Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective

Jeffrey Haynes

Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective:

Parties, Elections and Cleavages, 2023 This volume brings together a set of articles on parties elections and social cleavages that address theoretical aspects of these concepts with reference to Israel and subject Israel to a comparative analysis

Ideology, Party Change, and Electoral Campaigns in Israel, 1965-2001 Jonathan Mendilow, 2012-02-01 The tumultuous and rapid political change experienced by Israel since 1965 has been reflected in the history of its party system In this book Jonathan Mendilow examines the party and party system transformations through the lens of the electoral campaigns that defined and reflected them He shows that the relative stability of the dominant party system bequeathed from the pre independence era was shattered in the 1960s and replaced by cluster parties that vied for power in the ideological center only to decline and be replaced in turn in the 1980s and early 1990s by ideological party blocs locked in centrifugal competition With the separate direct election of the prime minister since the mid 1990s there has been yet a third profound realignment in party structures ideologies and modes of campaigning according to Mendilow [Routledge Handbook on Contemporary Israel](#) Guy Ben-Porat, Yariv Feniger, Dani Filc, Paula Kabalo, Julia Mirsky, 2022-07-29 This Handbook provides a comprehensive overview of contemporary Israel accounting for changes developments and contemporary debates The different chapters offer both a historical background and an updated analysis of politics economy society and culture Across five sections a multidisciplinary group of experts including sociologists political scientists historians and social scientists engage in a wide variety of topics through different perspectives and insights The book opens with a historical section outlining the formation of Israel and Jewish nationalism The second section examines contemporary institutions in Israel their developments and the contemporary challenges they face in light of social economic political and cultural changes The third section explores geopolitics and Israel s foreign relations exploring conflicts alliances and foreign policy with neighbors and powers The fourth section engages with Israel s internal divisions and schisms highlighting questions of identity and inequality while also outlining processes of integration and marginalization between groups The final section explores matters of culture through the social and demographic shifts in contemporary music poetry and cuisine along with the struggles for inclusion and the impact of globalization on Israeli culture The Routledge Handbook on Contemporary Israel is designed for academics along with undergraduate and postgraduate students taking courses on Israel Israeli politics and culture and society in modern Israel

The Oxford Handbook of Israeli Politics and Society Reuven Y. Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2021 Few countries receive as much attention as Israel and are at the same time as misunderstood The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and international figures to offer the most wide ranging treatment available of an intriguing country It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and

states engaged in intense conflict The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country s history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments

Understanding Israel Joel Peters, Rob Geist Pinfold, 2018-10-11 The State of Israel is an unlikely powerhouse in a troubled region Since 1948 Israel has retained its status as a democratic state without interruption An investor friendly environment and skilled workforce have led to a thriving economy whilst the Israel Defense Forces are one of the most powerful armed forces in the world Yet Israel is also blighted by a plethora of foreign domestic and security challenges some of which threaten the very fabric of the state The cost of living continues to soar political corruption appears endemic and the conflict with the Palestinians divides domestic opinion and sours Israeli foreign relations Thus contemporary Israel remains perplexing resisting any straightforward categorizations or generalizations This book provides a comprehensive multi disciplinary analysis of the external and internal threats opportunities and issues facing contemporary Israel The book comprises sixteen chapters written by recognized authorities in the field of Israeli Studies Together the chapters offer a detailed overview of Israel while separately they provide stand alone coverage of specific topics under discussion Part I examines the Israeli Political System such as the Knesset political parties and extra parliamentary politics Part II addresses issues in Israeli society including the Israeli economy the divides between Jews and Arabs religious and secular Israelis and the struggle for gender equality and Part III focuses on security geopolitical and foreign policy challenges looking at relations between Israel and the Jewish Diaspora Israeli foreign policy borders and settlements and regional security threats By filling an important gap in the study of contemporary Israel this book is of interest to multiple audiences most notably students and scholars of Israeli politics the Middle East and comparative politics

The Elections In Israel Alan Arian, Michal Shamir, The Elections in Israel 2003 brings together leading Israeli and North American social scientists and their state of the art in depth analysis of the 2003 Israeli national elections These elections returned Ariel Sharon and the Likud to power amid one of the bloodiest rounds of conflict between Israel and the Palestinians and a severe economic downturn in Israel Contributors analyze the electoral behavior of the voters as a whole and various subgroups highlighting social cleavages and identity as well as issues and other strategic considerations Three chapters analyze in detail the Arab the national religious and the Russian vote The 2003 elections saw Israel s return to the family of parliamentary nations after it experimented with the direct election of the prime minister from 1996 through 2001 The impact of the adoption and repeal of this unique Israeli system of government is another major topic covered in this volume and several contributions explore the impact of these changes upon the electorate the party system and party financing Other unusual features of the 2003 elections were the low turnout levels among Jewish and Arab voters political moves to disqualify Arab candidates and lists from running for office

which were overruled by the Supreme Court of Israel the collapse of the left the spectacular showing of the centrist Shinui party and the dominant status of the Likud in the Knesset and in Israeli politics Through its focus on the 2003 elections this volume also illuminates developments and changes in Israeli society and politics Many of these developments multiculturalism changes in social stratification the growing role of the judiciary and of the media and political reforms characterize other Western democracies as well and these are discussed from a comparative perspective The Elections in Israel 2003 will be of particular interest to those concerned with politics in Israel as well as those concerned with comparative politics and elections in general Asher Arian is Distinguished Professor of Political Science at the Graduate Center of the City University of New York a senior research fellow at the Israel Democracy Institute and professor of political science at the University of Haifa Michal Shamir is professor of political science at Tel Aviv University

The Politics of Electoral Systems Michael Gallagher, Paul Mitchell, 2005-09-15 Electoral systems matter They are a crucial link in the chain connecting the preferences of citizens to the policy choices made by governments They are chosen by political actors and once in existence have political consequences for those actors They are an important object of study for anyone interested in the political process and in this book we subject them to systematic analysis In addition to some comparative chapters the book contains full accounts of the operation of electoral systems in 22 countries France the UK Germany Italy Israel Spain Austria Belgium Denmark Finland The Netherlands Ireland Hungary Russia Australia Canada India the USA Japan New Zealand Chile and South Africa The book provides detailed analyses of the operation of a diverse set of electoral systems in their national context Each chapter explains how the electoral system really works in the given country examining the strategic incentives the system provides to voters candidates and parties All country chapters have a common format and structure Successive sections analyse the institutional context how each electoral system was chosen historically how the current electoral system operates the rules mechanics and ballot structure and the political consequences of the current system the impact on the party system the internal life of parties and the impact on parliament and government formation Each country chapter then contains a final section which focuses on the politicization of electoral institutions In recent years many countries have changed their electoral systems either entirely or in part so there is a strong focus on the processes of electoral reform both historically and prospectively The book concentrates on the real world politics as well as the political science of electoral systems The book will be of interest to those concerned with the practical political business of electoral reform The book contains a wealth of evidence about the performance of various kinds of proportional representation and of non PR systems This will be invaluable for anyone interested in the question What would be the best electoral system for my country

Religion and Democratizations Jeffrey Haynes, 2013-09-13 This book examines key debates on religion and democratization from three main perspectives Religious traditions have core elements which are more or less conducive to democratization and democracy Religious traditions may be multi vocal but at any moment there may be dominant voices

more or less receptive to and encouraging of democratization Religious actors rarely if ever determine democratization outcomes However they may in various ways and with a range of outcomes be of significance for democratization The contributions are divided into two sections 1 Religion democratization and democracy and 2 Secularization democratization and democracy Overall they examine the three assertions in the bullet points above The book's starting point is that in general around the world religions have left their assigned place in the private sphere This means they have in many cases become recognisably politically active in various ways and with assorted outcomes This re emergence from political marginality dates back until at least the 1980s At that time the US sociologist Jose Casanova noted that what was new and became news was the widespread and simultaneous refusal of religions to be restricted to the private sphere This involved a remodelling and re assumption of public roles by religion which theories of secularisation had long condemned to social and political marginalisation This book was published as a special issue of Democratization *Plurality and Citizenship in Israel* Dan Avnon, Yotam Benziman, 2009-12-17 Israel's political process is too often framed in terms of a dichotomy between Jewish and Arab Palestinian citizens of the state a framing which perpetuates political inequality and consequent injustices This book focuses on the conflict within Israel and the role played by modern states in either mitigating majority minority conflict or exacerbating it This comparative study concentrates on theoretical models and historical legal or political patterns of development With an emphasis on alternative approaches to alleviating civic and political inequality in a divided society such as Israel's the book examines plurality and political pluralism as keys to enhancing Israel's democratic character The dozen original essays address many of the basic points of contention between Jews and Arab Palestinians within the Israeli civic body unequal access to citizenship unequal access to land discrimination in access to public services insufficient defence of minority rights in Israel's legal system unequal obligations unequal economic opportunities The essays raise a matter of principle that goes beyond the Israeli case formal legal measures are relatively worthless if they are not preceded by political processes that are oriented to changing conceptions and perceptions of reality Relevant to those who wish to understand the unobserved dynamics within a divided society this book will be of particular interest to students of comparative politics conflict resolution and Middle East studies **The Israeli Constitution** Gideon Sapir, 2018-07-26 Israeli constitutional law is a sphere of many contradictions and traditions Growing out of British law absorbed by the legal system of Mandate Palestine Israeli constitutional law has followed the path of constitutional law based on unwritten constitutional principles This book evaluates the development of the Israeli constitution from an unwritten British style body of law to the declaration of the Basic Laws as the de facto Israeli constitution by the supreme court and on through the present day The book is divided into a chronological history devoted to a description of the process of establishing a constitution and a thematic one devoted to the review and evaluation of major constitutional issues that are also the subject of discussion and research in other countries with emphasis on the unique characteristics of the Israeli case **Human Rights under State-Enforced**

Religious Family Laws in Israel, Egypt and India Yüksel Sezgin, 2013-08-22 About one third of the world's population currently lives under pluri legal systems where governments hold individuals subject to the purview of ethno religious rather than national norms in respect to family law How does the state enforcement of these religious family laws impact fundamental rights and liberties What resistance strategies do people employ in order to overcome the disabilities and limitations these religious laws impose upon their rights Based on archival research court observations and interviews with individuals from three countries Yüksel Sezgin shows that governments have often intervened in order to impress a particular image of subjectivity upon a society while people have constantly challenged the interpretive monopoly of courts and state sanctioned religious institutions re negotiated their rights and duties under the law and changed the system from within He also identifies key lessons and best practices for the integration of universal human rights principles into religious legal systems

Bringing Religion Into International Relations J. Fox, S. Sandler, 2004-06-18 This book has several main themes and arguments International Relations has been westerncentric which has contributed to its ignoring religion while religion is not the main driving force behind IR international politics cannot be understood without taking religion into account the role of religion is related to the fact that IR has evolved to become more than just interstate relations and now included elements of domestic politics The book proceeds in three stages First it looks at why religion was ignored by IR theory and theorists Second it examines the multiple ways religion influences IR including through religious legitimacy and the many ways domestic religious issues can cross borders In this discussion a number of topics including but not limited to international intervention international organizations religious fundamentalism political Islam Samuel Huntington's clash of civilizations theory and terrorism are addressed Third these factors are examined empirically using both quantitative and case study methodology

The Logic of Democracy Anthony J. McGann, 2006 How does democracy work

The Oxford Handbook of Electoral Systems Erik S. Herron, Robert J. Pekkanen, Matthew S. Shugart, 2018-03-15 No subject is more central to the study of politics than elections All across the globe elections are a focal point for citizens the media and politicians long before and sometimes long after they occur Electoral systems the rules about how voters preferences are translated into election results profoundly shape the results not only of individual elections but also of many other important political outcomes including party systems candidate selection and policy choices Electoral systems have been a hot topic in established democracies from the UK and Italy to New Zealand and Japan Even in the United States events like the 2016 presidential election and court decisions such as Citizens United have sparked advocates to promote change in the Electoral College redistricting and campaign finance rules Elections and electoral systems have also intensified as a field of academic study with groundbreaking work over the past decade sharpening our understanding of how electoral systems fundamentally shape the connections among citizens government and policy This volume provides an in depth exploration of the origins and effects of electoral systems

Comparing Democracies 2 Lawrence LeDuc, Richard G Niemi, Pippa Norris, 2002-04-23 A

vigorous and healthy system of representative government does not live by competitive elections alone conclude political scientists from North America and Europe but also requires transparency and accountability vigorous party competition political rights and civil liberties many channels for political communication and citizen participation In ten essays updated from the 1996 edition itself based on a conference they consider such aspects as the politics of direct democracy through referendums and initiatives candidate selection campaign communications and the dynamics of electoral participation

Israel Efraim Karsh,2002 **Israel: the First Hundred Years** Efraim Karsh,2013-11-26 The end of the British mandate in Palestine heralded the birth of the new state of Israel It also marked the end of one of the most tumultuous and momentous chapters in Israeli history But the new state born into a hostile environment and struggling with the manifold demands of sovereignty would have to face many post Independence challenges to its existence not least in the form of armed conflict and confrontation with its Arab neighbours This volume examines the conflicts that from the 1948 until the 1967 Six Day War came to define the Israeli struggle for existence H.V. Evatt and the Establishment of Israel Daniel Mandel,2004 This book provides a valuable study of Evatt the Zionist as well as illuminating a fascinating political figure

Israel at the Polls 1999 Daniel J. Elazar,M. Ben Mollov,2020-04-03 The 1999 Israeli elections focused on the character of the main political contenders for prime minister Binyamin Netanyahu and Ehud Barak Along with Barak s victory the Israeli public made important statements concerning the shape and direction of Israeli political culture with a hope of a centrist vision Leading Israeli political scientists discuss the revival of the Israeli left and the increased strength of ethnic Sephardi Russian and Arab electorates They also examine the place of foreign policy media and other socio economic factors on the outcome of the election The Last Days in Israel Abraham Diskin,2003-03-01 During the 1990s many dramatic changes influenced the basic characteristics of the Israeli democracy This volume examines the challenges and circumstances the country has faced and addresses both the public s and leadership s singular goal of peace and security The book also investigates the renewed constitutional framework which attempted to meet new challenges but in reality contributed to the evolution of new politics and a new party system This new system is explored through an analytical study of the history of the party system with an emphasis on new phenomena such as the growing fragmentation of recent years Developments since the early 1990s are also examined looking at the governmental periods of Prime Ministers Shamir Rabin Peres Netanyahu and Barak

Ignite the flame of optimism with Crafted by is motivational masterpiece, **Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective Introduction

Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective Offers a diverse range of free eBooks across various genres. Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective, especially related to Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective books or magazines might include. Look for these in online stores or libraries. Remember that while Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading.

Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective eBooks, including some popular titles.

FAQs About Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective is one of the best book in our library for free trial. We provide copy of Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective. Where to download Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective online for free? Are you looking for Parties Elections And Cleavages Israel In Comparative And Theoretical Perspective PDF? This is definitely going to save you time and cash in something you should think about.
