## **Partners An Anthology Of Readings:**

*PP/FF* Peter H. Connors, 2006 Poetry Fiction A first of its kind collection of hybrid prose poetry and flash fiction featuring 61 of today's foremost innovative writers including Kim Addonizio Stuart Dybek Lydia Davis Sean Thomas Dougherty Brian Evenson Raymond Federman Geoffrey Gatz Laird Hunt Harold Jaffe Kent Johnson Gary Lutz Cris Mazza Joyelle McSweeney Christina Milletti Ander Monson Daniel Nester Ethan Paquin Aimee Parkison Elizabeth Robinson Martha Ronk Nina Shobe Eleni Sikelianos Jessica Treat Diane Williams and many more Perhaps the writers in this anthology will be thought of as PP FF writers Perhaps poets fiction writers or followers of Orpheus I would argue that strict adherence to given conventions of form and genre are debilitating to a writer's creativity and do a disservice to readers Genre is easier to teach to quantify and review but what does it have to do with creating new art Peter Connors from the introduction On the Other Hand Renee Paule, 2014-10-01 A straight from the shoulder look at life in which the author asks some awkward questions that we might prefer to swat away like an annoying fly Questions like Who am I What is this life really about What is the mind Why do we resist change These are the questions we lock away in a tall tower like some inconvenient relative whose lost her marbles and become an embarrassment to the family Perhaps you've been asking comfortable questions and avoiding the hard hitting ones preferring to hide away from them and pretending that they don't exist We hope that someone somewhere will put it all right for us They won't This book is not for the faint of heart as it brings you face to face with yourself but not the one you see when you look in the mirror If you've locked yourself up in protective custody and thrown away the key this book could well pick the lock and let you out again There's something wonderful waiting to be discovered if we care to take a look If you're prepared to be brutally honest when thinking about the questions raised in this book and to be your own harshest critic then pop over to the cash desk or place it in your basket online and go for it You're not alone and help is always available far closer than you can imagine *Partners in Wonder* Eric Leif Davin, 2006-01-01 Partners in Wonder revolutionizes our knowledge of women and early science fiction Davin finds that at least 203 female authors published over a thousand stories in science fiction magazines between 1926 and 1965 This work explores the distinctly different form of science fiction that females wrote offers a comprehensive bibliography of these works and provides biographies of 133 of these women authors Love & Saffron Kim Fay, 2023-02-07 The Instant National Bestseller and 1 Indie Next Pick In the vein of the classic 84 Charing Cross Road this witty and tender novel is a sensuous experience of food and a deep friendship between two very different women in 1960s America Two strangers One recipe A friendship for the ages Creamy risotto alla Milanese Mussels in a hot buttery broth Chicken spiced with cinnamon and cloves Joan Bergstrom and Imogen Fortier understand the key to a savored life delicious food Young Joan is just discovering herself as a foodwriter in bustling Los Angeles while experienced columnist Imogen is settled in her decades long marriage on Camano Island outside Seattle When Joan sends a fan letter to Imogen with an enclosed packet of saffron and a recipe their journey of culinary exploration and soul deep friendship begins

A long lost flavor surfaces buried memories and a quest to make carne asada opens the doors of a sheltered life Into this beautiful intimate world comes the ultimate test of their friendship and of their belief that food and love can sustain us during our darkest hours      **Spoon River Anthology** Edgar Lee Masters,1992-10-08 The dead arise from their sleep in the cemetery of a small town to tell their individual stories about an entire community caught in a web of scandal sin and vice in the early twentieth century      **Modern Love** Daniel Jones,2019-10-17 A joyful collection of the most popular provocative and unforgettable essays from the New York Times Modern Love column featuring stories from the upcoming anthology series starring Tina Fey Andy Garcia Anne Hathaway Catherine Keener Dev Patel and John Slattery A young woman goes through the five stages of ghosting grief A man s promising fourth date ends in the emergency room A female lawyer with bipolar disorder experiences the highs and lows of dating A widower hesitates about introducing his children to his new girlfriend A divorcee in her seventies looks back at the beauty and rubble of past relationships These are just a few of the people who tell their stories in Modern Love featuring dozens of the most memorable essays to run in the New York Times Modern Love column since its debut in 2004 Some of the stories are unconventional while others hit close to home Some reveal the way technology has changed dating forever others explore the timeless struggles experienced by anyone who has ever searched for love But all of the stories are above everything else honest Together they tell the larger story of how relationships begin often fail and when we re lucky endure This is the perfect book for anyone who s loved lost stalked an ex on social media or pined for true romance in other words anyone interested in the endlessly complicated workings of the human heart      Partner to the Poor Paul Farmer,2010-04-21 For nearly thirty years anthropologist and physician Paul Farmer has traveled to some of the most impoverished places on earth to bring comfort and the best possible medical care to the poorest of the poor Driven by his stated intent to make human rights substantial Farmer has treated patients and worked to address the root causes of their disease in Haiti Boston Peru Rwanda and elsewhere in the developing world In 1987 with several colleagues he founded Partners In Health to provide a preferential option for the poor in health care Throughout his career Farmer has written eloquently and extensively on these efforts Partner to the Poor collects his writings from 1988 to 2009 on anthropology epidemiology health care for the global poor and international public health policy providing a broad overview of his work It illuminates the depth and impact of Farmer s contributions and demonstrates how over time this unassuming and dedicated doctor has fundamentally changed the way we think about health international aid and social justice A portion of the proceeds from the sale of this book will be donated to Partners In Health      **Partners** ,1970

BOOK JACKET     *The Publishers' Trade List Annual* ,1973     *Encountering Ephemera 1500-1800* Joshua B. Fisher, Rebecca Steinberger, 2014-07-24 This volume addresses two key questions 1 How can ephemera be understood as a critical category of literary and historical inquiry and 2 How can ephemera serve pedagogical purposes in the classroom Each of the essays in *Encountering Ephemera 1550 1800 Scholarship Performance Classroom* addresses these questions by exploring a diverse range of materials as well as periods The essays collectively work to define ephemera as a complex and multi faceted critical category in terms of its literary cultural and historical significance Each contributor works to complicate the traditional binary opposition between the ephemeral transitory and the canonical enduring in part by recognizing how attending to the material processes of textual production transmission and dissemination highlights the potential instability and mutability of texts and textual relationships whether discussing broadside ballads or coterie poetry By shifting the focus to the processes by which texts are constructed and construed the prospect of recognizing any text regardless of its canonical status as a static and fixed entity becomes difficult and in turn the ephemeral qualities that define and constitute the text's materiality come more sharply into focus Along these lines the ephemeral spaces across and between discourses what might be called the ephemera of cultural poetics play a key role in shaping literary texts Thus early modern and eighteenth century ephemera constitute both the material texts not intended to last or designed for limited cultural life and the process fleeting and transitory aspects of cultural production Whether discussing the circulation of cheap print the performative traces of music and gesture in Shakespeare's plays or the diffuse cultural influences that both surround and pervade literary texts attending to ephemeral matters underscores the dynamic unfixedness of early modern and eighteenth century cultural practices
