Amie Kreppel

Parliaments And Parties The European Parliament In The Political Life Of Europe:

Parliaments and Parties Roger Morgan, Clare Tame, 2016-07-27 This book analyses the European Parliament's relations with the national parliaments of the European Union in terms of political party interactions institutional arrangements and two way influence Each of the twelve chapters on the member states of the EU covers three main themes the links between party political activity at the European and national levels the degree of cooperation between the national and the European parliaments and the extent to which the national legislature is influenced by the EP's resolutions or other communications

Building Parliament Yves Mény, 2009 **Party Discipline and Parliamentary Government** Shaun Bowler, David M. Farrell, Richard S. Katz, 1999 Brings together empirical studies of the internal cohesiveness of political party groups in European parliaments and the leadership behavior that leads to disciplined parties in parliament in sections on theories and definitions the Westminster Model established continental European systems newly emerging systems and parliamentary discipline and coalition governments Chapters originated as papers presented at a spring 1995 workshop held in Bordeaux France Annotation copyrighted by Book News Inc Portland OR *The Madisonian Turn* Torbjörn Bergman, Kaare

Strøm, 2011-06-14 Parliamentary democracy is the most common regime type in the contemporary political world but the quality of governance depends on effective parliamentary oversight and strong political parties Denmark Finland Iceland Norway and Sweden have traditionally been strongholds of parliamentary democracy In recent years however critics have suggested that new challenges such as weakened popular attachment the advent of cartel parties the judicialization of politics and European integration have threatened the institutions of parliamentary democracy in the Nordic region This volume examines these claims and their implications The authors find that the Nordic states have moved away from their previous resemblance to a Westminster model toward a form of parliamentary democracy with more separation of powers features a Madisonian model These features are evident both in vertical power relations e g relations with the European Union and horizontal ones e g increasingly independent courts and central banks Yet these developments are far from uniform and demonstrate that there may be different responses to the political challenges faced by contemporary Western democracies

The European Parliament and Supranational Party System Amie Kreppel, 2002 This book examines the impact of legislative and political authority on the internal development of the European Parliament **Parliamentary**

Administrations in the European Union Anna-Lena Högenauer, Christine Neuhold, Thomas Christiansen, 2016-04-08 This book offers a comprehensive overview of the role of parliamentary administrations in the control of European Union policy making It questions whether the decision to give parliaments greater powers in the aftermath of the Lisbon Treaty had only the intended effect of political debate on European policies or whether it has also resulted in the bureaucratisation of parliaments The authors argue that the challenges of information management faced by parliaments lead them to delegate an extensive set of tasks to their administrations They offer a broad empirical picture analysing the challenges faced by national

parliaments and the role and response of their administrations in the case of the European Parliament national parliaments and regional parliaments In addition the book studies the interaction between different administrations and their contribution to interparliamentary cooperation It presents a new and different perspective on the challenges and dynamics of multi level parliamentarism **National Parliaments on Their Ways to Europe** Andreas Maurer,Wolfgang Wessels,2001 Gennemgang af de nationale parlamenters tilpasning til udviklingen i EU s institutioner og procedurer *Profession of Government Minister in Western Europe* Jean Blondel,1991-06-18 Despite the apparent political similarities in Western Europe the models of cabinet government employed by different nations vary In exploring the ministerial profession this text reveals the political traditions and the different needs and expectations of citizen and politician alike *Uniting of Europe* Ernst B. Haas,Ernst Haas, Dr,2020-11-15 The University of Notre Dame Press is pleased to bring Ernst Haas s classic work on European integration The Uniting of Europe back into print First published in 1958 and last printed in 1968 this seminal volume is the starting point for anyone interested in the pre history of the European Union Haas uses the European Coal and Steel Community ECSC as a case study of the community formation processes that occur across traditional national and state boundaries Haas points to the ECSC as an example of an organization with the power to redirect the loyalties and expectations of political actors In this pathbreaking book Haas contends that based on his observations of the actual integration process the idea of a united Europe took root in the years immediately following World War II His careful and rigorous analysis tracks the development of the ECSC including in his 1968 preface a discussion of the eventual loss of the individual identity of the ECSC through its absorption into the new European Community Featuring a new introduction by Haas analyzing the impact of his book over time as well as an updated bibliography The Uniting of Europe is a must have for political scientists and historians of modern and contemporary Europe This book is the inaugural volume of Notre Dame s new Contemporary European Politics and Society Series [The Routledge Handbook of Language and Politics](#) Ruth Wodak,Bernhard Forchtner,2017-08-23 The Routledge Handbook of Language and Politics provides a comprehensive overview of this important and dynamic area of study and research Language is indispensable to initiating justifying legitimatising and coordinating action as well as negotiating conflict and as such is intrinsically linked to the area of politics With 45 chapters written by leading scholars from around the world this Handbook covers the following key areas Overviews of the most influential theoretical approaches including Bourdieu Foucault Habermas and Marx Methodological approaches to language and politics covering among others content analysis conversation analysis multimodal analysis and narrative analysis Genres of political action from speech making and policy to national anthems and billboards Cutting edge case studies about hot topic socio political phenomena such as ageing social class gendered politics and populism The Routledge Handbook of Language and Politics is a vibrant survey of this key field and is essential reading for advanced students and researchers studying language and politics **The European Perspective** Tapio Raunio,2019-05-23 First published in 1997

this volume provides a data rich analysis of the party groups in the European Parliament Their internal organisation cohesion and coalition behaviour are examined The main argument is that their internal organisation is a crucial factor in explaining the behaviour of EP party groups Roll call analysis is used to measure group cohesion and coalition behaviour The concept of representation in the transnational EP is studied by a content analysis of members written questions The concluding section sets the work into a broader context by discussing the future of Europarties **Equality in Politics** Julie Ballington,2008

Political Institutions in Europe Josep Colomer,2003-08-29 A clear accessible introduction to the institutional regimes of 15 countries in western Europe by an outstanding team of leading European political scientists Each chapter is devoted either to a single country or to a small group of countries allowing students to draw sophisticated comparisons of their political parties electoral systems and institutions of government at national regional and local level *The SAGE Handbook of European Union Politics* Knud Erik Jørgensen,Mark Pollack,Ben Rosamond,2007-01-03 This volume is one to which anyone trying to make sense of the EU of the early 21st century will return again and again A terrific line up that combines diverse talents from North America and Europe Few books of this kind could live up to the billing definitive benchmark but this one certainly does John Peterson University of Edinburgh A most useful book that can be highly recommended A strong analytical framework coupled with unparalleled coverage of the major issues of the political science research of the EU makes this volume a formidable tool for teaching and a significant input to new scholarly research It is both relatively sophisticated and very accessible to graduate students and advanced researchers The clear writing style and the richness of information presented will certainly make this book interesting for non academic readers Igor Vidacak Institute for International Relations Zagreb Journal of Common Market Studies An admirably comprehensive source book for those interested in how the tools of political science inspire EU area studies The editors enlist leading researchers to synthesize the state of the art in their field of expertise The Handbook of European Union Politics will be an indispensable intellectual resource for researchers teachers and graduate students of the European Union Liesbet Hooghe University of North Carolina at Chapel Hill USA Presents an excellent overview of political science research on the EU It finds the right balance between establishing the state of the art and pointing the reader to theoretical diversity Highly recommended for advanced students and scholars looking for quick and solid orientation in a fragmented field and for new ideas for research Frank Schimmelfennig ETH Zurich Switzerland This is a milestone in the study of EU politics The authors include the most knowledgeable practitioners in the field and collectively they provide a comprehensive and highly competent overview of the state of theory and research on EU institutions politics and policies Fritz Scharpf Max Planck Institute for the Study of Societies Germany The European Union EU poses quite profound questions for scholars and students of the social and political sciences This benchmark handbook is designed to provide an authoritative state of the art guide to the scope of the field suitable for both established scholars and students of the EU reflect and contribute to the debates about the nature of

the field of EU studies and EU politics in particular explore in detail the development of the many approaches to the study of EU politics Divided into four sections the Handbook focuses on theorizing European integration the EU as polity politics and policy making in the EU and the EU and the international system Its appeal will reside not only in its comprehensive and authoritative coverage of the field but also in the quality of its contributors and the diversity of theoretical and methodological approaches included The resulting volume is a must have for all scholars and advanced students of the EU and European integration

Green Parties and Politics in the European Union Elizabeth E. Bomberg, 1998 The goals strategies and impact of Green actors in the EC with case studies including the important German Greens Looks at the relationship between movements and parties and at the Greens alternative of a Europe of the Regions

2019 European Elections, 2022-04-21 The volume aims to combine the overall view on the role of the 2019 European Parliament elections in shaping the future European project with relevant case studies

Developing Democracy in Europe Lawrence Pratchett, Vivien Lowndes, Council of Europe, 2004-01-01 Published as part of the integrated project Making democratic institutions work

The European Council and the Council Uwe Puetter, 2014 The European Council and the Council are presently perhaps the most important European Union institutions yet little is known about the reasons behind the importance of the two bodies This book provides one of the most comprehensive accounts of the leadership roles of the European Council and the Council in European Politics

Delegation and Accountability in European Integration Torbjorn Bergman, Erik Damgaard, 2013-03-07 Analyzing the effects of the European Union on national decision making and the chain of delegation and accountability the authors look at Denmark Finland Sweden Iceland and Norway The analyses are based on principal agent perspective

Democratizing the European Union Catherine Hoskyns, 2000 This series provides texts central to medieval studies courses and focuses upon the diverse cultural social and political conditions that affected the functioning of all levels of medieval society Translations are accompanied by introductory and explanatory material and each volume includes a comprehensive guide to the sources interpretation including discussion of critical linguistic problems and an assessment of recent research on the topics covered From 1348 to 1350 Europe was devastated by an epidemic that left between a third and one half of the population dead This source book traces through contemporary writings the calamitous impact of the Black Death in Europe with a particular emphasis on its spread across England from 1348 to 1349 Rosemary Horrox surveys contemporary attempts to explain the plague which was universally regarded as an expression of divine vengeance for the sins of humankind Moralists all had their particular targets for criticism However this emphasis on divine chastisement did not preclude attempts to explain the plague in medical or scientific terms Also there was a widespread belief that human agencies had been involved and such scapegoats as foreigners the poor and Jews were all accused of poisoning wells The final section of the book charts the social and psychological impact of the plague and its effect on the late medieval economy

The Enigmatic Realm of **Parliaments And Parties The European Parliament In The Political Life Of Europe**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
