**The People's Mandate** J. Patrick Boyer,1992 A mood of anger with the political system has been stirring across Canada yet rather than turning away from the system many Canadians are actually seeking a greater say in matters that affect them they want to become more effective participants in the political process In this timely book Patrick Boyer examines the important role that direct democracy through the occasional use of referendums plebiscites and initiatives can play in concert with our existing institutions of representative democracy This concept is not alien to our country says Boyer pointing to the two national plebiscites on prohibition of alcohol in 1898 and conscription for overseas military service in 1942 some sixty provincial plebiscites on everything from sovereignty association to abortion medicare to women's suffrage prohibition to ownership of power companies and several thousand at the municipal level Direct voting is an important instrument in a truly democratic society Boyer argues and it has a more important role in the current reformation of Canada than some in the comfortable growing governing classes want to admit In addition to clarifying an issue it is an educational tool as the plebiscite campaign becomes a national teach in Canadians can become participants rather than mere spectators in the major changes and transcending issues that affect the future of our country The People's Mandate is a helpful guide to understanding the distinctions between plebiscites and referendums in a purely Canadian context It addresses some of the concerns about this unparliamentary practice and makes a powerful and logical statement about democracy In sum Boyer believes it is essential to govern with the trust of the people

**Canada's Jews** Gerald J. J. Tulchinsky,2008-01-01 Canada's Jews covers the 240 year period from the beginnings of the Jewish community in the 1760s to the present day illuminating the golden chain of Jewish tradition religion language economy and history as established and renewed in the northern lands Canadiana ,1986 The Canadian Honours System Christopher McCreery,2005-04-30 Winner of the 2005 Ontario Printing and Imaging Association Excellence in Print Awards Best of Category and of the 2005 International Gallery of Superb Printing Gold Award for Superb

Craftsmanship Since the creation of the Canadian honours system in 1967 more than 250 000 Canadians have been rewarded yet little has been written about it This full colour illustrated book recounts the history of Canada s various national orders decorations and medals from New France s Croix de St Louis through the British Order of the Bath to modern Canadian awards such as the General Campaign Star Each award in the modern Canadian honours system is examined in detail including historical background design and criteria for bestowal With special chapters on heraldry protocol and the proper mounting and wear of medals it is an essential reference for anyone interested in Canadian honours **Two-Gun Cohen** Daniel S. Levy,2002-04

Crime and Criminal Justice in Europe and Canada John Hamilton Baker,Calgary Institute for the Humanities,1981-07-13 How is modern day thinking about crime different from that of previous centuries What are the similarities and differences in attitudes and systems between the civil and common law societies of Europe and North America These and other questions were addressed at an international conference on crime and criminal justice at The University of Calgary attended by historians professors of law judges and criminologists The essays in Part I consider the evolution of criminal law doctrine and those in Part II analyse the theory and measurement of crime in the past and at present Parts III and IV examine the courts and prosecution and Part V assesses the historical roots of the insanity defence and the theory and practice of punishment The volume will be of interest across national boundaries to historians sociologists social workers lawyers and persons involved in the administration of justice as well as the general reader concerned about civil rights social values and justice The eighteen contributors include F H Baker J M Beattie W A Calder T C Curtis D Hay H Diederiks A Lachance His Honour W G Morrow A Soman and S Verdun Jones **Mapping Canada's Music** Helmut Kallmann,2013-05-25 Mapping Canada s Music is a selection of writings by the late Canadian music librarian and historian Helmut Kallmann 1922 2012 Most of the essays deal with aspects of Canadian music but some are also autobiographical including one written during retirement in which Kallmann recalls growing up in a middle class Jewish family in 1930s Berlin under the spectre of Nazism Of the seventeen selected writings by Kallmann five have never before been published many of the others are from difficult to locate sources They include critical and research essays reports reflections and memoirs Each chapter is prefaced with an introduction by the editors Two initial chapters offer a biography of Kallmann and an assessment of his contributions to Canadian music The variety breadth and scope of these writings confirm Kallmann s pioneering role in Canadian music research and the importance of his legacy to the cultural life of his adopted country In the current climate of cuts to archival collections and services the publication of these essays by and about a pre eminent collector and historian serves as a timely reminder of the importance of cultural memory **Canada Before Confederation** Cole Harris,1991-04-30 This classic study in modern historical geography reflects the changing regional character of that part of North America that was to become Canada A pioneering bench mark for future researchers recognized for its scholarly as well as its literary qualities Journal of Historical Geography **Whiz Bangs & Woolly Bears** Harold A. Skaarup,2000-07-31

Whiz Bangs and Woolly Bears is a story about a soldier of the Great War and his experiences as an artillery gunner in France I used to listen carefully to his stories while we worked on his farm in Carleton County New Brunswick He had kept a diary during the war and I later had a chance to look at it The short entries did not begin to describe the horrors of the Western Front in 1917 and 1918 As I grew older I began to write him to ask about the details He responded to questions about major battles in this example Passchendaele was just one glorious mudhole We were there 42 days Kept 24 men on the guns and lost 42 in the time an average of one a day This is the essence of what Whiz Bangs and Woolly Bears is about It is a running discourse between a grandfather Walter Ray Estabrooks and his grandson Hal Skaarup now in the army as well Although the story is essentially about Walter Estabrooks his experiences during the Great War it is also about the fact that he lived to tell the tale So many did not

For the Temporary Accommodation of Settlers David Monteyne,2021-12-15 For immigrants making the transoceanic journey from Europe or Asia to North America the experience of a new country began when they disembarked In Canada the federal government built a network of buildings that provided newcomers with shelter services and state support Immigration sheds such as Pier 21 in Halifax where ocean liners would dock and global migrants arrived and were processed had many counterparts across the country new arrivals were accommodated or incarcerated at reception halls quarantine stations and immigrant detention hospitals For the Temporary Accommodation of Settlers reconstructs the experiences of people in these spaces both immigrants and government agents to pose a question at the heart of architectural thinking how is meaning produced in the built environments that we encounter David Monteyne interprets official governmental intentions and policy goals embodied by the architecture of immigration but foregrounds the unofficial informal practices of people who negotiated these spaces to satisfy basic needs ensure the safety of their families learn about land and job opportunities and ultimately arrive at their destinations The extent of this Canadian network which peaked in the early twentieth century at over sixty different sites and the range of building types that comprised it are unique among immigrant receiving nations in this period In our era of pandemic quarantine and migrant detention facilities For the Temporary Accommodation of Settlers offers new ways of seeing and thinking about the historical processes of immigration challenging readers to consider government architecture and the experience of migrants across global networks

**CCF Colonialism in Northern Saskatchewan** David Quiring,2007-10-01 Often remembered for its humanitarian platform and its pioneering social programs Saskatchewan s Cooperative Commonwealth Federation CCF wrought a much less scrutinized legacy in the northern regions of the province during the twenty years it governed Until the 1940s churches fur traders and other wealthy outsiders held uncontested control over Saskatchewan s northern region Following its rise to power in 1944 the CCF undertook aggressive efforts to unseat these traditional powers and to install a new socialist economy and society in largely Aboriginal northern communities The next two decades brought major changes to the region as well meaning government planners grossly misjudged the challenges that confronted the north and failed to implement programs that

would meet northern needs As the CCF s efforts to modernize and assimilate northern people met with frustration it was the northern people themselves that inevitably suffered from the fallout of this failure In an elegantly written history that documents the colonial relationship between the CCF and the Saskatchewan north David M Quiring draws on extensive archival research and oral history to offer a fresh look at the CCF era This examination will find a welcome audience among historians of the north Aboriginal scholars and general readers

**The League for Social Reconstruction** Michiel Horn,1980-12-15 In 1931 2 the first organization of Canadian left wing intellectuals was founded Led by historian Frank Underhill of the University of Toronto and law professor and poet Frank Scott of McGill University the League for Social Reconstruction was critical of industrial capitalism and called for basic social and economic change through educational activity and parliamentary and constitutional channels In the first history of this unique organization Michiel Horn outlines the League s aims and accomplishments and its ideological influence on the CCF and the NDP Initially the LSR avoided the term socialism and remained uncommitted to any political part although its choice of J S Woodsworth as honorary president made its sympathies clear When not long after the LSR s establishment the CCF was founded many League members joined it An attempt to link the LSR openly with the CCF failed but the League soon became known as the CCF s brain trust and the manifesto and programme adopted by the party in 1933 clearly reflected the influence of the LSR members The League s own democratic socialist ideas were most fully stated in Social Planning for Canada 1935 Democracy Needs Socialism 1938 and in the pages of the Canadian Forum acquired by the LSR in 1936 With the disillusionment of the later 1930s the distraction of the war and most of all the increased support enjoyed by the CCF after 1940 the LSR disappeared as a formal organization but its ideas shaped a political tradition which found expression in the CCF and later the NDP

**The San Francisco System and Its Legacies** Kimie Hara,2014-11-20 In September 1951 Japan signed a peace treaty with forty eight countries in San Francisco in April 1952 the treaty came into effect The San Francisco Peace Treaty is an international agreement that in significant ways shaped the post World War II international order in the Asia Pacific With its associated security arrangements it laid the foundation for the regional structure of Cold War confrontation the San Francisco System fully reflected the strategic interests and policy priorities of the peace conference s host nation the United States The treaty fell far short of settling outstanding issues in the wake of the Pacific War or facilitating a clean start for the post war period Rather critical aspects of the settlement were left equivocal and continue to have significant and worrisome implications for regional international relations This book examines the key developments of the contentious political and security issues in the Asia Pacific that share a common foundation in the post war disposition of Japan particularly the San Francisco Peace Treaty These include both tangible and intangible issues such as disputes over territories and history problems Taking the San Francisco System as its conceptual grounding the authors examine how these issues developed and have remained contentious long after the San Francisco arrangements To provide bases for producing solutions the chapters offer

comprehensive accounts that explain and deepen our understanding of these complex regional issues and the San Francisco System as a whole By closely and systematically examining the legacy and various ramifications of the San Francisco System this fascinating book adds to our understanding of current and growing tensions in the region As such it will be of great interest to students and scholars of Asian studies history international relations and politics **Scholars, Missionaries, and Counter-Imperialists** Andrew C. Holman, Brian Payne, 2022-03-14 For more than half a century the field of Canadian Studies has attracted North American scholars of the highest caliber to examine Canada its distinctive social makeup its fascinating colonial and postcolonial history its intriguing literature its political structure and its changing place in the world **Scholars Missionaries and Counter Imperialists** The American Review of Canadian Studies 1971 2021 traces the birth and growth of that field by reproducing 15 exemplary articles published in the pages of that journal from its establishment until the present day For five decades the American Review of Canadian Studies ARCS acted as a bellwether for the field revealing its strengths projecting new directions and inquiries and reflecting the changing topics and methods that scholars used to study Canada This book captures the history of that field in one robust volume Carefully selected by the co editors of ARCS the chapters in this edited volume are prefaced by an introductory essay that assesses the accomplishments of the field and brief chapter introductions that place them into context Current Catalog National Library of Medicine (U.S.), 1969 Includes subject section name section and 1968 1970 technical reports **Canada - An American Nation?** Allan Smith, 1994-09-15 Are Canadians so influenced by the United States that they lack a distinct identity This question has preoccupied Canadians and Canadianists for years Canada An American Nation is a compilation of Allan Smith s essays on the influence of American society on Canadian identity Based on the notion that Canada can best be understood if viewed in relation to the United States the book explores the ways in which American influences have challenged Canada s cultural independence and asks whether Canada has maintained its own identity National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1969 First multi year cumulation covers six years 1965 70 The Church in the Canadian Era John Webster Grant, 1998 John Webster Grant s The Church in the Canadian Era was originally published in 1972 It remains a classic and important text on the history of the Canadian churches since Confederation This updated edition has been expanded to include a chapter on recent history as well as a new bibliographical survey Its approach is ecumenical taking account not only of the whole range of Christian denominations but of sources in both national languages
