The Parkman Reader Francis Parkman,1955 **The Parkman Reader** Francis Parkman,1955 **The Oregon trail** Francis Parkman,1885 **The Battle for North America** Francis Parkman,2001 Originally published in 1889 in 13 volumes this brilliant unequalled work by the most famous American historian of the age has now been skillfully edited into a single edition The wonderfully readable result retains its sharp focus and wonderfully graceful style while eliminating repetitions and archaic phrases Playing out in the dramatic account is the struggle for a continent and the brilliant men who dominated the conflict Champlain La Salle Washington Howe and others By ousting the French from the land the British unwittingly set the stage for their own later defeat Pioneers of France in the New World Francis Parkman,1899

History of the Conspiracy of Pontiac Francis Parkman,1929 **The Conspiracy of Pontiac and the Indian War After the Conquest of Canada** Francis Parkman,1910 *The Parkman Reader* Francis Parkman,2003 **Pioneers of France in the New World** Francis Parkman,1885 Francis Parkman's Works Francis Parkman,1865 **The Parkman Reader** Francis Bacon (Viscount St. Albans),1955 **The Book of Roses** Francis Parkman,1866 *The Parkman Reader, From the Works of Francis Parkman. Jacobs,1991-01-01 A historian who lived the kind of history he wrote Francis Parkman is a major and controversial figure in American historiography His narrative style while popular with readers wanting a good story has raised many questions with professional historians Was Parkman writing history or historical fiction Did he color historical figures with his own heroic self image Was his objectivity compromised by his unbending conservative Brahmin values These are some of the many issues that Wilbur Jacobs treats in this thought

provoking study Jacobs carefully considers the apprenticeship of Francis Parkman first spent in facing the rigors of the Oregon Trail and later in struggling to write his histories despite a mysterious frequently incapacitating illness He shows how these events allowed Parkman to create a heroic self image which impelled his desire for fame as a historian and influenced his treatment of both the noble and the savage characters of his histories In addition to assessing the influence of Parkman s development and personality on his histories Jacobs comments on Parkman s relationship to basic social and cultural issues of the nineteenth century These include the slavery question Native American issues expansion of the suffrage to new groups including women and anti Catholicism

History of the Conspiracy of Pontiac Francis Parkman, 2006-12-01 The conquest of Canada was an event of momentous consequence in American history It changed the political aspect of the continent prepared a way for the independence of the British colonies rescued the vast tracts of the interior from the rule of military despotism and gave them eventually to the keeping of an ordered democracy Yet to the red natives of the soil its results were wholly disastrous Could the French have maintained their ground the ruin of the Indian tribes might long have been postponed but the victory of Quebec was the signal of their swift decline

The Francis Parkman Reader Samuel Eliot Morison, 1998-03-22 Francis Parkman 1823 1893 struggling against painful chronic illnesses and very largely self taught in his field was not only a pioneering historian but an enduring one His monumental seven volume history of discovery conquest and empire building in the New World France and England in North America the final volume Montcalm and Wolfe is available in its entirety from Da Capo Press Perseus Books Group remains unrivaled for its power depth scope accuracy and literary artistry This reader superbly edited by Samuel Eliot Morison the Pulitzer Prize winning historian in the Parkman tradition comprises approximately one seventh of the original Rather than stitch together a patchwork of brief disconnected extracts Morison has chosen whole chapters or groups of chapters thereby allowing the reader to follow a story from start to finish and what stories they are Champlain s efforts to establish a French empire in the vast forest wilderness the torture and martyrdom of Father Jogues La Salle s western expeditions and his murder by mutineers the bloody Deerfield Massacre the improbable madcap and successful siege of Louisbourg the swift dramatic battle on Quebec s Plains of Abraham in which the fate of a continent was decided and much more The result is both an enthralling portrait of early North American colonial history and an unsurpassed introduction to the works of Francis Parkman
