveal an unexpected dimension the works cover every possible medium including painting photographs drawings prints sculptures videos DVDs and sound pieces wrote Whitechapel s Iwona Blazwick in 2001 Weighing in at more than 450 pages this super collectible catalogue raisonné produced in conjunction with the 21st Century Museum of Contemporary Art is the most comprehensive catalogue ever produced on Parkett s fabled editions As such it is a unique document of today s art Book Jacket **My Kingdom for a Title** Pope.L, 2021-05 *Social Medium* Jennifer Liese, 2016 Since the turn of the millennium artists have been writing and circulating their writing like never before The seventy five texts gathered here essays criticism manifestos fiction diaries scripts blog posts and tweets chart a complex era in the art world and the world at large weighing in on the exigencies of our times in unexpected and inventive ways Publisher s description *Drawing Now* Laura J. Hoptman, 2002 Published to accompany the exhibition held at the Museum of Modern Art QNS New York 17 October 2002 6 January 2003 **John Currin: Men** Alison M. Gingeras, 2020-03-03 A revealing look at the evolution of male iconography in the work of one of the foremost painters of his generation Since raising the ire of the early 1990s arts establishment with his deliberately provocative portrayals of women John Currin has been best known for his brazen militantly incorrect female iconography Yet Currin has represented a range of masculine identities throughout his career as well This volume is the first to focus exclusively on this aspect of his work examining the evolution of his equally provocative depictions of men It ranges from little known early works on paper and a series of kitschy paintings of men with beards to signature eccentric figures such as the elderly reader in the painting 2070 2005 and his more baroque genre scenes featuring male couples Published to

accompany the exhibition John Currin My Life as a Man at the Dallas Contemporary it offers a revealing new assessment of Currin s pictorial examinations of sexual politics The Forever Now Laura J. Hoptman,2014 Timeless Painting presents the work of 17 contemporary painters whose works reflect a singular approach that is peculiarly of our time they are a temporal a term coined by William Gibson and Bruce Sterling the originators of the cyberpunk aesthetic A temporality or timelessness manifests itself in painting as an ahistoric free for all where contemporaneity as an indicator of new form is nowhere to be found and all eras co exist Published to accompany an exhibition at The Museum of Modern Art that explores the impact of this cultural condition on contemporary painting this publication features work by an international roster of artists including Joe Bradley Kerstin Br tsch Matt Connors Nicole Eisenman Mark Grotjahn Charline von Heyl Julie Mehretu Oscar Murillo Laura Owens and Josh Smith among others An overview essay by curator Laura Hoptman is divided into thematic chapters that explore topics such as re animation and reenactment recontextualization Zombie painting and the concomitant Frankenstein approach which describes a process of stitching together pieces of the history of painting to create a work of art that would be dead but for its juxtaposed parts all working in association with one another to propel the work into life
