Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth:

Parliaments and Pressure Groups in Western Europe Philip Norton, 2012-12-06 Pressure groups are fundamental to pluralist societies But what is the relationship between those groups and parliaments This work explores the links between parliaments and pressure groups assessing the extent and impact of the contact that occurs Is pressure group activity beneficial to parliament And what are the implications for the political system *The Uneasy Relationships Between Parliamentary Members and Leaders* Reuven Y. Hazan, Lawrence D. Longley, 2014-04-04 The bases of uneasy member leadership relations their manifestation and sometimes resolution and the consequences of member leadership tension to effective parliamentary performance and policy making are considered in studies ranging from Germany to the US and New Zealand and globally **Parliaments and Citizens** Cristina Leston-Bandeira, 2016-04-22 The relationship between parliaments and citizens is one of the least studied subjects in legislative studies yet this is a crucial dimension to understand parliaments and the role they play in our political systems Furthermore this relationship has gained considerable visibility over the last decade thanks in part to the development of new media but also as a reaction to the trends of political apathy In a context of increasing political disengagement parliamentary discourse shifted attention from the traditionally predominant relationship with government to the relationship with citizens Issues of legitimacy became more directly associated with the link between parliament and citizens resulting in investment in new and more complex mechanisms for contact with citizens even in the more centralised systems This book looks at a wide range of case studies across Europe and beyond assessing overall strategies in the move towards stronger engagement with citizens It assesses the extent to which the shift in discourse has led to actual changes in parliamentary practice This book was published as a special issue of the Journal of Legislative Studies Parliaments in Asia Nizam Ahmed, Philip Norton, 2013-09-13 This is a description and assessment of Asian parliaments It looks at the parliaments of India Bangladesh Korea Japan China Mongolia and Nepal and assesses key variables that determine the impact of parliaments **Ceremony and Ritual in Parliament** Shirin M. Rai, 2013-10-18 Ceremony and Ritual in Parliament breaks new ground in the study of legislatures It combines mainstream historical and social science approaches with cultural theory to consider how parliamentary ritual is constructed through ceremony space and socialisation The focus is on the marginalised groups especially women and members of ethnic minorities who seek inclusion as representatives in democratic legislatures This book assesses aspects of the role that ceremony and ritual in legislatures play especially but not exclusively in their gendered and racialised dimensions Within this broad frame it considers the impact of space identity ritual and or ceremony on the institutional form of parliament how power is shaped within it how the behaviour of members is facilitated constrained and shaped how power and rituals interact to and how they impinge upon the relationships between representative institutions and citizens Contributions are theoretical and empirical comparative or single country studies of national or sub national legislatures They have interdisciplinary historical or

postcolonial perspectives that contribute to this emerging field in the study of parliaments This book was previously published as a special issue of the Journal of Legislative Studies **Post-Communist and Post-Soviet Parliaments** Philip Norton, David M. Olson, 2013-09-13 The sudden collapse of communism stimulated both the rapid emergence of fledgling democracies and scholarly attention to the post communist transition These newly democratized parliaments have been described as parliaments in adolescence This book identifies six parliaments which exemplify the wide range of developments in the new post communist political systems from the stable consolidated democracies to the less stable and more authoritarian states within which their respective parliaments function Finally the post communist parliaments are compared with the presumptively more established west European parliaments This book bridges the usual gap in research between the post communist parliaments and more normal democratic parliaments to develop a common legislative research perspective on both new and established parliaments This book was previously published as a special issue of the Journal of Legislative Studies Parliamentary Communication in EU Affairs Katrin Auel, Tapio Raunio, 2016-03-17 Over the last twenty years the role of national parliaments in EU affairs has gained considerable academic attention Much of the literature however has focused on parliamentary scrutiny and control in EU affairs What tends to be generally overlooked is that the parliamentary communication function is at least as important in EU politics as the control function Democratic legitimacy depends on a vibrant public debate on political solutions and alternatives to allow citizens to make informed political electoral choices and to exercise democratic control Within the EU it is precisely the opacity of policy making processes and the lack of public discourse that have been defined as core problems of democratic legitimacy Here parliaments have the potential to provide an ideal arena for the deliberation of important European issues and thus to help overcome the much lamented distance between European policy processes and the citizens Yet despite parliaments central relevance for the legitimacy of European politics the parliamentary communication function remains so far under researched The volume aims at filling this gap by providing both qualitative and quantitative comparative data on various communication efforts by national parliaments This book was originally published as a special issue in the Journal of Legislative Studies

Parliamentary Opposition in Old and New Democracies Ludger Helms, 2013-10-18 Previously published as a special issue of the Journal of Legislative Studies this volume offers a broad comparative assessment of the many faces of parliamentary opposition in different political legal and cultural settings Issues of political opposition and of parliamentary opposition in particular are at the very heart of the study of democratic processes in different parts of the world Written by leading scholars in the field this book looks both at the core features of the parliamentary opposition itself and its role in the legislative and wider political process This includes an inquiry into the manifold challenges that the parliamentary opposition in many countries has come to face in the more recent past in particular the rise of different non parliamentary opposition actors The countries covered in this volume include the old democracies of the Anglo Saxon world continental Europe and

Japan and the new democracies and democratizing regimes in Central and Eastern Europe Latin America and South Africa Another chapter looks at the manifestations of parliamentary opposition within the multi level system of the European Union

Comparing and Classifying Legislatures David Arter, 2013-09-13 Recent years have witnessed substantial work in the legislative studies field But what do we know about legislatures today and are there clear criteria for comparing and classifying them This is a new review of the state of our knowledge of parliament and tackles key questions Do legislatures matter in legislative terms and if so how much What is the extent of the legislature s control of the legislative process How can we classify legislatures on the basis of their relative legislative performance Five measures of the policy power of parliaments are applied in the country region chapters This book was previously published as a special issue of the leading Journal of Legislative Studies *The Roles and Function of Parliamentary Questions* Shane Martin, Olivier

Rozenberg, 2014-06-03 Parliamentary questions are a feature of almost all national legislatures Despite this we know very little about how questions are used by MPs and what impact questions have on controlling the government This volume advances our theoretical and empirical knowledge of the use of questioning in a number of different parliamentary settings The propensity of parliamentarians to ask questions indicates that the interrogatories are an important tool for measuring an individual legislator s job Ultimately how a parliamentarian chooses to use the questioning tool provides a unique insight into legislator behaviour and role orientation Many of the chapters in this volume provide new empirical measures of legislator activity and use this data to provide new tests of leading theories of legislator behaviour At an institutional level questions provide an important source of information for the chamber and are a critical tool of government oversight as many of the chapters in the volume indicate Evidence of the impact of questions on executive and bureaucratic oversight challenges conventional views of parliaments as weak and ineffective parts of the political process This book was published as a special issue of the Journal of Legislative Studies Delegation and Accountability in European Integration Torbjörn Bergman, Erik

Damgaard, 2000 Analyzing the effects of the European Union on national decision making and the chain of delegation and accountability the authors look at Denmark Finland Sweden Iceland and Norway The analyses are based on principal agent perspective *Post-Communist Parliaments* David M. Olson, Gabriella Ilonszki, 2013-10-18 At the end of the founding or initial decade the new parliaments of post Communist Europe had developed two distinct types democratic and presidentially dominated Whilst in the early years they had been characterised as parliaments in adolescence they have through the second decade continued to improvise but also elaborate their working relationships with both their chief executives and electorates This book examines these adaptations in seven parliaments comparing both among them and with parliaments of west Europe Their changes are traced through four distinct sets in context members internal structure and working relationship with the executive This research develops a common perspective for our understanding of both new and developed legislatures by tracing the steps through which new parliaments begin adapt and become established This book was

published as a special issue of Journal of Legislative Studies Parliamentary Representation in France Olivier Costa, 2017-07-05 Despite real improvements since the beginning of the last decade legislative studies are still underdeveloped in France compared to other modern democracies This weakness is linked to the characteristics of the political system itself the Constitution of 1958 has created a semi presidential regime the centrality of which has been constantly reinforced since The French parliament is thus supposed to be extremely feeble This lack of interest for legislative studies is also to be found in the specificities of French political sociology which pays little attention to institutions As a result very few papers and books deal with French chambers and MPs Yet they are fascinating cases of study for scholars interested in parliamentary representation professionalization of political life and French politics The French parliament and MPs are deeply paradoxical MPs are very attached to the concept of national sovereignty but remain involved at local level and in surgery work the French National Assembly is supposed to be weak but is quite active and influential citizens are more aware of the role of MPs than it seems and their views and values are closer than predicted This book gathers seven papers from the LEGIPAR research project 2008 2012 The project was designed by the contributors to rejuvenate French legislative studies by collecting systematic data on MPs socio biographical profiles and activities conducting face to face interviews gathering exhaustive data on National Assembly activity and organising focus groups to analyse citizens perceptions of their MPs This book was originally published as a special issue of the Journal of Legislative Studies The Internet and European Parliamentary Democracy Xiudian Dai, Philip Norton, 2013-09-13 This book investigates the ethical challenges the internet presents to contemporary parliamentary democracy in Europe and how these challenges are being addressed It fills an important gap current literature until now has largely focused on the study of internet usage by politicians and institutions With the ever widening scope of participation in internet based communication there are widely differing views on its potential social economic and political impact and whether parliamentary democracy will be strengthened or weakened in the information age Key questions include To what extent is the internet being used in parliamentary political communication the ethics of behaviour Should there be any institutional control and monitoring of parliamentarians use of the internet the ethics of code of conduct What impact does the internet have upon the principle of trust and transparency in the context of parliamentary democracy the ethics of accountability The book compares four European parliaments the British European Portuguese and Swedish Parliaments using both quantitative methods questionnaires and survey of websites and qualitative methods workshops and face to face interviews with parliamentarians and parliamentary staff This book was previously published as a special issue of the Journal of Legislative Studies

Parliaments in Contemporary Western Europe Philip Norton, 2013-10-23 The relationship between parliament and government is fundamental to a political system In this volume a distinguished team of specialists explore that relationship and consider to what extent parliaments have the capacity to constrain governments Are there particular institutional

features such as specialisation through committees that enhance their capacity to influence public policy The People's Congresses and Governance in China Ming Xia,2007-10-30 This book provides a balanced assessment of China's communist rule its viability as well as its prospect of democracy The People's Congresses and Governance in China presents a complex but convincing analysis of the transformation of governance in China As the first systemic and theoretical study of China's provincial legislatures it draws our attention to one of the most promising growth points in China's changing constitutional order Through in depth and first hand research the author provides a comprehensive explanation about why the provincial legislatures have acquired institutional maturation and expanded power in the context of Chinese transitional political economy The book portrays an innovative pattern of legislative development sums up pragmatic local strategies for market creation and identifies multiple dynamics for promoting accountability and democracy Based upon the case study of provincial legislatures Ming Xia reveals the formation of a new mode of governance in China's national politics the network structure featuring institutional arrangements and the mohe co operation through competition pattern of interaction abided by the major power players This volume will be of interest to parliamentary scholars and parliamentarians who are concerned with the role of parliaments in transitional politics and economies of both post communist and developing countries It will also appeal to students and researchers of Chinese politics governance and Asian studies

Government-Opposition in Southern European Countries during the Economic Crisis Elisabetta Giorgi,Catherine Moury,2017-12-22 As a result of the financial crisis opposition parties have had to choose between the need to cooperate with the majority in order to contribute to necessary socio economic changes and the opportunity to stress their adversarial position vis vis governments taking radical and unpopular measures This book examines how opposition parties address this dilemma It relies on a qualitative and quantitative analysis of the behaviour of the opposition parties in parliament in light of the socio economic issues that have arisen in recent years It focuses in particular on the impact that the economic malaise has had on the government opposition dynamics in the four southern European democracies most acutely hit by the crisis Greece Italy Portugal and Spain as well as in the European Parliament Each chapter utilizes a combination of empirical data analysis and qualitative process tracking to understand the opposition parties complicated choice between supporting and dissenting This book was originally published as a special issue of the Journal of Legislative Studies From Legislation to Legitimation Cristina Leston-Bandeira,2004-08-02 This book is unique as the only book on the Portuguese parliament in English The Portuguese parliament is a valuable case study to understand the different stages of development of a newly democratic parliament From Legislation to Legitimation shows that as democracy developed the role of the Portuguese parliament changed considerably Whereas in the first years of democracy the Assembleia da Republica was centred on its legislative role during the second decade its legitimation role expanded making scrutiny parliament's main function

Legislatures of Small States Nicholas Baldwin,2013 This book provides a comparative study of the legislatures of small

nations states and territories to explore the extent to which size is a factor in how they function and fulfil the roles and responsibility of a legislature Though the physical nature and environment of states is a neglected subject in political science research this book examines the impact of small state size on the structure and functions of legislatures and contributes to a better understanding of the interplay of physical and social factors Focussing on legislatures in democratic nations or in territories that are parts of democratic units the book features case studies on Malta Bermuda Jersey Guernsey Gibraltar Hong Kong Lesotho Liechtenstein the Isle of Man Commonwealth Caribbean Nunavut Canada Pacific islands Swaziland and Scotland Contributors employ an interdisciplinary approach to examine both the outcomes and causes of different political mechanisms and bring to the surface underlying correlation between small states through their analysis Legislatures of Small States will be of interest to students and scholars of international politics comparative politics and legislative studies

Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth Introduction

In the digital age, access to information has become easier than ever before. The ability to download Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Parliaments And Pressure Groups In Western Europe Philip

Norton The Lord Norton Of Louth has opened up a world of possibilities. Downloading Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth is one of the best book in our library for free trial. We provide copy of Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth. Where to download Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth online for free? Are you looking for Parliaments And Pressure Groups In Western Europe Philip Norton The Lord Norton Of Louth PDF? This is definitely going to save you time and cash in something you should think about.
