## **Parties And Politics In Northern Nigeria:**

**Parties and Politics in Northern Nigeria** Billy J. Dudley, 1968 First Published in 1968 Routledge is an imprint of Taylor Francis an informa company      *Parties and Politics in Northern Nigeria* B.J. Dudley, 2013-11-05 First Published in 1968 In retrospect it now seems clear that the federal elections of December 1964 and the constitutional crisis which followed mark the apogee of the civilian government headed by Sir Abubakar Tafawa Balewa The broadbased government which emerged from the crisis represented at best a shaky compromise A decisive jolt came when in the early hours of January 15 1966 a group of young army officers mainly Ibo led some soldiers in a coup which ended in the death of the Federal Prime Minister of Nigeria Sir Abubakar The regional Premiers of the North and the West were also killed as were a number of high ranking Hausa and Yoruba officers This volume asks what went wrong and led to Nigeria's slow decline into civil chaos and the possibility of political disintegration      *Nigerian Political Parties* Richard L. Sklar, 2004 This important work originally published in 1963 examines the social bases strategies and structures of Nigerian political parties during the final phase of British colonial rule As Professor Sklar explains in a new introduction for this edition the defining characteristics of political parties today have been shaped by the intellectual origins of the independence era parties This seminal volume is an essential tool for understanding the political and social reality of contemporary Nigeria      *Transition Politics in Nigeria, 1970-1999* Browne Onuoha, M. M. Fadakinte, 2002 A panoramic view of military transition in Nigeria since 1970 by a collection of intellectuals mainly professors at the University of Lagos who in one way or another participated in or observed this period of Nigerian politics Their clear objective is to say never again to military rule and to anticipate and deflect any possible defence of this kind of regime The essays contend that what the military call transition to civil rule was rather a phase in which transition programmes were permanently recycled a dimension of power struggle and that the military consistently desisted deferring political power to civilians Additionally they show how military stranglehold has divided a country it claimed to unite and mindlessly wrecked an economy through expropriation collusion and pillage They further demonstrate that the nation was in a more disintegrated and divided state in 1999 than 1996 the federal structure having been deformed in the aftermath of transitions and the citizens having lost any residual confidence in their country as a nation

**Parties and Politics in Northern Nigeria** Billy Joseph Dudley, 1968      *Religion, Politics and Power in Northern Nigeria* Matthew Hassan Kukah, 1993      **African State Governance** A. Carl LeVan, Joseph Olayinka Fashagba, Edward R. McMahon, 2016-02-05 Africa is changing and it is easy to overlook how decentralization democratization and new forms of illiberalism have transformed federalism political parties and local politics Chapters on Kenya Nigeria Ethiopia and South Africa help fill an important gap in comparative institutional research about state and local politics in Africa      *Political Justice* Marshall Carter Tripp, 1973      **State Fragility, State Formation, and Human Security in Nigeria** M. Okome, 2013-04-23 Since the 1990s attempts at democratic transition have generated hopes for civil society as well as

ambivalence about the state The interdisciplinary studies gathered here explore this dynamic through the complex interactions of state fragility self help and self organization in Nigeria Nigeria stands as a particularly interesting case as its multifaceted associational life extends far beyond civil society organizations CSOs and non governmental organizations NGOs as this volume reveals there is a third sector of Nigerian society encompassing everything from community self help programs to ethno religious affiliations to militias Some of these formations have narrow pragmatic aims while others have an explicit socio cultural or political agenda most can be understood as compensating for the state s failure to deliver services and maintain regulatory frameworks By examining the emergence of broader forms of civil society this volume considers their successes while also assessing their costs and contradictions **K. O. Mbadiwe** Hollis R. Lynch,2012-05-03

This book offers a comprehensive political biography of Kingsley Ozuomba Mbadiwe 1915 1990 a central figure in Nigerian political history for more than forty years Starting in 1936 as a prot g of Nnamdi Azikiwe then Nigeria s most renowned nationalist Mbadiwe himself by the 1950s became a frontline nationalist And next to Tafawa Balewa from the North who became Prime Minister in 1957 he was the most important figure in the Nigerian Federal Government between 1952 and Nigeria s first military coup in 1966 During this time he held a succession of important Cabinet positions and was Parliamentary Leader of the National Council of Nigeria and the Cameroons NCNC which was in a ruling alliance with the Northern People s Congress NPC In contrast his older prominent political contemporaries Azikiwe of the Eastern Region Igbo Leader of the NCNC Obafemi Awolowo of the Western Region Yoruba Leader of the Action Group AG and Ahmadu Bello of the Northern Region Fulani Leader of the NPC all carved out their political careers totally or largely at the regional level Throughout his political career Mbadiwe s focus was always at the national level Truly it has been stated that Mbadiwe was one of the founding fathers of the Nigerian State Nonetheless Mbadiwe s ambition for himself to lead Nigeria and for his nation to set it on the path to greatness faced insuperable difficulties In a country of widespread poverty high illiteracy and a grossly underdeveloped private sector there were fierce ethnic and regional conflicts for the control of governments and resources leading to massive corruption and serious instability This in turn led to prolonged military rule twenty years in Mbadiwe s lifetime which was often more corrupt and repressive than civilian rule and was bitterly deprecated by Mbadiwe

**Muslims Talking Politics** Brandon Kendhammer, 2016-06-22 For generations Islamic and Western intellectuals and policymakers have debated Islam's compatibility with democratic government usually with few solid conclusions But where Brandon Kendhammer asks in this book have the voices of ordinary working class Muslims been in this conversation Doesn't the fate of democracy rest in their hands Visiting with community members in northern Nigeria he tells the complex story of the stunning return of democracy to a country that has also embraced Shariah law and endured the radical religious terrorism of Boko Haram Kendhammer argues that despite Nigeria's struggles with jihadist insurgency its recent history is really one of tenuous and fragile reconciliation between mass democratic aspirations and concerted popular efforts to preserve Islamic values in government and law Combining an innovative analysis of Nigeria's Islamic and political history with visits to the living rooms of working families he sketches how this reconciliation has been constructed in the conversations debates and everyday experiences of Nigerian Muslims In doing so he uncovers valuable new lessons ones rooted in the real politics of ordinary life for how democracy might work alongside the legal recognition of Islamic values a question that extends far beyond Nigeria and into the Muslim world at large

*Contemporary Nigerian Politics* A. Carl LeVan, 2019-01-17 In 2015 Nigeria's voters cast out the ruling People's Democratic Party PDP Here A Carl LeVan traces the political vulnerability of Africa's largest party in the face of elite bargains that facilitated a democratic transition in 1999 These pacts enabled electoral competition but ultimately undermined the party's coherence LeVan also crucially examines the four critical barriers to Nigeria's democratic consolidation the terrorism of Boko Haram in the northeast threats of Igbo secession in the southeast lingering ethnic resentments and rebellions in the Niger Delta and farmer pastoralist conflicts While the PDP unsuccessfully stoked fears about the opposition's ability to stop Boko Haram's terrorism the opposition built a winning electoral coalition on economic growth anti corruption and electoral integrity Drawing on extensive interviews with a number of politicians and generals and civilians and voters he argues that electoral accountability is essential but insufficient for resolving the representational distributional and cultural components of these challenges
