Parrot Pie for Breakfast Jane Robinson, 1999 There is nothing quite like parrot pie for breakfast First one must catch one s parrot of course and build the hearth to bake it but that is all in a days work for the woman pioneer This riveting anthology tells the story of over 100 such women spanning four centuries from the lowliest kitchen skivvy to ambassadors wives emigrants who settled the wildernesses of the world in search of new and better lives Many were lured abroad by the promise of work or fortune some went because imperial duty called while for others it was a most unfeminine lust for adventure that drew them away But all faced challenges in their homes from home that were to test to the limit their spirits their resourcefulness even their survival

Mary Seacole Jane Robinson, 2019-10-22 The Greatest Black Briton in History triumphed over the Crimea and Victorian England The Times called her a heroine Florence Nightingale called her a brothel keeping quack and Queen Victoria s nephew called her simply Mammy Mary Seacole was one of the most eccentric and charismatic women of her era Born at her mother s hotel in Jamaica in 1805 she became an independent doctress combining the herbal remedies of her African ancestry with sound surgical techniques On the outbreak of the Crimean War she arrived in London desperate to join Florence Nightingale at the Front but the authorities refused to see her Being black nearly 50 rather stout and gloriously loud in every way she was obviously unsuitable Undaunted Mary travelled to Balaklava under her own steam to build the British Hotel just behind the lines It was an outrageous venture and a huge success she became known and loved by everyone from the rank and file to the royal family For more than a century after her death this remarkable woman was all but forgotten This the first full length biography of a Victorian celebrity recently voted the greatest black Briton in history brings Mary Seacole centre stage at last

The Sinking of RMS Tayleur Gill Hoffs, 2014-01-15 A truly wonderful social history of a tragic and unexplained shipping disaster Five Stars Scottish Field The wrecking of the RMS Tayleur made headlines nearly 60 years before the Titanic Both were run by the White Star Line both were heralded as the most splendid ships of their time and both sank in tragic circumstances on their maiden voyages On 19 January 1854 the Tayleur a large merchant vessel left Liverpool for Australia packed with hopeful emigrants her hold stuffed with cargo More than a century after the tragedy Gill Hoffs reveals new theories behind the disaster and tells the stories of the passengers and crew on the ill fated vessel Captain John Noble record breaking hero of the Gold Rush era Ship surgeon Robert Hannay Cunningham and his young family on their way to a new life among the prospectors of Tent City Samuel Carby ex convict returning to the gold fields with his new wife and a fortune sewn into her corsets But the ship's revolutionary iron hull prevented its compasses from working Lost in the Irish Sea a storm swept the Tayleur and the 650 people aboard towards a cliff studded with rocks black as death What happened next shocked the world Hoffs has recounted this awful tragedy with such description and dedicated research that you can almost imagine yourself on the deck of this unfortunate vessel An excellent read Suzie Lennox author of *Bodysnatchers* A little masterclass in how to hold a reader enthralled by a tale of long ago tragedy at sea Diver Net

Race and Empire Jane Samson, 2015-10-23 Readers at the beginning of the twenty first century are probably more racially self aware than any other generation has been Like the relationship between gender and history that between race and history is perceived to be of the utmost importance by young people and the older generation because it has left such a controversial

legacy in the shape of hopes for multiculturalism diversity and tolerance This new Seminar Study provides an introduction to the intricate and far reaching relationship between attitudes toward racial difference and imperial expansion Imperialism is a topic that can be approached from many different angles By concentrating on the topical issue of race this book takes a very different approach from the more familiar political or economic studies of imperial expansion *The Oxford Encyclopedia of Women in World History* Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune women's and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

The Literary Review, 1999 *The Oxford Encyclopedia of Women in World History: Dance* Bonnie G. Smith, 2008 This encyclopedia captures the experiences of women throughout world history and illuminates how they have influenced and been influenced by these historical social and demographic changes It contains over 1 300 signed articles covering six main areas biographies geography and history comparative culture and society organizations and movements women's and gender studies and topics in world history *Pandora's Daughters* Jane Robinson, 2002 This enthralling history full of anecdotes and first hand accounts centres on women through the ages who have sidestepped restraint and raised the eyebrows of their

contemporaries by choosing to make their own often highly idiosyncratic way of life The pedigree of the modern career woman is not generally supposed to be long reaching back only as far as those late Victorian pioneers who stormed the bastions of male professions Jane Robinson looks back over some 25 centuries and proves that theory quite wrong The 100 or so women portrayed here were busy behind the scenes of recorded history in the cause of earning an honest or perhaps not independent living Their enterprise and flair led them to careers as diverse as they are improbable ranging from engineers plumbers and surgeons to a naval commander in the Persian Wars a Dark Age Pope a successful Orcadian wind seller some pirates a Royal Marine and a stockbroker who ran for President of the United States The author considers such achievements against their place and time and the result is a tribute to an inspirational body of women whose significance has too long been ignored as well as a wonderfully entertaining read *Feminist Periodicals* ,2001 **Journal of Women's History** ,2004 *Australian Folklore* ,2004 *Bibliography of Imperial, Colonial, and Commonwealth History Since 1600* Andrew N. Porter,2002 The twentieth century witnessed an unprecedented growth of research and publication on the history of Britain's empire the Commonwealth and British expansion overseas Historical work by area specialists has transformed the state of knowledge concerning colonial North America India the Caribbean sub Saharan Africa South and South East Asia the Pacific and Australasia Much has been written about Britain's interests and presence in areas and societies never formally subjected to British rule such as Latin America and the Middle and Far East Most recently a preoccupation with the reciprocal impact of overseas expansion and colonial possessions on Britain itself has produced a rapidly growing historiography Publication on this scale has made it virtually impossible for anyone either to keep track of the results or to follow up particular interests Britain's overseas history has never been well supplied with comprehensive bibliographical aids and despite extensive public interest in the subject the position has steadily worsened Following the recent Oxford History of the British Empire this volume is therefore designed to provide a general source of reference and bibliographical guidance at once wide ranging up to date and accessible **New Books on Women and Feminism** ,2000 **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences** ,2000
