**The Particulars of Rapture** Avivah Gottlieb Zornberg, 2011-02-01 Avivah Zornberg grew up in a world of rabbinic tradition and scholarship and received a Ph D in English literature from Cambridge University *The Particulars of Rapture* the sequel to her award winning study of the Book of Genesis takes its title from a line by the American poet Wallace Stevens about the interdependence of opposite things such as male and female and conscious and unconscious To her reading of the familiar story of the Israelites and their flight from slavery in Egypt Avivah Zornberg has brought a vast range of classical Jewish interpretations and Midrashic sources literary allusions and ideas from philosophy and psychology Her quest in this book as she writes in the introduction is to find those who will hear with me a particular idiom of redemption who will hear within the particulars of rapture what cannot be expressed Zornberg's previous book *The Beginning of Desire Reflections on Genesis* won the National Jewish Book Award for nonfiction in 1995 and has become a classic among readers of all religions *The Particulars of Rapture* will enhance Zornberg's reputation as one of today's most original and compelling interpreters of the biblical and rabbinic traditions

*Bewilderments* Avivah Gottlieb Zornberg, 2015-02-24 The newest book in Avivah Gottlieb Zornberg's award winning series of commentaries on the Hebrew Bible *The book of Numbers* is the narrative of a great failure What should have been for the Israelites a brief journey from Mount Sinai to the Holy Land becomes a forty year death march Both before and after the devastating report of the Spies the narrative centers on the people's desire to return to Egypt to undo the miraculous work of the Exodus At its heart are speeches of complaint and lament expressing a profound existential skepticism But by contrast in the narrative of the book of Numbers that is found in mystical and Hasidic sources the generation of the wilderness emerges as one of extraordinary spiritual experience receivers of the Torah to the fullest extent fed on miracles and nurtured directly by God a generation of ecstatic faith human partners in an unprecedented conversation with the Deity Drawing on kabbalistic sources the Hasidic commentators on the book of Numbers depict a people who transcend prudent considerations in order to follow God into the wilderness where their spiritual yearning comes to full expression This view of the wilderness history invites us into a different kind of listening to the many cries of distrust lament and resentment that issue from the Israelites throughout the book of Numbers Is there a way to integrate this narrative of dark murmurings of obsessive fantasies of return to Egypt with the celebration of a love intoxicated wilderness discourse The question touches not only on the language the Israelites speak but also on the very nature of human utterance Who are these people Who are we who listen to them What effect does the cumulative trauma of slavery the miracles of Exodus the revelation at Sinai have on a nation that is beginning to speak In *Bewilderments* one of the most admired biblical commentators at work today posits fascinating answers to these questions through the magnificent literary scholarly and psychological analysis of the text that is her trademark

**The Murmuring Deep** Avivah Gottlieb Zornberg, 2011-10-04 A book that enhances our appreciation of the Bible explaining exploring and deepening our sense of what it means to be a

human being of faith in a world as fractured and fragmentary as ours Forward Avivah Gottlieb Zornberg informs her literary analysis of the biblical text with concepts drawn from Freud Winnicott Laplanche and other psychoanalytic thinkers to make a powerful argument for the idea that the creators of the midrashic commentary the medieval rabbinic commentators and the Hassidic commentators were themselves on some level aware of the complex interplay between conscious and unconscious levels of experience and used this knowledge in their interpretations In her analysis of the stories of Adam and Eve Noah Jonah Abraham Rebecca Isaac Joseph and his brothers Ruth and Esther Zornberg reveals the interaction between consciousness and unconsciousness

**On the Psychotheology of Everyday Life** Eric L. Santner, 2001-05 In *On the Psychotheology of Everyday Life* Eric Santner puts Sigmund Freud in dialogue with his contemporary Franz Rosenzweig in the service of reimagining ethical and political life By exploring the theological dimensions of Freud's writings and revealing unexpected psychoanalytic implications in the religious philosophy of Rosenzweig's masterwork *The Star of Redemption* Santner makes an original argument for understanding religions of revelation in therapeutic terms and offers a penetrating look at how this understanding suggests fruitful ways of reconceiving political community Santner's crucial innovation in this new study is to bring the theological notion of revelation into a broadly psychoanalytic field where it can be understood as a force that opens the self to everyday life and encourages accountability within the larger world Revelation itself becomes redefined as an openness toward what is singular enigmatic even uncanny about the Other whether neighbor or stranger thereby linking a theory of drives and desire to a critical account of sociality Santner illuminates what it means to be genuinely open to another human being or culture and to share and take responsibility for one's implication in the dilemmas of difference By bringing Freud and Rosenzweig together Santner not only clarifies in new and surprising ways the profound connections between psychoanalysis and the Judeo-Christian tradition he makes the resources of both available to contemporary efforts to rethink concepts of community and cross-cultural communication

**Gleanings in Exodus** Arthur W. Pink, 2002-09 Historically the book of Exodus treats of the deliverance of Israel from Egypt but viewed doctrinally it deals with redemption Just as the first book of the Bible teaches that God elects unto salvation so the second instructs us how God saves namely by redemption Redemption then is the dominant subject of Exodus Following this we are shown what we are redeemed for worship and this characterizes Leviticus where we learn of the holy requirements of God and the gracious provisions He has made to meet these In Numbers we have the walk and warfare of the wilderness where we have a typical representation of our experiences as we pass through this scene of sin and trial our repeated and excuseless failures and God s long sufferance and faithfulness

Oranges Are Not the Only Fruit Jeanette Winterson, 2007-12-01 The New York Times bestselling author s Whitbread Prize winning debut Winterson has mastered both comedy and tragedy in this rich little novel The Washington Post Book World When it first appeared Jeanette Winterson s extraordinary debut novel received unanimous international praise including the prestigious Whitbread Prize for best first fiction Winterson went on to fulfill that promise producing some of the most dazzling fiction and nonfiction of the past decade including her celebrated memoir Why Be Happy When You Can Be Normal Now required reading in contemporary literature Oranges Are Not the Only Fruit is a funny poignant exploration of a young girl s adolescence Jeanette is a bright and rebellious orphan who is adopted into an evangelical

household in the dour industrial North of England and finds herself embroidering grim religious mottoes and shaking her little tambourine for Jesus But as this budding missionary comes of age and comes to terms with her unorthodox sexuality the peculiar balance of her God fearing household dissolves Jeanette s insistence on listening to truths of her own heart and mind and on reporting them with wit and passion makes for an unforgettable chronicle of an eccentric moving passage into adulthood If Flannery O Connor and Rita Mae Brown had collaborated on the coming out story of a young British girl in the 1960s maybe they would have approached the quirky and subtle hilarity of Jeanette Winterson s autobiographical first novel Winterson s voice with its idiosyncratic wit and sensitivity is one you ve never heard before Ms Magazine **From Stone to**

**Living Word** Debbie Blue,2008-02-01 Many Christians sense that their encounters with the Bible are supposed to be deep life forming and powerful but that isn t always the case They may be overly familiar with the text to the point of finding it predictable or they may be disillusioned with the church Too often and for a variety of reasons believers make the Bible an idol and unwittingly turn the Word into stone Author and pastor Debbie Blue helps readers discover how to turn the stone back into living Word She first gives general guidelines for letting the Bible breathe then looks at the Bible s main themes as dynamically encouraging and challenging Blue frees believers from dumbed down spirituality as she reveals that the Word is alive and thrilling *Reflections on the Psalms* C. **Exodus** Douglas Beaumont,2016-01-06 Over the course a single decade dozens of students alumni and professors from a conservative Evangelical seminary in North Carolina Southern Evangelical Seminary converted to Catholicism These conversions were notable as they occurred among people with varied backgrounds and motivations many of whom did not share their thoughts with one another until this book was produced Even more striking is that the seminary s founder long time president and popular professor Dr Norman Geisler had written two full length books and several scholarly articles criticizing Catholicism from an Evangelical point of view What could have led these seminary students and even some of their professors to walk away from their Evangelical education and risk losing their jobs ministries and even family and friends to embrace the teachings they once rejected as false or even heretical Speculation over this phenomenon has been rampant and often dismissive and misguided leading to more confusion than understanding The stories of these converts are now being told by those who know them best the converts themselves They discuss the primary issues they had to face the nature of the biblical canon the identification of Christian orthodoxy and the problems with the Protestant doctrines of sola scriptura
