

# The religious makeup of the 118th Congress

Note: Figures may not add to 100% due to rounding. One seat was vacant at the beginning of the 118th Congress: Virginia's 4th District, due to the recent death of Rep. Donald McEachin.

Source: Pew Research Center analysis of data collected by CQ Roll Call, reflecting voting members of Congress to be sworn in on Jan. 3, 2023.

"Faith on the Hill: The religious composition of the 118th Congress"

# Participation In Congress

**Jay Cost**

## **Participation In Congress:**

Participation in Congress Richard L. Hall, 1998-09-10 For every issue that arises on the legislative agenda each member of Congress must make two decisions What position to take and how active to be The first has been thoroughly studied But little is understood about the second In this landmark book a leading scholar of congressional studies draws on extensive interviews and congressional documents to uncover when and how members of congress participate at the subcommittee committee and floor stages of legislative decision making Richard L Hall develops an original theory to account for varying levels of participation across members and issues within House and Senate and across pre and postreform periods of the modern Congress By closely analyzing behavior on sixty bills in the areas of agriculture human resources and commerce Hall finds that participation at each stage of the legislative process is rarely universal and never equal On any given issue most members who are eligible to participate forego the opportunity to do so leaving a self selected few to deliberate on the policy These active members often do not reflect the values and interests evident in their parent chamber A deeper understanding of congressional participation the author contends informs related inquiries into how well members of congress represent constituents interests what factors influence legislative priorities how members gain legislative leverage on specific issues and how well collective choice in Congress meets democratic standards of representative deliberation **Insecure**

**Majorities** Frances E. Lee, 2016-08-23 A tour de force Building upon her argument in *Beyond Ideology* she adds an important wrinkle into the current divide between the parties in Congress Perspectives on Politics As Democrats and Republicans continue to vie for political advantage Congress remains paralyzed by partisan conflict That the last two decades have seen some of the least productive Congresses in recent history is usually explained by the growing ideological gulf between the parties but this explanation misses another fundamental factor influencing the dynamic In contrast to politics through most of the twentieth century the contemporary Democratic and Republican parties compete for control of Congress at relative parity and this has dramatically changed the parties incentives and strategies in ways that have driven the contentious partisanship characteristic of contemporary American politics With *Insecure Majorities* Frances E Lee offers a controversial new perspective on the rise of congressional party conflict showing how the shift in competitive circumstances has had a profound impact on how Democrats and Republicans interact Beginning in the 1980s most elections since have offered the prospect of a change of party control Lee shows through an impressive range of interviews and analysis how competition for control of the government drives members of both parties to participate in actions that promote their own party's image and undercut that of the opposition including the perpetual hunt for issues that can score political points by putting the opposing party on the wrong side of public opinion More often than not this strategy stands in the way of productive bipartisan cooperation and it is also unlikely to change as long as control of the government remains within reach for both parties

**Setting Course** Craig Schultz, 1994 Party Discipline in the U.S. House of Representatives Kathryn

Pearson,2015-08-06 A breakthrough study that looks at the disciplinary measures which party leaders employ to command loyalty from members      **Campaign Guide for Congressional Candidates and Committees** ,1982      **European Women and Preindustrial Craft** Daryl M. Hafter,1995-07-22 Examines key 18th and 19th century industries including spinning weaving calico painting and the lingerie trade This volume shows how women adopted or rejected new technology in various situations helping maintain social peace during profound economic dislocation      **The Encyclopedia of the United States Congress** Donald C. Bacon,Roger H. Davidson,Morton Keller,1995      *Congressional Record* United States. Congress,1977 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873      **The Broken Branch** Thomas E. Mann,Norman J. Ornstein,2006-08-01 Congress is the first branch of government in the American system write Thomas E Mann and Norman J Ornstein but now it is a broken branch damaged by partisan bickering and internal rancor The Broken Branch offers both a brilliant diagnosis of the cause of Congressional decline and a much needed blueprint for change from two experts who understand politics and revere our institutions but believe that Congress has become deeply dysfunctional Mann and Ornstein two of the nations most renowned and judicious scholars of government and politics bring to light the historical roots of Congress s current maladies examining 40 years of uninterrupted Democratic control of the House and the stunning midterm election victory of 1994 that propelled Republicans into the majority in both House and Senate The byproduct of that long and grueling but ultimately successful Republican campaign the authors reveal was a weakened institution bitterly divided between the parties They highlight the dramatic shift in Congress from a highly decentralized committee based institution into a much more regimented one in which party increasingly trumps committee The resultant changes in the policy process the demise of regular order the decline of deliberation and the weakening of our system of checks and balances have all compromised the role of Congress in the American Constitutional system Indeed Speaker Dennis Hastert has unabashedly stated that his primary responsibility is to pass the president s legislative program identifying himself more as a lieutenant of the president than a steward of the house From tax cuts to the war against Saddam Hussein to a Medicare prescription drug benefit the legislative process has been bent to serve immediate presidential interests and have often resulted in poorly crafted and stealthily passed laws Strong majority leadership in Congress the authors conclude led not to a vigorous exertion of congressional authority but to a general passivity in the face of executive power A vivid portrait of an institution that has fallen far from the aspirations of our Founding Fathers The Broken Branch highlights the costs of a malfunctioning Congress to national policymaking and outlines what must be done to repair the damage      Communicating with Congress Kathy Goldschmidt,Leslie Ochreiter,2008 To understand how citizens are communicating with their Members

of Congress and what motivates them to do so the Congressional Management Foundation partnered with Zogby International to conduct a nationwide survey of citizens to address their methods reasons and expectations with regard to their communications with Capitol Hill The resulting report Communicating with Congress How the Internet Has Changed Citizen Engagement discusses the results of this research with over 10 000 citizens **Scientific Opportunities and Public Needs** Institute of Medicine, Committee on the NIH Research Priority-Setting Process, 1998-07-30 The National Institutes of Health NIH is the single largest funder of health research in the United States and research it has supported has been pivotal to the explosion of biomedical knowledge over the past century As NIH's success has grown so has pressure from advocacy groups and other members of the public to devote more spending to their health concerns In response to a request from Congress this IOM study reviewed NIH's research priority setting process and made recommendations for possible improvement The committee considered the Factors and criteria used by NIH to make funding allocations Process by which the funding decisions are made Mechanisms for public input Impact of congressional statutory directives on funding decisions Among other recommendations the book recommends that NIH seek broader public input on decisions about how to spend its nearly 14 billion budget it also urged the agency to create new Offices of Public Liaison in the Office of the Director and in each of the 21 research institutes to allow interested people to formally take part in the process

**Congressional Government** Woodrow Wilson, 1901 United States Code United States, 2008 The United States Code is the official codification of the general and permanent laws of the United States of America The Code was first published in 1926 and a new edition of the code has been published every six years since 1934 The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress Second Session the last of which was signed by the President on January 15 2013 It does not include laws of the One Hundred Thirteenth Congress First Session enacted between January 2 2013 the date it convened and January 15 2013 By statutory authority this edition may be cited U S C 2012 ed As adopted in 1926 the Code established prima facie the general and permanent laws of the United States The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy In 1947 Congress began enacting individual titles of the Code into positive law When a title is enacted into positive law the underlying statutes are repealed and the title then becomes legal evidence of the law Currently 26 of the 51 titles in the Code have been so enacted These are identified in the table of titles near the beginning of each volume The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U S C 285b to enact the remainder of the Code on a title by title basis into positive law The 2012 edition of the Code was prepared and published under the supervision of Ralph V Seep Law Revision Counsel Grateful acknowledgment is made of the contributions by all who helped in this work particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office Preface **The Bill Status System for the United States House of Representatives** United States. Congress. House. House Information Systems, 1975 A

Republic No More Jay Cost, 2016-07-12 After the Constitutional Convention Benjamin Franklin was asked Well Doctor what have we got a Republic or a Monarchy Franklin s response A Republic if you can keep it This book argues we couldn t keep it A true republic privileges the common interest above the special interests To do this our Constitution established an elaborate system of checks and balances that disperses power among the branches of government which it places in conflict with one another The Framers believed that this would keep grasping covetous factions from acquiring enough power to dominate government Instead only the people would rule Proper institutional design is essential to this system Each branch must manage responsibly the powers it is granted as well as rebuke the other branches when they go astray This is where subsequent generations have run into trouble we have overloaded our government with more power than it can handle The Constitution s checks and balances have broken down because the institutions created in 1787 cannot exercise responsibly the powers of our sprawling immense twenty first century government The result is the triumph of special interests over the common interest James Madison called this factionalism We know it as political corruption Corruption today is so widespread that our government is not really a republic but rather a special interest democracy Everybody may participate yes but the contours of public policy depend not so much on the common good as on the push and pull of the various interest groups encamped in Washington DC *Under the Iron Dome* Paul Herrnson, Colton Campbell, David Dulio, 2021-09-19 This book provides a glimpse into the professional lives of members of Congress and the staff political consultants and others who work beneath the Capitol s iconic dome It shows some of the historic challenges daily trials and tribulations and public and private triumphs and failures that define working life on the Hill Original chapters by practitioners who have been there offer a fresh understanding of congressional elections policy making and party leadership as well as landmark institutional developments such as the growing influence of women and minorities in the legislative process Each author brings a personal knowledge of Congress providing unique insight into the opaque world of committee assignments the hustle and bustle of floor activity the cross examination of committee testimony and the beehive of activity in a member s Washington or district office or committee s office Collectively they provide keen insights into the institutions procedures and politics that shape congressional policy making Additionally the historic two impeachments of then President Donald J Trump are examined to showcase some of the extraordinary politics taking place on Capitol Hill Aimed at anyone working in Congress or wanting to influence public policy this book is also an excellent classroom supplement for political science courses at every level and a compelling read for citizens who want to understand how Congress works and why it sometimes does not

**Judicial and Congressional Salaries** United States. Congress. Senate. Committee on the Judiciary, 1955 **The Citizen's Guide to Lobbying Congress (Rev and Updated Ed)** Donald E. deKieffer, 2007-09 Individuals and grassroots organizations interested in becoming involved in petitioning their government will discover essential information on the techniques and laws to lobbying in this clear and enlightening guide New lobbyists will learn how to best craft and direct

their messages so that their concerns will be heard make congressional contacts get the most out of letter writing campaigns generate press give campaign contributions and even get invited to testify before congressional committees This resource details the most recent lobbying laws including the Federal Election Campaign Act amended in 2002 as well as a list of appropriate gifts to give to a member of Congress or their staff This revised edition contains updated chapters and resources that will ensure that neophyte lobbyists will have the most up to date information when lobbying their government The Congress ,1831\*

### **Participation In Congress Introduction**

In today's digital age, the availability of Participation In Congress books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Participation In Congress books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Participation In Congress books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Participation In Congress versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Participation In Congress books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Participation In Congress books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Participation In Congress books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational

institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Participation In Congress books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Participation In Congress books and manuals for download and embark on your journey of knowledge?

### **FAQs About Participation In Congress Books**

1. Where can I buy Participation In Congress books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
