Counting Islam Tarek Masoud, 2014-04-28 Why does Islam seem to dominate Egyptian politics especially when the country's endemic poverty and deep economic inequality would seem to render it promising terrain for a politics of radical redistribution rather than one of religious conservatism This book argues that the answer lies not in the political

unsophistication of voters the subordination of economic interests to spiritual ones or the ineptitude of secular and leftist politicians but in organizational and social factors that shape the opportunities of parties in authoritarian and democratizing systems to reach potential voters Tracing the performance of Islamists and their rivals in Egyptian elections over the course of almost forty years this book not only explains why Islamists win elections but illuminates the possibilities for the emergence in Egypt of the kind of political pluralism that is at the heart of what we expect from democracy *The Parliamentary Mandate* Marc van der Hulst, 2000 Undersøgelse af parlamentsmandatet baseret på svar på IPU spørgeskema fra 134 parlamenter Svarene er sammenlignet systematisk med de respektive forfatninger lovgivning og parlamentsforretningsordener **Political Parties in the Arab World** Francesco Cavatorta, 2018-06-30 Examines and critiques Derrida's work in relation to gender sexuality and film **The Rise of Islamism in Egypt** Alaa Al-Din Arafat, 2017-08-11 This book provides an overview of the sudden ascendancy of Islamism in post Mubarak Egypt and a detailed history of the power grab by the Muslim Brotherhood The author argues that liberals and Copts are minor factions and that the Islamists the military and couch party non politically affiliated Egyptians are the true key actors in Egyptian politics Additionally it is posited that ironically Mubarak's coup proofing strategy was responsible for the military turning against him The strained civil military relations in Egypt are examined as are the ideological development of the MB Salafist and jihadist groups and the power struggle between the Islamists and the military **Equality in Politics** Julie Ballington, 2008 *The Parliamentary Debates* Great Britain.
