Partners In Birth Your Complete Guide To Helping A Mother Give Birth:

Pregnancy, Childbirth, and the Newborn Janet Walley, Penny Simkin, Ann Keppler, Janelle Durham, April Bolding, 2016-03-29 If you only buy one pregnancy book this should be the one It s the most complete It covers all aspects of childbearing from conception through early infancy and tells you what to expect It offers detailed information suggestions on decisions to make and advice on steps to take to have a safe and satisfying experience The Award Winning Resource Recommended by Experts Loved by Parents Parents love this book because it puts them in control by explaining a wide range of options information and questions to ask so parents can find what works best for their health situation personal goals and priorities Experts love this book because it s based on the latest medical research and recommendations from leading health organizations It s practical rooted in the real life experiences of new families The five authors bring a combined total of 150 years of experience working with expectant and new families as educators nurses counselors doulas physical therapists and lactation consultants They have attended hundreds of births heard thousands of birth stories and assisted innumerable new parents in adapting to their new lives Not only that the authors have a combined total of 12 children and 12 grandchildren All of this experience allows them to write with compassion understanding and wisdom based on what really works in the real world of parenting The companion website offers even more details on select subjects including lists of all the best resources on each topic and worksheets to guide parents decision making process The website also includes a bonus chapter on pre conception which provides ways to improve your health and fertility before pregnancy begins **Labour of Love** Sallyann Beresford, 2020-10-20 Have you been asked to attend the birth of a baby Are you wondering what to expect Learn the secrets to a POSITIVE birth experience In this ultimate guide doula antenatal teacher and hypnobirthing instructor Sallyann Beresford reveals everything you need to know when preparing to attend the birth of a baby She identifies key elements of the birth partner role that are not traditionally taught and presents the most up to date information examining all the important issues related to giving birth in these modern times Over the past 20 years Sallyann has supported thousands of couples in achieving their dream birth and she knows exactly what is required to help any woman through labour Whether you are a spouse relative friend doula or midwife you ll benefit from the easy to follow information and tried and tested tools she shares An excellent understanding of your role during the birth process leads to a positive experience for the pregnant woman and everyone around her *Birthing from Within* Pam England, Rob Horowitz, 2007 Giving birth is the pivotal moment of a woman s life but it is often treated as a medical procedure and not as a rite of passage Birthing from Within offers parents engaging and memorable ways for pregnant women and their partners to activate personal social and spiritual resources that will guide them through labour and afterwards Many birth classes teach from the outside from the perspective of the professional Yet knowledge of anatomy and the stages of labour can often seem irrelevant in the intensity of contraction The pregnant woman needs to know about labour and birth from her own perspective she needs to be prepared

for birthing from within Pam England offers a method that allows a woman to fully understand her own strengths and resources The self discoveries made during pregnancy makes birth life enhancing and empowers the future of the family It is a multi sensory and holistic approach that aims to make parents feel positively informed about what they are about to experience confident about the birth of their child Pain is an inevitable part of childbirth but Birthing from Within provides resources for building pain coping confidence in parents It gives detailed instructions on dealing with normal labour pain and when the humane use of drugs may be called for Cover *The Birth Guy's Go-To Guide for New Dads* Brian W.
