Hawkeswood, 2013 Trevor J Hawkeswood is a scientist who has experienced hundreds of paranormal events in his lifetime In *Light and Dark* he recounts some of these incredible interactions He believes that reality occurs on two separate but interwoven planes of existence the Earth plane and the multiple levels of the spiritual planes including the lower levels from where the dark souls of humans who have died reach out to us He has experienced more than one hundred sightings of the shadow people or black ghosts He credits guardian angels with saving him from harm or certain death on a number of occasions Hawkeswood also shares accounts of his numerous sightings of strange aerial phenomena he believes were caused by UFOs He has personally experienced clairaudience voices from beyond and precognition or the ability to see the future His detailed account of a unique out of body experience OOB challenges what is known about this remarkable ability His OOB was unlike anything that has ever been described by others who have experienced it and he shares it all in *Light and Dark* But it hasn't all been safe or pleasant At eighteen he survived a terrifying encounter with a demon gargoyle who tried to steal his soul energy after paralyzing him A comprehensive handbook for the paranormal enthusiast Hawkeswood's work also provides a glossary and reference list of English language UFO books In *Light and Dark* he shares a lifetime of experiences ideas and theories about this fascinating field of study

Riding with the Phoenix George E. Monroe, Ph.D., 2014-08-22 This book contains several different levels of meaning each with its own episodes of adventure intrigue and message The levels of discourse also can be seen as various stages in the sojourn of the main character Gregg from simple consciousness to cosmic awareness Several vehicles help Gregg reach his epiphanies including dreams meditation coincidences and two near death experiences A visit to Greece that included stops at the Delphic Oracles historic site and Agamemnon's tomb greatly expanded his perceptive abilities While standing inside the beehive shaped tomb he felt he had been slammed through a time warp to a new level of awareness which he would later describe as holographic awareness The group dynamics revelation that he divined or rediscovered through intuition dreams and meditation is certainly important enough

in itself as it sheds light on many of the social ills of our day But the real power and value of this book is that it demonstrates how one person can and does reach higher levels of awareness and being Riding with the Phoenix provides fresh insights on and linkages to new research and understanding about human awareness It serves as a metaphor for the increasing consciousness of the entire human species so necessary in these times of the augmenting and unresolved transboundary and transcultural dilemmas that we face [The Way of the Explorer \(Easyread Super Large 18pt Edition\)](#) , **The Near-Death Experience** Lee W.
