The Parousia James Stuart Russell, 1887 The Parousia J. Stuart Russell, 1999-02-01 Raises issues important to not only eschatology but also to the debate over Scripture's credibility When the Son of Man Didn't Come Christopher M. Hays, 2016-06-01 The delay of the Parousia the second coming of Christ has vexed Christians since the final decades of the first century This volume offers a critical constructive and interdisciplinary solution to that dilemma The argument is grounded in Christian tradition while remaining fully engaged with the critical insights and methodological approaches of twenty first century scholars The authors argue that the deferral of Christ's prophesied return follows logically from the conditional nature of ancient predictive prophecy Jesus has not come again because God's people have not yet responded sufficiently to Christ's call for holy and godly action God in patient mercy remains committed to cooperating with humans to bring about the consummation of history with Jesus return Collaboratively written by an interdisciplinary and ecumenical team of scholars the argument draws on expertise in biblical studies systematics and historical theology to fuse critical biblical exeges with a powerful theological paradigm that generates an apophatic and constructive Christian eschatology The authors however have done more than tackle a daunting theological problem as the group traverses issues from higher criticism through doctrine and into liturgy and ethics they present an innovative approach for how to do Christian theology in the twenty first century academy In The Days of These Kings: The Book of Daniel in Preterist Perspective Jay Rogers, 2018-01-08 And in the days of these kings shall the God of heaven set up a kingdom which shall never be destroyed and the kingdom shall not be left to other people but it shall break in pieces and consume all these kingdoms and it shall stand for ever Daniel 2 44 The message of Daniel is that Jesus the Messiah is now ruling over the nations Daniel tells us that Messiah s kingdom will advance in the whole world from generation to generation Daniel 4 4 34 Christ s dominion is given to the people of the saints of the most High Daniel 7 22 Our purpose then is to see all people nations and languages serve and obey him Daniel 7 14 27 This meticulously researched and thorough treatment of Daniel from a preterist perspective includes over 700 pages of commentary historical background and setting New Testament allusions and much more It is enhanced with charts tables maps illustrations and topped off with helpful thorough indexes Kenneth L Gentry Jr Th D The Parousia James Stuart Russell, 1878 The Parousia is a New Testament commentary by James Stuart Russell wherein the authority attempts to clarify and explain aspects of prophecy explained in the Gospels and elsewhere in the NT The term Parousia is derived from a Greek word meaning simply a coming or a presence In the context of the Bible and Christianity it refers to the return of Jesus Christ as a core prophecy of the New Testament scripture It is by investigating all of this material that James Russell seeks to make clear what exactly the Bible predicts and what specifically believers may expect in the future and what aspects of the prophecy have already occurred in the distant past Exhaustively researched and painstakingly compiled Russell's thesis is lengthy and split into three parts firstly he analyses the four Gospels of Christ secondly he examines the

Acts of the Apostles and lastly he looks at the Book of Revelation and the visions therein No detail is spared from the author s learned gaze with aspects of the Bible lore clarified and explained For his part Russell believed that most aspects of the Bible prophecy have already been fulfilled in history only certain passages of Revelation have not yet corresponded to real world events Quoting and narrating the Biblical passages at length Russell efforts to clarify are not in vain at the time this work was first published in the 1870s then edited and republished in the 1880s the reaction was one of praise Christians for whom the Bible's words and ideas had hitherto been a mystery at last had a book to consult whose wisdom was soundly supported by the very words of the Holy Bible It is thus with a measure of joy that the publisher presents this new reprint which unites all three parts of Russell s work in one volume **AD70** and the End of the World Paul Ellis, 2017-04-10 Is the world going to hell in a handbasket Is ours the generation that will be left behind Are global events harbingers of the great tribulation Such questions promote a fear and anxiety that is contrary to the hope filled gospel of Jesus Christ In AD70 and the End of the World award winning author Paul Ellis offers an alternative gospel based perspective of the last days Based on an in depth study of scripture and the forgotten lessons of history he reveals the astonishing good news hidden within Christ's parables and prophecies of judgment This book is the antidote to pessimistic prophecy It answers guestions about Judgment Day the rapture and the end of the age It reinterprets dark tales of vengeance and wrath through the bright light of grace If you are weary of gloomy forecasts or are anxious about the apocalypse AD70 and the End of the World will give you a confident and joyful expectation of a bright tomorrow Against Calvinism Roger E. Olson, 2011-10-25 Calvinist theology has been debated and promoted for centuries But is it a theology that should last Roger Olson suggests that Calvinism also commonly known as Reformed theology holds an unwarranted place in our list of accepted theologies In Against Calvinism readers will find scholarly arguments explaining why Calvinist theology is incorrect and how it affects God's reputation Olson draws on a variety of sources including Scripture reason tradition and experience to support his critique of Calvinism and the more historically rich biblically faithful alternative theologies he proposes Addressing what many evangelical Christians are concerned about today so called new Calvinism a movement embraced by a generation labeled as young restless Reformed Against Calvinism is the only book of its kind to offer objections from a non Calvinist perspective to the current wave of Calvinism among Christian youth As a companion to Michael Horton's For Calvinism readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism Systematic Theology Louis Berkhof, 2022-11-30 Considered one of the classics on Systematic Theology the book covers all the basics on the reality of God the atonement of Christ and the final state of man and the last things Anyone who wishes to study theology would be wise to read this book as many in the Reformed tradition hold that it is a landmark in its field It is arguably the most important twentieth century compendium of Reformed Theology The work seemed particularly important to me writes the author in view of the widespread doctrinal indifference of the present day of the resulting superficiality and confusion in the

minds of many professing Christians of the insidious errors that are zealously propagated even from the pulpits and of the alarming increase of all kinds of sects Baxter's Explore the Book J. Sidlow Baxter, 2010-09-21 Explore the Book is not a commentary with verse by verse annotations Neither is it just a series of analyses and outlines Rather it is a complete Bible survey course No one can finish this series of studies and remain unchanged The reader will receive lifelong benefit and be enriched by these practical and understandable studies Exposition commentary and practical application of the meaning and message of the Bible will be found throughout this giant volume Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying the Scriptures including pastors and teachers Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr Baxter It shows throughout a deep awareness and appreciation of the grand themes of the gospel as found from the opening book of the Bible through Revelation Redating the New Testament John A. T. Robinson, 2000-10-31 On the basis that the fall of Jerusalem is never mentioned in the New Testament writings as a past fact Dr Robinson defends that the books of the New Testament were written before A D 70 contradicting of course the consensus of generations of Bible scholars The Rapture Question John F. Walvoord, 2010-12-21 Now completely revised and enlarged using quotations from the New International Version John F Walvoord's classic work on the Rapture The Rapture Question examines the four views of the church's role in the tribulation Partial Rapturism Pretribulationism Midtribulationism and Posttribulationism with the revised edition particularly discussing the current debate between pretribulationism and posttribulationism In updating his work the author also added treatments on the Rapture in the Gospels in 1 Thessalonians 4 in 1 Thessalonians 5 in 2 Thessalonians in 1 Corinthians and in Revelation A bibliography of current literature plus general and Scripture indexes are included The Lamb's Supper Scott Hahn, 2002-06-18 As seen on EWTN bestselling author Scott Hahn unveils the mysteries of the Mass offering readers a deeper appreciation of the most familiar of Catholic rituals Of all things Catholic there is nothing that is so familiar as the Mass With its unchanging prayers the Mass fits Catholics like their favorite clothes Yet most Catholics sitting in the pews on Sundays fail to see the powerful supernatural drama that enfolds them Pope John Paul II described the Mass as Heaven on Earth explaining that what we celebrate on Earth is a mysterious participation in the heavenly liturgy The Lamb s Supper reveals a long lost secret of the Church The early Christians key to understanding the mysteries of the Mass was the New Testament Book of Revelation With its bizarre imagery its mystic visions of heaven and its end of time prophecies Revelation mirrors the sacrifice and celebration of the Eucharist Beautifully written in clear direct language bestselling Catholic author Scott Hahn's new book will help readers see the Mass with new eyes pray the liturgy with a renewed heart and enter into the Mass more fully enthusiastically intelligently and powerfully than ever before New Testament Theology Donald Guthrie, 2013-10-10 New Testament theology maintains Donald Guthrie centers on Jesus Christ his person work and mission and is unified by repeated emphasis on the fulfillment of Old Testament promise community the

Spirit and the future hope Now in paperback this comprehensive New Testament theology is a standard reference and text reflecting mature conservative scholarship at its best The Apocalypse of John Milton S Terry, 2021-05-26 Milton S Terry 1840 1914 was an Old Testament and hermeneutics scholar This work is a preterist commentary on the Apocalypse i e the Book of Revelation which is the most Old Testament oriented work in the New Testament By frequently accessing Revelation s Old Testament backdrop Terry provides a bull commentary that demonstrates that Revelation is a prophecy focusing on the coming destruction Jewish Temple in AD 70 Though he sees a portion of the last three chapters as touching on the future which was distant from the Apostle John s time he sees Revelation s main concern as explaining the completion of the old covenant order in the establishing of the new covenant **Echoing Hope** Kurt Willems, 2021-03-16 Where is Jesus when we need him most An influential pastor shares how despair can lead us to discover true hope and a deeper relationship with God helping us emerge stronger and more joyful from times of crisis May this careful look at pain in the context of Jesus s life open up avenues of discovery and healing Mindy Caliguire cofounder and president of Soul Care We all experience difficulties and hardships But how can we learn to live richly in the midst of them And even grow spiritually because of them The answer is found in the hopeful humanity of Jesus As the Son of God Jesus wasn t exempt from suffering disappointment or injustice He lived in the real world as a real person He wept for those he loved He felt hunger and thirst He endured temptation betrayal and ridicule He died after being unjustly tortured And somehow through it all he embodied hope by defeating death and opening a new world of life for us In Echoing Hope influential pastor and blogger Kurt Willems reveals how understanding the humanity of Jesus can radically transform our identity and empower us to step into our pain filled world in a new way Combining rich theological insight with personal stories and practices for response he shows how we can overcome despair and encounter the beautiful potential of our lives The Last Days according to Jesus R. C. Sproul, 2015-10-06 A trusted theologian analyzes what Jesus said about his return and the last days The Gospel According to John, 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance Light from the Ancient East Adolf Deissmann,1910 **Iesus and His Promised Second** Coming Tucker S. Ferda, 2024-09-12 In this pioneering study of Scripture and reception history Tucker S Ferda shows that the hope for Jesus s second coming originated in his own message about the coming of the kingdom after a time of distress Most historical Jesus scholars take for granted that Jesus s second coming was invented by his zealous early followers In Jesus and His Promised Second Coming Tucker S Ferda challenges this critical consensus Using innovative methodology

Ferda works backward through reception history to Paul and the Gospels to argue that the hope for the second coming originated in Jesus s own grappling with the prospect of death and his conviction that the kingdom was near he expected a return that would coincide with the final judgment and the end of the age within the space of a generation Ferda also makes a major contribution to the reception history of the Bible shedding light on how Christians distinguished their faith from Judaism by deriding Jewish messianism as earthly minded and militaristic In the early modern period critics found an expedient way to distance Jesus from this caricature of Jewish messianism they pinned the expectation for the second coming on Jesus s early followers A new appreciation for the diversity of Judaism and messianism in the Second Temple period makes possible a fresh reconstruction of Jesus Bold and historically astute Jesus and His Promised Second Coming breathes new life into a long stagnant conversation It also offers readers fresh insight into the history of Jewish Christian relations Students and scholars of the New Testament will need to read and engage with Ferda s provocative argument
