**Pioneers and Partisans: An Oral History of Nazi Genocide in Belorussia** Anika Walke,2015-08-13 The Nazi regime and local collaborators killed 800 000 Belorussian Jews many of them parents or relatives of young Jews who survived the war Thousands of young girls and boys were thus orphaned and struggled for survival on their own This book is the first systematic account of young Soviet Jews lives under conditions of Nazi occupation and genocide These orphans experiences and memories are rooted in the 1930s when Soviet policies promoted and sometimes actually created interethnic solidarity and social equality This experience of interethnic solidarity provided a powerful framework for the ways in which young Jews survived and several decades after the war represented their experience of violence and displacement Through oral histories with several survivors video testimonies and memoirs Anika Walke reveals the crucial roles of age and gender in the ways young Jews survived and remembered the Nazi genocide and shows how shared experiences of trauma facilitated community building within and beyond national groups Pioneers and Partisans uncovers the repeated transformations of identity that Soviet Jewish children and adolescents experienced from Soviet citizens in the prewar years to a target of genocidal violence during the war to a barely accepted national minority in the postwar Soviet Union *Jack and Rochelle* Jack Sutin,Rochelle Sutin,2016-04 **Stalin's Guerrillas** Kenneth Slepyan,2006 A detailed study of the operations politics culture and autonomy of Soviet partisans or guerrillas who fought the German army in WWII Blending military political social and cultural history Slepyan also provides a prism for viewing relations between the suffocating Stalinist state and its independent partisan warriors **The Nazis Knew My Name** Magda Hellinger,Maya Lee,2022-03-15 The thought provoking must read Ariana

Neumann author of *When Time Stopped* memoir by a Holocaust survivor who saved an untold number of lives at Auschwitz through everyday acts of courage and kindness in the vein of *A Bookshop in Berlin* and *The Nazi Officer's Wife* In March 1942 twenty five year old kindergarten teacher Magda Hellinger and nearly a thousand other young women were deported as some of the first Jews to be sent to the Auschwitz concentration camp The SS soon discovered that by putting prisoners in charge of the day to day accommodation blocks they could deflect attention away from themselves Magda was one such prisoner selected for leadership and put in charge of hundreds of women in the notorious Experimental Block 10 She found herself constantly walking a dangerously fine line saving lives while avoiding suspicion by the SS and risking execution Through her inner strength and shrewd survival instincts she was able to rise above the horror and cruelty of the camps and build pivotal relationships with the women under her watch and even some of Auschwitz's most notorious Nazi senior officers Based on Magda's personal account and completed by her daughter's extensive research this is an unputdownable account of resilience and the power of compassion Booklist in the face of indescribable evil **Amidst the Shadows of Trees** Miriam M. Brysk, Michael Berenbaum, 2014-07-01 A Holocaust child survivor shares her memories of escaping from Lida Ghetto in Belarus with her parents and joining the Partisans in the Lipiczany Forest as part of the Jewish Resistance Jewish Partisans of the Soviet Union during World War II Jack Nusan Porter, 2021-08-31 Jewish Partisans of the Soviet Union is a classic compilation of original Russian and Jewish sources on the anti Nazi resistance in Eastern Europe It is rooted in decades of research motivated by a desire to set the record straight on Jewish participation in resistance movements a phenomenon often overlooked when not actively concealed As the son of Jewish partisans in Nazi occupied Eastern Europe Jack Porter presents here the result of his decades long research first hand accounts and interviews with survivors and partisans as well as some of their original work and a seminal English translation of *Partisan Brotherhood* a historical document gathered by Russian Jewish intellectuals in 1948 at the height of anti Semitic hysteria written mainly by non Jewish Soviet partisan commanders recounting the deeds of the Jewish fighters in their units Defiance Nechama Tec, 1993 The prevailing image of European Jews during the Holocaust years is one of helpless victims under a death sentence unable to fight consignment to the ghettos to the camps and to the gas chambers In fact many Jews struggled alone or with others against the terrors of the Third Reich risking their lives against overwhelming odds for the slimmest chance of survival or a mere glimpse of freedom In *Defiance* Nechama Tec offers a riveting history of one such group a forest community in western Belorussia that would number more than 1 200 Jews by 1944 the largest armed rescue operation of Jews by Jews in World War II Describing the entire partisan movement in the region Tec shows that while most forest fighters in Belorussia were rifle carrying young men the members of this extraordinary community included both men and women some with weapons but mostly unarmed ranging from infants to the elderly She reconstructs for the first time the amazing details of how these partisans and their families hungry exposed to the harsh winter weather always on the lookout for German patrols managed

not only to survive but to offer protection to all Jewish fugitives who could find their way to them Driven by courage born out of despair they dug wells set up workshops to repair guns made clothes and resoled shoes supplied services to other guerilla units and even established a makeshift hospital and school in the forest Arguing that this success would have been unthinkable without the vision of one man Tec offers penetrating insight into the group s commander Tuvia Bielski and his journey from his life as the son of the only Jewish peasant family in an isolated rural village to his emergence as a leader possessing the charisma and courage to command under all but impossible circumstances Tec brings to light the untold story of Bielski s struggle as a partisan who lost his parents wife and two brothers to the Nazis yet never wavered in his conviction that it was more important to save one Jew than to kill twenty Germans She shows how under Bielski s guidance the partisans smuggled Jews out of heavily guarded ghettos scouted the roads for fugitives and led retaliatory raids against Belorussian peasants who collaborated with the Nazis against their former Jewish neighbors Refusing to turn away the weak or the old for the sake of the survival of the larger group Bielski would warn new arrivals to the forest Life is difficult we are in danger all the time but if we perish if we die we die like human beings A scholar a writer and herself a Holocaust survivor author Nechama Tec has devoted the last two decades to studying the fate of European Jewry recording rare but vital examples of human compassion resistance altruism and heroism in the face of overwhelming horror and despair Drawing on wide ranging research and never before published interviews with surviving partisans including Tuvia Bielski himself two weeks before his death in 1987 she reconstructs here the poignant and unforgettable story of those who chose to fight
