*Participating in God* Samuel M. Powell, 2003 In this exciting work Samuel Powell offers a new constructive and systematic vision of creation by interpreting it in terms of contemporary science and trinitarian theology Powell s work unfolds in three stages building on the multiple ways the doctrine of creation actually functions for Christians He first analyzes its regulative dimension Even in all the multiplicity of historical Christianity he shows the doctrine commits Christians to a particular set of normative beliefs about the world and God s relation to it Second Powell builds on the doctrine s hermeneutical potential It allows Christians both to interpret the meaning of creation in terms of other prevalent philosophical religious or scientific ideas and also to interpret the world as disclosed by scientific theory in theological terms In the heart of his book Powell correlates creaturely characteristics with their participation in God through the trinitarian persons Finally in light of his findings Powell drives home the often ignored ethical dimension of the doctrine especially in relation to the environment our consumerist lifestyle and eschatology Powell s bold proposal harvests from two of the most fruitful fields of recent theology trinitarian theory and religion and science and crafts a creative new vision of how we and all creation participate in the life and work of the triune God

**Delighting in the Trinity** Michael Reeves, 2012-07-18 In this brief and winsome book Michael Reeves presents an introduction to the Christian faith that is rooted in the triune God He takes cues from preachers and teachers down through the ages setting key doctrines of creation the person and work of Christ and life in the Spirit into a simple framework of the Christian life

**Trinity and Creation** Richard C. Barcellos, 2020-10-12 Trinity and Creation explores Scripture and the Reformed confession on the doctrine of creation as they relate to the triune God When considering an act of God it is important to understand the agent of the act in order to account properly for the act of the agent Any faithful account of divine creation must ground its argument first in the God who creates This method of treating the doctrine of creation is displayed in this book It will become clear to readers that understanding the nature of God is essential in order to account for what God does It will also become clear that this is not a novel method of accounting for creation This book argues that not prioritizing theology proper in our accounting for creation is a recipe for theological novelty and if unchecked heresy Trinity and Creation is offered to account for creatures given who God is to display that its argument is firmly rooted in the Christian theological tradition to address the views of some who it will be argued apply a faulty method when accounting for creatures and to enhance readers knowledge and worship of our triune God Father Son and Holy Spirit

Traces of the Trinity Peter J. Leithart, 2015-03-10 As the Triune God created the world so creation bears the signs of its Creator This evocative book by an influential Christian thinker explores the pattern of

mutual indwelling that characterizes the creation at every level Traces of the Trinity appear in myriad ways in everyday life from our relations with the world and our relationships with others to sexuality time language music ethics and logic This small book with a big idea the Trinity as the Christian theory of everything changes the way we view and think about the world and places demands on the way we live together in community **What is Reformed Theology?** R. C. Sproul, 2005-06 Few evangelical Christians today understand Reformed theology even though it has become an immensely influential theological tradition Recognizing only key terms relating to predestination or the five points many Christians want a better explanation of the concepts and beliefs that make up a Reformed perspective What is Reformed Theology is an introduction to a doctrine that has eluded so many evangelical Christians And who better to teach about Reformed theology than R C Sproul In thoroughly expounding the foundational doctrines and five points Sproul asserts the reality of God's amazing grace For anyone wanting to know more about Reformed theology this candid book offers a coherent and complete introduction to an established belief Previously published as *Grace Unknown* **The Triune God** Fred Sanders, 2016-12-06 A constructive study of Trinitarian theology that aims to clarify our knowledge of the triune God by rightly ordering the theological language we use to praise him The Triune God reaches its conclusions about how this doctrine should be handled on the basis of the way the Trinity was revealed As such theologian Fred Sanders Invites a doxological invitation to the reader to contemplate the mystery of the Trinity Establishes the biblical exposition and draws the doctrinal implications from it Offers dogmatic principles for Trinitarian exegesis Though Sanders does interact with major voices from the history of doctrine and his arguments are indebted to and informed by the great tradition of Trinitarianism he is clear throughout that Trinitarianism is a gift of revelation before it is an achievement of the church The most patristic way to proceed toward a well ordered doctrine of the Trinity is after all to study Scripture ABOUT THE SERIES New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal Following in the tradition of G C Berkouwer's Studies in Dogmatics this series provides thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of Christian doctrine for a contemporary evangelical audience The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church's historic understanding of the Word of God as professed in its creeds councils and confessions and by its most trusted teachers **The Trinity** Samuel M. Powell, 2020 In this book the author demystifies the foundational doctrine of the Trinity in an accessible easy to follow style The Trinity clarifies the numerous ways in which our Wesleyan worship doctrines and biblical interpretation are thoroughly Trinitarian Readers are moved from understanding to intentional practice as the far reaching existence of the Trinity in church life and thought is illuminated **Essential Christian Doctrine** John MacArthur, 2021-03-03 A Concise Summary of Biblical Truth by John MacArthur Doctrine not only equips you with more knowledge about God it also shapes your affections toward him and directs your actions for him but it can be

difficult to know where to begin This concise handbook developed from John MacArthur s larger work Biblical Doctrine is an entry point for studying theological topics such as the Bible the Holy Spirit the church and more As MacArthur walks through the essentials of the Christian faith doctrine by doctrine he ll not only encourage your heart and mind but also empower you to proclaim the faith that was once for all delivered to the saints Jude 3

**The Divine Dance** Richard Rohr, Mike Morrell, 2016-10-04 What if changing our perception of God has the potential to change everything God is not what you think Visions of an angry distant moral scorekeeper or a supernatural Santa Claus handing out cosmic lottery tickets to those who attend the right church or say the right prayer dominate our culture For many others God has become irrelevant or simply unbelievable In The Divine Dance Fr Richard Rohr with Mike Morrell points readers to an unlikely opening beyond this divinity impasse the at times forgotten ancient mystery of the Trinity God as utterly one yet three Drawing from Scripture theology and the deepest insights of mystics philosophers and sages throughout history Fr Rohr presents a compelling alternative to aloof and fairytale versions of God One God belovedly in communion as All Vulnerable All Embracing and All Given to you and me The Divine Dance makes accessible and practicable the Christian tradition s most surprising gift God as Community as Friendship as Dance Are you ready to join in

**The Deep Things of God (Second Edition)** Fred Sanders, 2017-04-13 The doctrine of the Trinity is taught and believed by all evangelicals but rarely is it fully understood or celebrated In The Deep Things of God systematic theologian Fred Sanders shows why we ought to embrace the doctrine of the Trinity wholeheartedly as a central concern of evangelical theology Sanders demonstrates engagingly and accessibly that the doctrine of the Trinity is grounded in the gospel itself In this book readers will understand that a robust doctrine of the Trinity has massive implications for their lives restoring depth to prayer worship Bible study missions tradition and understanding of Christianity s fundamental doctrines This new edition includes a study guide with discussion questions action points recommended reading and more

**The Holy Trinity and the Law of Three** Cynthia Bourgeault, 2013-07-09 Father Son and Holy Spirit In this formula that Christians recite as though on autopilot lie the secrets for healing our world rekindling our visionary imagination and manifesting the Kingdom of Heaven on earth It s an astonishing claim but one that is supported by Cynthia Bourgeault s exploration of Trinitarian theology and by her bold work in further articulating the deep truth it contains She looks to the ancient concept in light of the ideas of G I Gurdjieff and Jacob Boehme to reveal the Trinity as the hidden driveshaft within Christianity the compassionate expression of the Uncreated Reality in creation

[The Image of the Immanent Trinity](#) Fred R. Sanders, Fred Sanders, 2005 If the economic Trinity is the immanent Trinity as Karl Rahner said then what difference does it make for how we read the Bible This book takes up the discussion that has dominated the last several decades of Trinitarian theology that of Rahner s Rule and brings it into dialogue with the longer history of the doctrine particularly with the history of interpretation of scripture The history of Trinitarianism is the history of complex interpretive moves a long conversation in which the Christian church has sought to learn how to ask the right questions of

scripture Surveying recent theological projects and learning from their successes and failures The Image of the Immanent Trinity argues that the eternally perfect fellowship of Father Son and Spirit is truly present for our salvation in Christ who as the image of the invisible God secures God s presence in the economy of salvation as the image of the immanent Trinity

*Simply Trinity* Matthew Barrett,2021-03-16 What if the Trinity we ve been taught is not the Trinity of the Bible In this groundbreaking book Matthew Barrett reveals a shocking discovery we have manipulated the Trinity recreating the Father Son and Holy Spirit in our own image With clarity and creativity Barrett mines the Scriptures as well as the creeds and confessions of the faith to help you rediscover the beauty simplicity and majesty of our Triune God You will be surprised to learn that what you believe about the Trinity has untold consequences for salvation and the Christian life To truly know God you must meet the One who is simply Trinity      **Retrieving Augustine's Doctrine of Creation** Gavin Ortlund,2020-07-14 How might premodern exegesis of Genesis inform Christian debates about creation today Pastor and theologian Gavin Ortlund retrieves Augustine s reading of Genesis 1 3 and considers how his premodern understanding of creation can help Christians today shedding light on matters such as evolution animal death and the historical Adam and Eve      **On the Trinity** Saint Augustine of Hippo,Aeterna Press, The following dissertation concerning the Trinity as the reader ought to be informed has been written in order to guard against the sophistries of those who disdain to begin with faith and are deceived by a crude and perverse love of reason Now one class of such men endeavor to transfer to things incorporeal and spiritual the ideas they have formed whether through experience of the bodily senses or by natural human wit and diligent quickness or by the aid of art from things corporeal so as to seek to measure and conceive of the former by the latter Aeterna Press

*The Eerdmans Companion to the Bible* Gordon D. Fee,Robert L. Jr. Hubbard,2011-10-04 This guide to the Bible will help readers navigate unfamiliar biblical terrain and deepen their knowledge of already familiar areas Articles by well established experts offer in depth insights into the Bible s people places and main ideas      *Genesis* Andrew E. Steinmann,2019-08-20 Genesis is a book of origins of the world of sin of God s promise of redemption and of the people of Israel It serves as a foundation for the New Testament s teaching that Jesus is the fulfillment of God s promise to humankind In this Tyndale Commentary Andrew Steinmann offers a thorough exegetical commentary on Genesis including a reconstructed timeline of events from Abraham s life through to the death of Joseph      **The Trinity in the Universe** Nathan R. Wood,1978      **The Oneness of God** David K. Bernard,1998
