Partisan Life With Col John S Mosby:

Partisan Life with Col. John S. Mosby John Scott, 1877 This book tells the history of Mosby's Rangers from first hand accounts of soldiers and the inhabitants in which they encountered *Partisan Life with Col. John S. Mosby. by Major John Scott, with Portraits and Engravings on Wood.* John Scott, 2006-09 **Partisan Life with Col. John S. Mosby** John Scott, 1985 **Partisan Life with Col. John S. Mosby** John Scott, 1967 **Partisan Life with Col. John S. Mosby** John Scott, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1867 edition Excerpt APPENDIX ACCOUNT OF PRIVATE M CUE'S IMPRISONMENT TnK following facts in regard to the treatment of M Cue have at my request been furnished me by a gentleman well acquainted with them They present a picture of despotism and cruelty rarely witnessed in a Christian country but they bear at the same time honorable testimony to the fidelity with which General Grant adhered to the engagements which he contracted at Appomattox Court house Editor From Annapolis he was removed to Baltimore and cast into a negro jail where his treatment was that of a convict He was heavily ironed and confined in a dark cold cell and when a fellowprisoner through the iron bars of his dungeon gave him a blanket the order was given to the prison guard to take it away Very soon a man dressed in Confederate uniform was put in the cell with M Cue and left to spend the night with him The stranger made advances toward an acquaintance asked his fellow prisoner his name to what command he belonged and the charges preferred against him and at the same time told him that he himself was under charges as a Confederate and was to be tried by a military commission He doubted not he added that both of them would be sentenced to the gallows I have a proposition to make to you for there is but one way in which we can save our lives to rush upon the guard seize their arms and murder them In the confusion thus created an opportunity may occur for our escape The proposition was so wild and impossible of execution that M Cue at once saw in it a snare prepared for his destruction So he very quietly said to his companion You may attempt to murder the guard and make your escape but I will have nothing to do with it He knew he was a *Partisan Life with Col. John S. Mosby* John Scott, 1867 This book tells the history of Mosby's Rangers from first hand accounts of soldiers and the inhabitants in which they encountered *The Memoirs of Colonel John S. Mosby* John Singleton Mosby, 1917 Colonel Mosby was a Virginian of the Virginians educated at the State's University and seemed destined to pass his life as an obscure Virginia attorney when war brought him his opportunity for fame The following pages contain the story of his life as private in the cavalry as a scout and as a leader as partisans Introduction **Partisan Life with Col. John S. Mosby (Classic Reprint)** John Scott, 2017-07-21 Excerpt from Partisan Life With Col John S Mosby Amid the many failures which occurred in the Confederate service in the application of this law Mosby alone brought to the work all the high qualities necessary to command success and write his name so high upon the column of Fame About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www](http://www.forgottenbooks.com)

Take Sides with the Truth John Mosby, 2010-09-12 During the Civil War John Singleton Mosby led the Forty third Battalion Virginia Cavalry better known as Mosby's Rangers in bold and daring operations behind Union lines Throughout the course of the war more than 2000 men were members of Mosby's command some for only a short time Mosby had few confidants he was described by one acquaintance as a disturbing companion but became close friends with one of his finest officers Samuel Forrer Chapman Chapman served with Mosby for more than two years and their friendship continued in the decades after the war *Take Sides with the Truth* is a collection of more than eighty letters published for the first time in their entirety written by Mosby to Chapman from 1880 when Mosby was made U S consul to Hong Kong until his death in a Washington D C hospital in 1916 These letters reveal much about Mosby's character and present his innermost thoughts on many subjects At times Mosby's letters show a man with a sensitive nature however he could also be sarcastic and freely derided individuals he did not like His letters are critical of General Robert E Lee's staff officers there was a lying concert between them and trace his decades long crusade to clear the name of his friend and mentor J E B Stuart in the Gettysburg campaign Mosby also continuously asserts his belief that slavery was the cause of the Civil War a view completely contrary to a major portion of the Lost Cause ideology For him it was more important to take sides with the Truth than to hold popular opinions Peter A Brown has brought together a valuable collection of correspondence that adds a new dimension to our understanding of a significant Civil War figure

Partisan Life with Mosby John Scott, 2018-02-26 This is the unabridged edition John Scott the author of this book wrote the Partisan Ranger Law on March 27 1862 and it was approved by the Confederate Congress on April 21 1862 The rangers operated on the whole autonomously but they did liaise with regular Confederate forces when they were nearby The intention of the creation of the Partisan Rangers was to provide protection from invading Union armies However due to the lack of formal military organization and discipline things sometimes got out of hand A noteworthy exception was the command of Col John Singleton Mosby in Northern Virginia which were considered a different category from the more undisciplined groups Leading the crime de la crime of the partisan groups the ubiquitous Mosby as one journalist called him appeared to be everywhere and his operations were remarkable This book is an entertaining record of the spectacular adventures of Mosby's Partisan Rangers

Mosby's War Reminiscences and Stuart's Cavalry Campaigns John Singleton Mosby, 1887 Contains a personal narrative of the experiences and correspondence of Confederate officer John S Mosby during the U S Civil War

Gray Ghost James A. Ramage, 2010-02-05 Confederate John Singleton Mosby forged his reputation on the most exhilarating of military activities

the overnight raid Mosby possessed a genius for guerrilla and psychological warfare taking control of the dark to make himself the Gray Ghost of Union nightmares Gray Ghost the first full biography of Confederate raider John Mosby reveals new information on every aspect of Mosby's life providing the first analysis of his impact on the Civil War from the Union viewpoint *Rebel Raider* James A. Ramage, 2014-04-23 The first full biography of the famous Confederate cavalry leader from Kentucky It provides fresh unpublished information on all aspects of Morgan's life and furnishes a new perspective on the Civil War In a highly original interpretation Ramage portrays Morgan as a revolutionary guerrilla chief Using the tactics of guerrilla war and making his own rules Morgan terrorized federal provost marshals in an independent campaign to protect Confederate sympathizers in Kentucky He killed pickets and used the enemy uniform as a disguise frequently masquerading as a Union officer Employing civilians in the fighting he set off a cycle of escalating violence which culminated in an unauthorized policy of retaliation by his command on the property of Union civilians To many southerners Morgan became the prime model of a popular movement for guerrilla warfare that led to the Partisan Ranger Act For Confederates he was the ideal romantic cavalier the Francis Marion of the War and they make him a folk hero who was especially adored by women Discerning fact from folklore Ramage describes Morgan's strengths and weaknesses and suggests that excessive dependence on his war bride contributed to his declining success The author throws new light on the Indiana Ohio Raid and the suspenseful escape from the Ohio Penitentiary and unravels the mysteries around Morgan's death in Greeneville Tennessee *Rebel Raider* also shows how in the popular mind John Hunt Morgan was deified as a symbol of the Lost Cause

California Sabers Mclean, 2000-12-22 *California Sabers* is the story of the California Hundred and Battalion the only organized group of Californians to fight in the East during the Civil War The 500 select men volunteered their enlistment bounty to pay their passage across Panama and on to Massachusetts where they became the cadre of the 2nd Massachusetts Cavalry Book jacket front flap [Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!](#) Lochlainn Seabrook, 2022-09-05 Want to know the truth about the American Civil War You won't learn it from any mainstream book But you will in our international blockbuster *Everything You Were Taught About the Civil War Is Wrong Ask a Southerner*

Mosby's Rangers James J. Williamson, 1909 This book is about a soldier's life serving under Colonel Mosby from the first muster up to the surrender and disbandment *A Thousand Points of Truth* V. P. Hughes, 2016-08-18 My interest in Colonel John Singleton Mosby began in 1950 However it wasn't until 2002 that it led to extensive research on the subject centered upon newspaper reports on the man begun during the Civil War and continued throughout and even after his life And while I rejected Virgil Carrington Jones's observation on Mosby contained in the preface of this work I did not contemplate writing this book until an even more disparaging observation came to my attention during my research The comment was contained in an article in the Ponchatoula Times of May 26 1963 as part of a six article series written by Bernard Vincent McMahon entitled *The Gray Ghost of the Confederacy* Mr McMahon in turn based his comment upon General Omar Bradley's judgment

of what might have been the postwar life of General George Patton Now substitute Mosby for General Patton in the book A General's Life by Omar Bradley I believe it was better for General Patton Mosby and his professional reputation that he died when he did He would have gone into retirement hungering for the old limelight beyond doubt indiscreetly sounding off on any subject anytime any place In time he would have become a boring parody of himself a decrepit bitter pitiful figure unwittingly debasing the legend emphasis mine McMahon however only proffered in his writings the widely accepted view of John Mosby held by many if not most However like General Ulysses S Grant I have come to know Colonel Mosby rather more intimately through the testimony of countless witnesses over a span of 150 years and I believe that it is time for those who deeply respect John Mosby the soldier to now also respect John Mosby the man A century ago the book of John Singleton Mosby's life closed It is my hope that this book will validate the claim he made during that life that he would be vindicated by time V P Hughes

Ranger Knowledge Erik Larsen, Jack Murphy, SOFREP, Brandon Webb, 2013-08-06 Filled with entertaining anecdotes and an insider's knowledge Ranger Knowledge is a must read for prospective rangers and armchair military enthusiasts everywhere Written by a former 75th Ranger Regiment soldier Marty will take you inside the Ranger Assessment and Selection Program and the Special Forces Assessment and Selection Program to teach prospective Special Operations soldiers the ins and outs of each unit's selection program As someone who also runs a train up program for soldiers going into the military on Ranger and Special Forces contracts Marty is uniquely suited to write a program of instruction which walks would be Special Operations troops through the course and tells them how to get from A to B and achieve their goals in the Special Operations community

Partisan Life with Col. John S. Mosby - Primary Source Edition John Scott, 2013-11 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book
